Home Invasion / Armed Robbery

For immediate release:

On August 12<sup>th</sup>, 2022, at approximately 1231 AM, Cobb 911 dispatch center received a call from an address on Silvery Way in Powder Springs reporting that there had been a home invasion and armed robbery. Officers responded and met with the victim who stated that a black male had come to his door and attempted to make entry using a pry bar. The victim stated that the suspect was able to make entry, brandished a firearm, and demanded money from him. The suspect then took property from the victim and then fled the area in a dark colored sedan driven by a second suspect.

Powder Springs Police was able to obtain a tag number and placed a "look out" on the suspects' vehicle to surrounding agencies. Cobb County Police located the vehicle traveling on the East West Connector and attempted to make traffic stop. The suspects fled from Cobb Police and a chase ensued into the City of Atlanta. During the pursuit, the suspect vehicle stopped briefly, and one of the two suspects attempted to flee on foot and was taken into custody. Once inside the City of Atlanta the other suspect fled on foot and is still being sought after.

This is still an active and ongoing investigation, and more details will be released when available.

If you have any information regarding the incident --please contact Captain Holcombe with the Powder Springs Police Department Criminal Investigations Division at 770-943-1616.
