164 Code may be numbered in accordance with the numbering system of this Code and printed  
165 for inclusion in this Code. The subsequent ordinances as numbered and printed or omitted, in  
166 the case of repeal, shall be prima facie evidence of these subsequent ordinances or resolutions  
167 until such time that this Code and subsequent ordinances numbered or omitted are readopted  
168 as a new Code.

180 of ordinances adopted during the period covered by the supplement and all changes made  
181 thereby in the Code. The pages of a supplement shall be so numbered that they will fit  
182 properly into the Code and will, where necessary, replace pages which have become obsolete  
183 or partially obsolete, and the new pages shall be so prepared that, when they have been  
184 inserted, the Code will be current through the date of the adoption of the latest ordinance  
185 included in the supplement.

186 (b) In preparing a supplement to this Code, all portions of the Code that have been repealed shall  
187 be excluded from the Code by the omission thereof from reprinted pages.

188 (c) When preparing a supplement to this Code, the person authorized to prepare the supplement  
189 may make formal, non-substantive changes in ordinances or resolutions and parts of  
190 ordinances or resolutions included in the supplemental, insofar as it is necessary to do so to  
191 embody them into a unified Code. For example, the person may:

192 (1) Organize the ordinance material into appropriate subdivisions.

- 193 (2) Provide appropriate catchlines, headings and titles for sections and other subdivisions of  
194 the Code printed in the supplement and make changes in such catchlines, headings and  
195 titles.
- 196 (3) Assign appropriate numbers to sections and other subdivisions to be inserted in the Code  
197 and, where necessary to accommodate new material, change existing section or other  
198 subdivision numbers.
- 199 (4) Change the words "this ordinance" or words of the same meaning to "this chapter," "this  
200 article," "this division," etc., as the case may be, or to "sections \_\_\_\_\_ to \_\_\_\_\_"  
201 (inserting section numbers to indicate the sections of the Code that embody the  
202 substantive sections of the ordinance incorporated into the Code).
- 203 (5) Make other non-substantive changes necessary to preserve the original meaning of  
204 ordinances inserted into the Code.

205 **Sec. 1.1.7 General penalty; continuing violations.**

- 206 (a) In this section, the term "violation of this Code" means:
- 207 (1) Doing an act that is prohibited or made or declared unlawful or an offense by ordinance  
208 or by rule or regulation authorized by ordinance;
- 209 (2) Failure to perform an act that is required to be performed by ordinance or by rule or  
210 regulation authorized by ordinance; or
- 211 (3) Failure to perform an act if the failure is declared an offense or unlawful by ordinance  
212 or by rule or regulation authorized by ordinance.
- 213 (b) In this section, the term "violation of this Code" does not include the failure of a city officer  
214 or city employee to perform an official duty, unless it is provided that failure to perform the  
215 duty is to be punished as provided in this section or it is clear from the context that it is the  
216 intent to impose the penalty provided for in this section upon the officer or employee.
- 217 (c) Except as otherwise provided:
- 218 (1) A person convicted of a violation of this Code shall be punished by a fine not exceeding  
219 \$1,000.00, imprisonment for a term not exceeding six months, or any combination  
220 thereof.
- 221 (2) With respect to violations of this Code that are continuous with respect to time, each day  
222 the violation continues is a separate offense.
- 223 (3) With respect to violations of this Code that are not continuous with respect to time, each  
224 day the violation continues is a separate offense.
- 225 (d) All fines shall be paid into the city treasury.
- 226 (e) Community service may be substituted for the fine, within the applicable Court's discretion,  
227 with the rate of hourly work set to that of the federal minimum wage.
- 228 (f) The imposition of a penalty does not prevent revocation or suspension of a license, permit or  
229 franchise or other administrative sanctions.

230 (g) Violations of this Code that are continuous with respect to time are a public nuisance and may  
231 be abated by injunctive or other equitable relief and by such other means as are provided by  
232 law. The imposition of a penalty does not prevent other relief authorized by law, including  
233 equitable relief.

234 **Sec. 1.1.8 Severability of Code.**

235 The sections, paragraphs, sentences, clauses and phrases of this Code are severable, and if  
236 any phrase, clause, sentence, paragraph or section of this Code shall be declared unconstitutional,  
237 invalid or otherwise unenforceable by the valid judgment or decree of any court of competent  
238 jurisdiction, that unconstitutionality, invalidity or unenforceability shall not affect any of the  
239 remaining phrases, clauses, sentences, paragraphs or sections of this Code, since they would have  
240 been enacted without the incorporation in this Code of the unconstitutional, invalid or  
241 unenforceable phrase, clause, sentence, paragraph or section.

242 **Sec. 1.1.9 Provisions considered as continuations of existing ordinances.**

243 The provisions appearing in this Code, insofar as they are the same as those of ordinances  
244 and resolutions existing at the time of adoption of this Code, shall be considered as continuations  
245 thereof and not as new enactments.

246 **Sec. 1.1.10 Prior offenses, penalties, contracts or rights not affected by adoption of Code.**

- 247 (a) Nothing in this Code or the ordinance adopting this Code shall affect any offense or act  
248 committed or done or any penalty or forfeiture incurred or any contract or right established  
249 or accruing before the effective date of this Code.
- 250 (b) The adoption of this Code shall not be interpreted as authorizing or permitting any use or the  
251 continuance of any use of a structure or premises in violation of any ordinance or resolution  
252 in effect on the date of adoption of this Code.

253 **Sec. 1.1.11 Certain ordinances not affected by Code.**

254 Nothing in this Code or the ordinance adopting this Code affects the validity of any of the  
255 following ordinances or portions of ordinances not in this Code, which ordinances or portions of  
256 ordinances continue in full force and effect to the same extent as if published at length in this Code:

- 257 (1) Promising or guaranteeing the payment of money or authorizing the issuance of bonds  
258 or other instruments of indebtedness.

**Section 2.** It is hereby declared to be the intention of the City Council that:

- (a) All sections, paragraphs, sentences and phrases of this Ordinance are or were, upon their enactment, believed by the City Council to be fully valid, enforceable and constitutional.
- (b) To the greatest extent allowed by law, each and every section, paragraph, sentence, clause or phrase of this Ordinance is severable from every other section, paragraph, sentence, clause or phrase of this Ordinance. No section, paragraph, sentence, clause or phrase of this Ordinance is mutually dependent upon any other section, paragraph, sentence, clause or phrase of this Ordinance.
- (c) In the event that any phrase, clause, sentence, paragraph or section of this Ordinance shall, for any reason whatsoever, be declared invalid, unconstitutional or otherwise unenforceable by the valid judgment or decree of any court of competent jurisdiction, it is the express intent of the City Council that such invalidity, unconstitutionality or unenforceability shall, to the greatest extent allowed by law, not render invalid, unconstitutional or otherwise unenforceable any of the remaining phrases, clauses, sentences, paragraphs or sections of the Ordinance.

**Section 3.** The City Attorney and City Clerk are authorized to make non-substantive editing and renumbering revisions to this Ordinance for proofing and renumbering purposes.

### **Section 3. Rates.**

Company shall be entitled to charge for gas distribution services furnished by it such rates as are prescribed by the GPSC or other lawful regulatory bodies of the State of Georgia.

#### **Section 4. Franchise fee.**

The total dollar amount of franchise fees paid by the company to the city shall be calculated as follows:

The following formula quantifies this payment:  $FF = FFF \times DDDC \times FFFA$

Where,

FF = total franchise fees due to the city for the current fiscal year

FFF = the Franchise Fee Factor

DDDC = the Dedicated Design Day Capacity in the city as of the last day of the previous fiscal year

The company shall adjust the franchise fee factor by franchise fee factor adjustment only when the company changes its rates as a result of a rate case with the GPSC.

As the holder of the franchise privilege hereunder, the company is responsible for the payment of all franchise fees payable hereunder, and shall file such reports and returns as required by this franchise ordinance. Company shall make the franchise fee payments to city on the same schedule and with such supporting documentation as company provides to other municipalities in Georgia. As of June 1, 2023, company shall make franchise payments as set forth herein to the city on a quarterly basis, and shall be remitted not later than 30 days after the last day of March, June, September, and December throughout the term of this Agreement. The initial payment shall be due on or by July 30, 2023.

The franchise fee payments required hereunder shall be in lieu of any franchise fee, license fee, permit fee, administrative fee, occupation tax or other payment for the use of the rights-of-way by the company for the provision of gas service, but shall not prohibit imposition of a license fee or an occupation tax on gas marketers. The company shall comply with the city's utility right-of-way permitting process, as enacted, so long as such process does not conflict with O.C.G.A. § 32-4-92 and is not more restrictive than rules and regulations as promulgated by the Georgia Department of Transportation. The city will not charge the company any other franchise fee, occupation tax, or regulatory fee as prohibited by O.C.G.A. § 48-13-16, or any other fee prohibited by state law. Company reserves the right to reduce the annual franchise fee payable to the city for any and all fees, taxes or charges assessed by the city in contravention of this section in connection with the granting of permits to perform company's work on city's property during such fiscal year.

#### **Section 5. Powers retained by city.**

All rights herein granted and authorized by the city shall be subject to and governed only by this ordinance; provided, however, that the city expressly reserves unto itself all of its police power to adopt general ordinances necessary to protect the safety and welfare of the general public in relation to the rights hereby granted not inconsistent with the provisions of this franchise agreement.

**Section 6. Excavation.**

Company, upon making an opening in the city's property, for the purpose of laying, repairing or maintaining gas facilities, shall use due care and caution to prevent injury to persons, shall replace and restore the city's property to its former condition as nearly as practicable within a reasonable time, and shall not unnecessarily obstruct or impede traffic upon the streets, avenues, roads, public highways, alleys, lanes, ways, parks and other places of the city.

**Section 7. Liability of grantee.**

Company shall save and keep harmless the city from any and all liability by reason of damage or injury to any person or persons whomsoever, on account of negligence or intentional act or omission of the company in the installation, maintenance and repair of its mains and pipe lines located in the city's property, provided the company shall have been notified in writing of any claim against the city on account thereof and shall have been given ample opportunity to defend the same.

**Section 8. When effective.**

This franchise agreement shall become effective upon its execution by the City and the Company.

**Section 9. Insurance requirements.**

Throughout the term of this franchise agreement, the company shall, at its own cost and expense, maintain comprehensive general liability insurance and shall, upon request, provide the city certificates of insurance designating the city as additional insured and demonstrating that the company has obtained the insurance required in this section. Such policy or policies shall be in the minimum amount of \$1,000,000.00 for bodily injury or death to any one person, and \$1,000,000.00 for bodily injury or death to any two or more persons resulting from one occurrence, and \$1,000,000.00 for property damage resulting from any one accident. Such policy or policies shall be non-cancelable except upon 30 days' prior written notice to the city. The company shall provide workers' compensation coverage in accordance with applicable law. The company shall indemnify and hold harmless the city from any workers' compensation claims to which the company may become subject during the term of this franchise agreement. Alternatively, and in lieu of the foregoing insurance requirements, the company may elect to self-insure or insure through its captive insurance carrier, provided that company or its parent company have sufficient net worth to do so, as determined by customary practice in the natural gas utility industry.

**Section 10. Renewal, term.**

Unless 90 days written notice is given by one party to the other prior to the expiration of this agreement, this franchise shall be considered as renewed and binding in all its provisions for twenty-nine consecutive one-year renewal terms, unless notice is given by either party prior to the expiration of any renewal term that the agreement shall not further renew after the end of the then current renewal term.

**Section 11. Severability.**

In the event that any provision of this ordinance should be ruled void, invalid, unenforceable or contrary to public policy by any court of competent jurisdiction, the remaining provisions of this ordinance shall survive and be applied, and together with the invalid or unenforceable portion shall

be construed or reformed to preserve as much of the original words, terms, purpose and intent as shall be permitted by law.

**Section 12. Notices.**

Any and all notices required to be given under this agreement shall be in writing and shall be delivered by U.S. Mail, return receipt requested, commercial overnight courier or hand delivery and shall be deemed delivered when received or rejected for receipt by the recipient. The parties' addresses are set forth below and can be changed upon 30 days' notice to the other:
