AN ORDINANCE CREATING CHAPTER 1, ARTICLE 2, CODE OF ETHICS, OF THE CITY CODE OF ORDINANCES AND FOR OTHER LAWFUL PURPOSES

WHEREAS, the City of Mableton (“City”) is a municipal corporation duly organized and existing under the laws of the State of Georgia;

WHEREAS, the duly elected governing authority of the City is the Mayor and Council (“City Council”) thereof;

WHEREAS, the City Council is authorized by the City Charter Sec. 1.13 and O.C.G.A. § 36-35-3 to adopt ordinances relating to its property, affairs and local government;

WHEREAS, the City Council deems it essential to the proper operation of democratic government that the public officials be, and give the appearance of being, independent, impartial, and responsible to the people, that governmental decisions and policies be made in the proper channels of the governmental structure and that public office not be used for personal gain;

WHEREAS, such measures are necessary to provide the public with confidence in the integrity of City government;

WHEREAS, it is the policy of the City that its officials, employees, appointees, and volunteers conducting official City business: 1) serve others and not themselves; 2) be independent, impartial and responsible; 3) use resources with efficiency and economy; 4) treat all people fairly; 5) use the power of their position for the well-being of their constituents and 6) create an environment of honesty, openness and integrity; and

WHEREAS, the City Council finds this Ordinance to be in the best interest of the health, safety and welfare of the City.

IT IS HEREBY ORDAINED by the governing authority of the City of Mableton as follows:

Section 1. Chapter 1, General Government, Article 2, Code of Ethics, of the City of Mableton Code of Ordinances is hereby created to read as follows:

CHAPTER 1 - GENERAL GOVERNMENT

ARTICLE 2 - CODE OF ETHICS

Sec. 1.2.1 – Purpose.

The purpose of this code of ethics is to:

- (a) Encourage high ethical standards in official conduct by city officials;

- (b) Establish guidelines for ethical standards of conduct for all such officials by setting forth those acts or actions that are incompatible with the interest of the city;
- (c) Require disclosure by such officials of private financial or other interest in matters affecting the city; and
- (d) Serve as a basis for disciplining those who refuse to abide by its terms.

Sec. 1.2.2 – Scope.

The provisions of this code of ethics shall be applicable to all elected or appointed city officials. Notwithstanding anything herein to the contrary, state law and the charter of the city shall be controlling in the event of an actual conflict with the provisions of this code of ethics. This ordinance shall be interpreted to supplement, and not replace, said provisions of state law and the charter.

6. PUBLIC HEARINGS

7. PRESENTATIONS/ACKNOWLEDGEMENTS/PROCLAMATIONS

a. Proclamation Recognizing the Heroism and Dedication of First Responders in Honor of September 11, 2001

Mayor Owens spoke about remembering September 11, 2001 and recognizing and honoring the service and dedication of law enforcement officers, firefighters, emergency medical technicians and other first responders. Mayor Owens read and presented the *Proclamation Recognizing the Heroism and Dedication of First Responders in Honor*

of September 11, 2001. Photos were taken. City Manager Tanks reported the City Council signed cards, and the cards along with donuts and cupcakes were given to officers, firefighters, and other first responders in Mableton and South Cobb areas.

b. YMCA Programs - Jared Guyer, Executive Director

Mayor Owens recognized Jared Guyer, Executive Director of YMCA and Kristn McEwen, Chief Experience Officer of YMCA of Metro Atlanta, who provided a presentation about the YMCA Programs. The presentation is available in the record. Their presentation addressed the history of the YMCA, mission, vision and values, metro Atlanta locations, strategic plan pillars and priorities, approach, membership, programming and programs. They addressed how there was a lot of possibility for the City of Mableton to have a YMCA located in the Mableton area.

Mayor Owens thanked them for their presentation. Questions and discussion followed about the current membership and potential membership of Mableton, Powder Springs, Douglasville, Austell, Smyrna and nearby locations. Ms. McEwen pointed out that the beauty of the YMCA membership, was that the members have access to YMCA facilities all over the Atlanta area and country. There is no additional charge.

The council thanked Ms. McEwen and Mr. Guyer for their presentation.

c. Mableton FY 2025 Spending Plan - Shawn Gillen, PhD - Sumter Local Government Consulting

City Manager Tanks provided background about how the City was doing full actions of presenting a projected budget, It is called a Spending Plan during the transitional time. The Council recently approved the transitional 90-day interim Spending Plan that expires October 1st. This is the first read of the projected FY 2025 Spending Plan. There will be a public hearing on September 25th for the projected FY 2025 Spending Plan. The FY 2025 Spending Plan will be from October 1 to June 30, 2025.

Mr. Guillian stated he had been in local government since 1997 when he was a mayor. He holds a Phd in Public Administration with a focus on public finance. This is the first real budget for the City. The challenge is that there is no historical base. He used the Feasibility Study of 2018 and year-to-date revenues and activities.

Mr. Guillin presented the FY 2025 Spending Plan. The plan is available in the record. He explained the top three revenues include franchise fees, insurance premium tax and Motor Vehicle Tax and keeping a close eye on these. When making the proposed spending plan, the expenditures were overestimated and revenues were underestimated. Every salary position was at the highest level. The insurance was at the highest insurance plan. This would provide flexibility. Once through the first budget cycle, the City will have more historical data. This time, he took a very conservative approach.

Questions and discussion followed.

- The bulk of the budget (spending plan) is for salaries and benefits.
- Councilmember Auch asked about the discretionary funds set in the Charter (Section 2.1). The \$5,000 for the mayor and \$3,000 for each council member will be added to the Spending Plan as a specific, separate line item. There should be

some miscellaneous expenditures.

- Councilmember Ferguson asked about the projected \$10,000 overtime line item in each of the departments. Mr. Tanks explained that it was just a projected placeholder and can be amended later as monitored.
- Council discussed the Sustainability, Waste, and Beautification Spending Plan Department, and different models for having the Keep Mableton Beautiful Department and executive salary. In the Spending Plan, there are two employees, the SWB Director and one administrative assistant.
- There will be a public hearing about the Spending Plan, prior to the second read. The Spending Plan with all updates will be available for anyone to see.
- Mayor Owens asked for a public hearing at the next meeting.

Mr. Tanks explained there is an interim Spending Plan that expires October 1st. He would like to have the FY 2025 Spending Plan approved by October 1st. He will have the Spending Plan available for viewing at the administrative offices. The City was in transition, so this was not a formal adoption. He said he was willing to do what was needed to meet the deadline. It's to keep us honest, October 1st would be nice. Mayor Owens confirmed with the City Clerk she would send out a public notice.

City Manager Tanks thanked Council for approving the recent HR and Financial services contracts and providing him with the tools and resources needed for the start-up and get the great talent such as Dawn, Dr. Gillin, and others of the Finance team. He felt good about the City's progress, noting the City was getting on target for providing services. Council commended Mr. Tanks for a job well done.

8. APPOINTMENTS

None.

- 9. PUBLIC COMMENTS** - 2 minutes per speaker - no more than 30 minutes for all speakers. Anyone wishing to make a public comment should complete and submit the public comment card to the City Clerk prior to the start of the meeting.

Jo Lahmon, Regional Manager for the South Cobb Library System, provided details about upcoming programs. On September 16th, Vinny Cobb County Fire Investigations Unit's First ever Accelerant Detection Canine and attendees can see him in action at 11:00 am - 12:00 pm at South Cobb Regional Library. She provided additional information about the upcoming biannual book sale and volunteer opportunities.

12. NEW BUSINESS

- a. **First Read - An Ordinance and Adoption Agreement for City of Mableton Georgia Municipal Employees Benefit System (GMEBS) Retirement Plan - City Clerk Susan Hiott and GMEBS Retirement & Defined Contribution Programs Field Service Rep Josh Colley**

Mayor Owens announced the item and provided background. He explained this was first read of the ordinance for the City's retirement plans. City Clerk Susan Hiott explained there would be amendments to the proposed ordinance after adoption of this ordinance. There are a few changes related to allowing those employees who were 1099, contract labor, to have their time credited for the plan. This also included the Council. The current ordinance is being adopted to have in place for the upcoming new hires. An amendment will be later. Ms. Hiott introduced Josh Colley of the Georgia Municipal Employees Benefit System (GMEBS) who provided a summary of the proposed retirement plans. Highlights of the plans:

- The plan was a very good defined benefit plan.
- The normal retirement age is 62, which is a better retirement age benefit.
- Early retirement at reduced benefits is age 55 with at least ten years of service.
- There is a 2% benefit multiplier.
- Elected officials receive \$50 per month for every year served on council.
- Employees are vested after 5 years.
- Elected officials are immediately vested.
- There is a 5 % variable cost of living for retirees - up to 5%.
- The plan will be effective October 1, 2024, after the second read.

Mayor Owens thanked Mr. Colley for his presentation.

- b. **Consideration and Approval of Authorizing the Mayor to Execute an IGA between Mableton Development Authority (MDA) and City of Mableton - City Manager Bill Tanks**

Mayor Owens announced the item and provided background. He explained the Mableton Development Authority (MDA) item had been discussed earlier and was a commitment of the City since the beginning. Greg Fuller who is General Manager at Six Flags, was appointed to be a member of the MDA. The MDA has had their first meeting already. The City will assist them with funding. The MDA is tasked with providing economic

development services for the City of Mableton. MDA has partnered with the Cobb Chamber of Commerce, which is a defacto economic development arm. This is an immediate shot in the arm that gives the City the ability to gain access to the Chamber, a host of experts and other aspects of economic development that the City does not have in-house. The City Manager has worked on this a lot, and there has been an outstanding coordinated effort. He commended the previous South Cobb Redevelopment Authority for making the transition (rebirth) to the Mableton Development Authority.

City Attorney Walker-Ashby explained that if approved, she would ask Council to authorize the mayor to finalize and execute it in substantial form. Thei MDA's attorney was out of the office for vacation and comes back the following day. He has not had real meaningful opportunity to look at the contract. She explained how the MDA was a separate body, created by the General Assembly, so this was a collaboration between the City and MDA to further economic goals and accomplishments. It provides a funding source for MDA, and creates a path for greater communication and the City. If there are substantial changes, the contract will be brought back to the Council.

Councilmember Auch asked if the contract should be deferred until all parties had reviewed the contract. Discussion followed about whether to defer. City Attorney Walker-Ashby reported the MDA had not asked for deferral. She had received an email that their attorney was on vacation. Councilmember Auch asked if there was funding in the proposed spending plan for the IGA and funding, Mr. Tanks explained there was enough contracted services under the Community Development Department.

Motion was made by Councilwoman Jeffcoat and seconded by Councilman Davis to approve the Mayor to execute an IGA between Mableton Development Authority and the City of Mableton and the Mayor to finalize and execute it in substantial form. The motion carried 7-0.

Mayor Owens recognized Representative Terry Cummings, who was present in the audience, for her support of the legislation for the MDA. He thanked all the other legislation and Council that helped to make this happen. The MDA are excited, and he hoped the Council and residents were excited about the opportunities to come from this partnership.

c. CBI - Funding for Furniture for 6116 Mableton Parkway - City Manager Bill Tanks

Mayor Owens announced the item and recognized City Manager Tanks who provided background. He explained the item had already been discussed in the work session. This item was for the furniture for the build out of Suite 140 and 141. The expenditure was over \$10,000 so he was bringing to the Council for approval. The amount is now \$54,000 instead of \$49,000. Originally he was planning to move a conference table, but was leaving it in its current location. He was purchasing another conference table for the 6116 Mableton Parkway suites.

Mayor Owens addressed concerns about shipping and timelines and asked if it was a single supplier. Mr. Tanks explained the furniture was being ordered from a Cobb County minority vendor. The furniture was Hon and was under state contract. The delivery is estimated at 8 weeks from the time of payment. Mr. Tanks stated the designs/details were

located in the agenda packet.

Motion was made by Councilmember Auch and seconded by Councilmember Ferguson to approve funding for furniture for 6116 Mableton Parkway . The motion carried 7-0.

- He referenced Cobb County Police Department Major Hurst's report at the previous Monday night work session. Major Hurst spoke about a lot of the security improvements at Six Flags,
- Improvements are not just at Six Flags, but at the Epi Center, and this part of the City. He thanked Major Hurst and all of Cobb County's first responders, EMS, and how the County all came together to improve Six Flags.
- Mayor Owens hoped residents would feel good going out to support Fright Night.

Mayor Owens commented about how 9-11 changed a lot of America's functions and how it was truly a defining moment. He expressed his gratitude to the first responders, including all of those that have given their lives both responding that day and after and during the last twenty years of conflict since 9-11.

FISCAL YEAR 2025 SPENDING PLAN

CITY OF MABLETON

FY 2025 SPENDING PLAN

GENERAL FUND REVENUE SUMMARY

The FY 2025 General Fund Spending Plan revenues are \$13,979,123. The three largest revenue sources are Franchise Fees, Insurance Premium Tax, and TAVT. These revenue estimates are based on actual revenues received to date and the 2018 Carl Vinson Institute of Government Feasibility Study. During future Spending Plan cycles more accurate data will be available to make more accurate projections. In this first year we estimate revenues lower than expected and expenditures higher than expected. This will put Mableton on solid fiscal footing into the future.

FY 2025 SPENDING PLAN

GENERAL FUND EXPENDITURE SUMMARY

The FY 2025 General Fund Spending Plan expenditure is \$13,406,563. This includes capital purchases of \$950,000 and an annual debt service of \$550,000 for a URA Revenue Bond of \$5,000,000 to be used for the acquisition of blighted property. Additionally, the salary expenditures are estimated at the top end of the salary range for each position and the health insurance is estimated at the family coverage rate for the highest cost plan. Since we have a numerous unfilled positions, we estimated the Salary Expenditure at 85% of the full cost due to the fact that not all of the positions will be filled for the entire year. This conservative estimating is important during the first year of operations. Once actual expenditure data is available in succeeding fiscal cycles more accurate estimations will be possible.

The Capital Spending Plan consists of expenditures for tangible items that have a cost of \$10,000 or above and have a useful life of over one year. The FY 2025 Capital Spending Plan is limited due to the lack of historical revenue and expenditure data. This conservative approach to capital Spending Planing will allow the City to determine actual revenues and expenditures after FY 2025 is complete before larger capital expenditures are made. The capital expenditures in the FY2025 Spending Plan focus on equipment needs for sufficient operation of the departments.

These revenue estimates are based on actual revenues received to date and the 2018 Carl Vinson Institute of Government Feasibility Study. During future Spending Plan cycles more accurate data will be available to make more accurate projections. In this first year we estimate revenues lower than expected and expenditures higher than expected. This will put Mableton on solid fiscal footing into the future.

GENERAL FUND EXPENDITURE SUMMARY

The FY 2025 General Fund Spending Plan expenditure is \$13,406,563. This includes capital purchases of \$950,000 and an annual debt service of \$550,000 for a URA Revenue Bond of \$5,000,000 to be used for the acquisition of blighted property. Additionally, the salary expenditures are estimated at the top end of the salary range for each position and the health insurance is estimated at the family coverage rate for the highest cost plan. Since we have a numerous unfilled positions, we estimated the Salary Expenditure at 85% of the full cost due to the fact that not all of the positions will be filled for the entire year. This conservative estimating is important during the first year of operations. Once actual expenditure data is available in succeeding fiscal cycles more accurate estimations will be possible.

The Capital Spending Plan consists of expenditures for tangible items that have a cost of \$10,000 or above and have a useful life of over one year. The FY 2025 Capital Spending Plan is limited due to the lack of historical revenue and expenditure data. This conservative approach to capital Spending Planing will allow the City to determine actual revenues and expenditures after FY 2025 is complete before larger capital expenditures are made. The capital expenditures in the FY2025 Spending Plan focus on equipment needs for sufficient operation of the departments.

RE: GMEBS Defined Benefit Retirement Plan and GMA 457(b) Deferred Compensation Plan for City of Mableton; New Plan Documents

Dear Ms. Hiott:

Enclosed is the draft Georgia Municipal Employees Benefit System ("GMEBS") Defined Benefit Retirement Plan ("DB Plan") Adoption Agreement for the city of Mableton, which provides for the creation and administration of the city's new GMEBS defined benefit pension plan, effective October 1, 2024. Also attached are copies of the restated Basic Plan Document and Amendment 1, which govern the GMEBS plans, and the DB Plan's favorable opinion letter from the IRS. Also enclosed is the draft adoption agreement for the city's new Georgia Municipal Association ("GMA") 457(b) Deferred Compensation Retirement Plan ("457(b) Plan"). This cover letter addresses key provisions of the city's new DB Plan and 457(b) Plan.

The City's GMEBS Defined Benefit Retirement Plan

The DB Plan Adoption Agreement designates the City Manager as the Plan Representative and the City Clerk as the Pension Committee Secretary (see pp. 2-3). The Pension Committee Secretary communicates salary and service information to GMEBS for the annual valuation and communicates with GMEBS and employee participants about Plan terms and pre-retirement beneficiary forms. The city did not designate specific members of the Pension Committee, so in accordance with Section 14.01 of the Basic Plan Document, its members are: City Clerk and City Manager; two employee representatives appointed by the Governing Authority; and three members of the Governing Authority.

The Plan Year will begin on July 1. The DB Plan requires participation by all regular employees employed on or after October 1, 2024, who work at least 30 hours a week at least 10 months a year (see pp. 6-7). Elected officials in office on or after October 1, 2024, will participate in the Plan; municipal legal officers will not (see pp. 5-6).

Importantly, the city is granting eligible regular employees in service on October 1, 2024, service credit for all service with the city before October 1, 2024, for all purposes (i.e., vesting, benefit eligibility, and benefit calculation). Elected officials in office on October 1, 2024, will not receive credit for service with the city as an elected official prior to October 1, 2024 (see p. 8).

None of a participant's prior military service (if any), prior governmental service (if any), or unused paid time off will count as service credit under the Plan (see pp. 9-13).

Eligible regular employees will qualify for an unreduced normal retirement benefit when they are at least 62 and have at least 5 years of credited service (see p. 14). An eligible regular employee's monthly normal retirement benefit will be 1/12 of 2.0% of the employee's final average earnings, multiplied by the employee's years and months of credited service under the plan. An employee's final average earnings will be based on the employee's highest 60 consecutive months of earnings (see pp. 21-23).

Elected officials will qualify for unreduced normal retirement benefits when they are at least age 62 (see p. 15). An elected official's monthly normal retirement benefit will be \$50.00 per month for each year of total credited service as an elected official (see pp. 23-24). A year of service for elected officials is defined as at least 6 months and 1 day of service. Eligible regular employees may not receive an in-service distribution of retirement benefits.

Please note that the maximum total credited service is not limited for eligible regular employees *or* elected officials (see p. 20). However, the maximum monthly benefit amount for elected officials may not exceed 100% of the elected official's final salary as an elected official (see p. 26).

Participants will qualify for early (reduced) retirement benefits when they are at least age 55 and have at least 10 years of credited service (see p. 14). If a participant elects early retirement, the participant's benefit will be reduced in accordance with the applicable early retirement reduction factors (see p. 24).

Retirees who return to service as eligible regular employees or elected officials after their early or normal retirement dates will cease receiving retirement benefits until they re-retire (see pp. 26-27).

Retirees (and their beneficiaries) will receive a variable annual cost-of-living adjustment to their benefits not to exceed 5.0% (see p. 28).

For regular eligible employees, normal retirement benefits are 100% vested after a minimum of 5 years of service. Elected officials are immediately vested in their normal retirement benefits (see pp. 29-30). The Plan does not require employee contributions (see p. 32).

An "Auto A" death benefit will be payable if a vested participant dies before retirement, whether in-service or after terminating employment. This death benefit is a monthly benefit payable to the participant's pre-retirement beneficiary, equal to the monthly retirement benefit that would have otherwise been payable to the participant if the participant had retired and elected a 100% joint and survivor benefit (see pp. 30-32, and Sections 8.06 and 8.09 of the Basic Plan Document). Participants may designate one primary and one secondary pre-retirement beneficiary. If a participant does not designate a pre-retirement beneficiary, the participant's surviving spouse, if any, will be treated as the participant's pre-retirement beneficiary. If the participant dies before retirement and does not have a designated pre-retirement beneficiary or a surviving spouse, a lump sum in the amount of 50% of the actuarial equivalent of the participant's vested accrued benefit will be paid to the participant's estate (see Basic Plan Document, Section 8.06(b)).

If approved by the city's governing authority, the DB Plan documents will become effective October 1, 2024. **Please note that per O.C.G.A. § 47-5-40, the DB Plan Adoption Agreement has been drafted in the form of an ordinance.** Please note that the Basic Plan Document, Amendment 1 and the IRS favorable opinion letter are for your records and do not need to be adopted by the city.

The City's New 457(b) Deferred Compensation Retirement Plan

Additionally, please find the draft adoption agreement for the city's new GMA 457(b) Deferred Compensation Plan ("457(b) Plan"). The 457(b) Plan Adoption Agreement provides that all eligible employees (including elected officials) may participate in and thus make employee contributions to this 457(b) Plan (see 457(b) Plan Adoption Agreement, p. AA-3). The 457(b) Plan provides that certain post-severance payments will be included as compensation (see 457(b) Plan Adoption Agreement, p. AA-4).

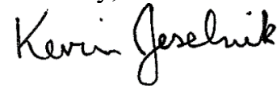

The 457(b) Plan Adoption Agreement will become effective October 1, 2024.

Action by the Mayor and Council

If the draft DB Plan Adoption Agreement and 457(b) Plan Adoption Agreement are acceptable, please have the designated representatives sign and date the documents where indicated (DB Plan Adoption Agreement, p. 37, and 457(b) Plan Adoption Agreement, p. 3 and p. Please note, GMEBS will not execute a document that has been edited by the city. If the documents require revisions, please let us know before adopting them.

Participants to whom alternative death benefit applies **(must specify - specific positions are permissible; specific individuals may not be named)**: _____.

Eligibility conditions for alternative death benefit **(must specify in a manner that satisfies the definite written program requirement of Treasury Regulation 1.401-1(a)(2) and the definitely determinable requirement of Treasury Regulation 1.401-1(b)(1)(i))**: _____.

B. Terminated Vested Death Benefit

(1) Complete this Section only if the Employer offers a terminated vested death benefit. The Employer may elect to provide a terminated vested death benefit, to be payable in the event that a Participant who is vested dies after termination of employment but before Retirement benefits commence. Subject to the terms and conditions of the Basic Plan Document, the Employer hereby elects the following terminated vested death benefit (**check one**):

- Auto A Death Benefit.** A monthly benefit payable to the Participant's Pre-Retirement Beneficiary, equal to the decreased monthly retirement benefit that would have otherwise been payable to the Participant had the Participant elected a 100% joint and survivor benefit under Section 7.03 of the Basic Plan Document.
- Accrued Retirement Benefit.** A monthly benefit payable to the Participant's Pre-Retirement Beneficiary which shall be actuarially equivalent to the Participant's Accrued Normal Retirement Benefit determined as of the date of death.

(2) Exceptions: If a terminated vested death benefit other than that specified above applies to one or more classes of Participants, the Employer must specify below the death benefit payable, the class(es) to whom the different death benefit applies, and the eligibility conditions for said death benefit.

Alternative Death Benefit (**must specify formula that satisfies the definite written program and definitely determinable requirements of Treasury Regulations Sections 1.401-1(a)(2) and 1.401-1(b)(1)(i) and does not violate limits applicable to governmental plans under Code Sections 401(a)(17) and 415**): _____.

Participants to whom alternative death benefit applies (**must specify - specific positions are permissible; specific individuals may not be named**): _____.

Eligibility conditions for alternative death benefit (**must specify in a manner that satisfies the definite written program requirement of Treasury Regulation 1.401-1(a)(2) and the definitely determinable requirement of Treasury Regulation 1.401-1(b)(1)(i)**): _____.

19. EMPLOYEE CONTRIBUTIONS

(1) Employee contributions (check one):

- Are not required.
- Are required in the amount of _____ % (**insert percentage**) of Earnings for all Participants.
- Are required in the amount of _____ % (**insert percentage**) of Earnings for Participants in the following classes (**must specify - specific positions are permissible; specific individuals may not be named**): _____.

[Repeat above subsection as necessary if more than one contribution rate applies.]

(2) Pre-Tax Treatment of Employee Contributions. If Employee Contributions are required in Subsection (1) above, an Adopting Employer may elect to "pick up" Employee Contributions to the Plan in accordance with IRC Section 414(h). In such case, Employee Contributions shall be made on a pre-tax rather than a post-tax basis, provided the requirements of IRC Section 414(h) are met. If the Employer elects to pick up Employee Contributions, it is the Employer's responsibility to ensure that Employee Contributions are paid and reported in accordance with IRC Section 414(h). The Adopting Employer must not report picked up contributions as wages subject to federal income tax withholding.

The Employer hereby elects (**check one**):

- To pick up Employee Contributions. By electing to pick up Employee Contributions, the Adopting Employer specifies that the contributions, although designated as Employee Contributions, are being paid by the Employer in lieu of Employee Contributions. The Adopting Employer confirms that the executor of this Adoption Agreement is duly authorized to take this action as required to pick up contributions. This pick-up of contributions applies prospectively, and it is evidenced by this contemporaneous written document. On and after the date of the pick-up of contributions, a Participant does not have a cash or deferred election right (within the meaning of Treasury Regulation Section 1.401(k)-1(a)(3)) with respect to the designated Employee Contributions, which includes not having the option of receiving the amounts directly instead of having them paid to the Plan.
- Not to pick up Employee Contributions.

(3) Interest on Employee Contributions. The Adopting Employer may elect to pay interest on any refund of Employee Contributions.

- Interest shall not be paid.
- Interest shall be paid on a refund of Employee Contributions at a rate established by GMEBS from time to time.
- Other rate of interest (**must specify rate in a manner that satisfies the definite written program requirement of Treasury Regulation 1.401-1(a)(2) and the definitely determinable requirement of Treasury Regulation 1.401-1(b)(1)(i)**):
_____.

20. MODIFICATION OF THE TERMS OF THE ADOPTION AGREEMENT

If an Adopting Employer desires to amend any of its elections contained in this Adoption Agreement (or any Addendum), the Governing Authority by official action must adopt an amendment of the Adoption Agreement (or any Addendum) or a new Adoption Agreement (or Addendum) must be adopted and forwarded to the Board for approval. The amendment of the

new Adoption Agreement (or Addendum) is not effective until approved by the Board and other procedures required by the Plan have been implemented.

The Administrator will timely inform the Adopting Employer of any amendments made by the Board to the Plan.

21. TERMINATION OF THE ADOPTION AGREEMENT

This Adoption Agreement (and any Addendum) may be terminated only in accordance with the Plan. The Administrator will inform the Adopting Employer in the event the Board should decide to discontinue this pre-approved plan program.

22. EMPLOYER ADOPTION AND AUTHORIZATION FOR AMENDMENTS

Adoption. The Adopting Employer hereby adopts the terms of the Adoption Agreement and any Addendum, which is attached hereto and made a part of this ordinance. The Adoption Agreement (and, if applicable, the Addendum) sets forth the Employees to be covered by the Plan, the benefits to be provided by the Adopting Employer under the Plan, and any conditions imposed by the Adopting Employer with respect to, but not inconsistent with, the Plan. The Adopting Employer reserves the right to amend its elections under the Adoption Agreement and any Addendum, so long as the amendment is not inconsistent with the Plan or the Internal Revenue Code or other applicable law and is approved by the Board of Trustees of GMEBS. The Adopting Employer acknowledges that it may not be able to rely on the pre-approved plan opinion letter if it makes certain elections under the Adoption Agreement or the Addendum, and that the failure to properly complete the Adoption Agreement may result in a failure of the Adopting Employer's Plan to be a qualified plan.

The Adopting Employer hereby agrees to abide by the Basic Plan Document, Trust Agreement, and rules and regulations adopted by the Board of Trustees of GMEBS, as each may be amended from time to time, in all matters pertaining to the operation and administration of the Plan. It is intended that the Act creating the Board of Trustees of GMEBS, this Plan, and the rules and regulations of the Board are to be construed in harmony with each other. In the event of a conflict between the provisions of any of the foregoing, they shall govern in the following order:

- (1) The Act creating the Board of Trustees of The Georgia Municipal Employees' Benefit System, O.C.G.A. Section 47-5-1 *et seq.* (a copy of which is included in the Appendix to the Basic Defined Benefit Plan Document) and any other applicable provisions of O.C.G.A. Title 47;
- (2) The Basic Defined Benefit Plan Document and Trust Agreement;
- (3) This Ordinance and Adoption Agreement (and any Addendum); and
- (4) The rules and regulations of the Board.

In the event that any section, subsection, sentence, clause or phrase of this Plan shall be declared or adjudged invalid or unconstitutional, such adjudication shall in no manner affect the previously existing provisions or the other section or sections, subsections, sentences, clauses or

phrases of this Plan, which shall remain in full force and effect, as if the section, subsection, sentence, clause or phrase so declared or adjudicated invalid or unconstitutional were not originally a part hereof. The Governing Authority hereby declares that it would have passed the remaining parts of this Plan or retained the previously existing provisions if it had known that such part or parts hereof would be declared or adjudicated invalid or unconstitutional.

This Adoption Agreement (and any Addendum) may only be used in conjunction with Georgia Municipal Employees Benefit System Basic Defined Benefit Retirement Plan Document approved by the Internal Revenue Service under opinion letter Q705465a dated August 31, 2023. The Adopting Employer understands that failure to properly complete this Adoption Agreement (or any Addendum), or to operate and maintain the Plan and Trust in accordance with the terms of the completed Adoption Agreement (and any Addendum), Basic Plan Document and Trust, may result in disqualification of the Adopting Employer's Plan under the Internal Revenue Code. Inquiries regarding the adoption of the Plan, the meaning of Plan provisions, or the effect of the IRS opinion letter should be directed to the Administrator. The Administrator is Georgia Municipal Employees Benefit System, with its primary business offices located at: 201 Pryor Street, SW, Atlanta, Georgia, 30303. The business telephone number is: (404) 688-0472. The primary person to contact is: GMEBS Legal Counsel.

Authorization for Amendments. Effective on and after February 17, 2005, the Adopting Employer hereby authorizes the pre-approved plan provider who sponsors the Plan on behalf of GMEBS to prepare amendments to the Plan, for approval by the Board, on its behalf as provided under Revenue Procedure 2005-16, as superseded by Revenue Procedure 2015-36, Revenue Procedure 2011-49, and Announcement 2005-37. Effective January 1, 2013, Georgia Municipal Association, Inc., serves as the pre-approved plan provider for the Plan. Employer notice and signature requirements were met for the Adopting Employer before the effective date of February 17, 2005. The Adopting Employer understands that the implementing amendment reads as follows:

On and after February 17, 2005, the Board delegates to the Provider the authority to advise and prepare amendments to the Plan, for approval by the Board, on behalf of all Adopting Employers, including those Adopting Employers who have adopted the Plan prior to the January 1, 2013, restatement of the Plan, for changes in the Code, the regulations thereunder, revenue rulings, other statements published by Internal Revenue Service, including model, sample, or other required good faith amendments (but only if their adoption will not cause such Plan to be individually designed), and for corrections of prior approved plans. These amendments shall be applied to all Adopting Employers. Employer notice and signature requirements have been met for all Adopting Employers before the effective date of February 17, 2005. In any event, any amendment prepared by the Practitioner and approved by the Board will be provided by the Administrator to Adopting Employers.

Notwithstanding the foregoing paragraph, no amendment to the Plan shall be prepared on behalf of any Adopting Employer as of either:

- the date the Internal Revenue Service requires the Adopting Employer to file Form 5300 as an individually designed plan as a

result of an amendment by the Adopting Employer to incorporate a type of Plan not allowable in a pre-approved plan as described in Revenue Procedure 2017-41; or

- as of the date the Plan is otherwise considered an individually designed plan due to the nature and extent of the amendments.

If the Adopting Employer is required to obtain a determination letter for any reason in order to maintain reliance on the opinion letter, the Provider's authority to amend the Plan on behalf of the Adopting Employer is conditioned on the Plan receiving a favorable determination letter.

The Adopting Employer further understands that, if it does not give its authorization hereunder or, in the alternative, adopt another pre-approved plan, its Plan will become an individually designed plan and will not be able to rely on the pre-approved plan opinion letter.

Reliance on Opinion Letter. As provided in Revenue Procedure 2017-41, the Adopting Employer may rely on the Plan's opinion letter, provided that the Adopting Employer's Plan is identical to the GMEBS Plan, and the Adopting Employer has not amended or made any modifications to the Plan other than to choose the options permitted under the Plan, Adoption Agreement, and any Addendum.

AN ORDINANCE (continued from page 1)

Section 2. Except as otherwise specifically required by law or by the terms of the Basic Plan Document or Adoption Agreement (or any Addendum), the rights and obligations under the Plan with respect to persons whose employment with the City was terminated or who vacated office with the City for any reason whatsoever prior to the effective date of this Ordinance are fixed and shall be governed by such Plan, if any, as it existed and was in effect at the time of such termination.

Section 3. The effective date of this Ordinance shall be October 1, 2024 **(not earlier than the first day of the current Plan Year in which the Plan is adopted, unless a retroactive corrective amendment is permitted under EPCRS, Rev. Proc. 2021-30 (or subsequent updated guidance))**.

Section 4. All Ordinances and parts of ordinances in conflict herewith are expressly repealed.

BASIC PLAN DOCUMENT

ARTICLE I.

PURPOSE OF PLAN

The Georgia Municipal Employees Retirement System Plan ("Plan") is hereby amended and restated for the Third Six-Year Cycle, in compliance with the 2020 Cumulative List, pursuant to a resolution of the Board of Trustees of the Georgia Municipal Employees Benefit System. The Plan is a governmental qualified defined benefit plan under Internal Revenue Code Sections 401(a) and 414(d) and is intended to be adopted by Employers in Georgia.

The Plan is intended to comply with certain provisions of the Protecting Americans from Tax Hikes Act of 2015 ("PATH Act"); as well as the additional guidance included in the 2020 Cumulative List under Internal Revenue Service ("IRS") Notice 2020-14 to the extent applicable to the Plan. Except as otherwise specifically provided herein, the Plan establishes the rights and obligations with respect to individuals who are Employees on and after such dates, as applicable, and to transactions under the Plan on and after such dates, as applicable. Except as otherwise specifically provided herein, the rights and benefits, if any, of individuals who are not Employees on or after such dates, as applicable, shall be determined in accordance with the terms and provisions of the Plan that were in effect on the date that their employment terminated.

Any Municipal Corporation accepted by the Board as an Adopting Employer may become a party to the Plan as of the first day of any Plan Year, or such other date specified by the Adopting Employer, by delivering to the Administrator an appropriate Ordinance of the Governing Authority adopting the Plan. Any other Employer accepted by the Board as an Adopting Employer may become a party to the Plan as of the first day of any Plan Year, or such other date specified by the Adopting Employer, by delivering to the Administrator an appropriate resolution or ordinance (as applicable) of the Governing Authority adopting the Plan. With the

consent of the Board, such organization shall become an Adopting Employer hereunder, as of the specified date, and shall be subject to the terms and provisions of the Plan as then in effect and thereafter amended.

The Plan document consists of this Basic Plan Document, the Adoption Agreement, and any Addendum of each Employer and any amendments to the Basic Plan Document, the Adoption Agreement, and any Addendum. The Plan, generally effective as of the date set forth in the Adoption Agreement for each Employer, except as otherwise specifically provided herein, is established for the purpose of providing retirement and other benefits to Participants.

This Plan is intended to be a pre-approved plan, to be used with a completed Adoption Agreement.

ARTICLE II.

DEFINITIONS

This Article covers all generally applicable definitions used in this Plan, except for definitions related to service, which are in Article III. Except as otherwise provided in the Employer's Adoption Agreement or any Addendum, the definition of terms contained in this Article II and Article III shall govern the meaning of such terms used in the Adoption Agreement. Section 2.01. **"Accrued Benefit"** shall mean, as of any date, the Normal Retirement benefit payable to a Participant at the Participant's Normal Retirement Date computed in accordance with the provisions of Article VI and the Adoption Agreement, based upon the Participant's Total Credited Service and Final Average Earnings (if applicable) as of the date that the Participant's Accrued Benefit is being determined.

Section 2.02. **"Actuarial Equivalent"** shall mean a benefit of approximately equal value when computed on the basis of the actuarial assumptions contained in Article XII.

Section 2.03. **"Actuary"** shall mean an individual, or firm, appointed or approved by the Board of Trustees to perform actuarial calculations necessary in the funding of the Plan.

Section 2.05. **"Adjustment Date"** means January 1 or such other date in a calendar year on which a Cost of Living Adjustment is applied to a Retired Participant's or Post-Retirement Beneficiary's benefit pursuant to an Adopting Employer's Adoption Agreement or any Addendum thereto.

Section 3.04. **"Prior Governmental Service"** shall mean government service preceding the Eligible Employee's employment or reemployment date with the Adopting Employer, usually for an entity other than the Adopting Employer, which the Employer elects to treat as Credited Service for certain purposes, as provided and subject to any limitations contained in the Adoption Agreement

Section 3.05. **"Prior Military Service"** shall mean Military Service not covered by Section 3.02 which the Employer elects to treat as Credited Service for certain purposes, as provided and subject to any limitations contained in the Adoption Agreement.

Section 3.06. **"Service"** shall mean regular service rendered as an Eligible Employee of the Adopting Employer. Service may include absence from active employment with the Adopting Employer under conditions which are not treated by the Employer as a Termination of Employment, subject to Article IV concerning leaves of absence and any other conditions or

limitations specified in the Basic Plan Document, Adoption Agreement or Addendum. For those Employers who elect in the Adoption Agreement to include elected or appointed members of the Governing Authority or Municipal Legal Officers as Eligible Employees, Service also means any tenure of office held by an elected or appointed member of the Governing Authority or a Municipal Legal Officer, provided that such tenure of office does not include any calendar period during which any elected or appointed member of the Governing Authority or Municipal Legal Officer is also in the regular service of the Employer as an Eligible Employee in another capacity. No Participant may receive credit for more than one (1) year of Service in any twelve (12) month period.

Section 3.07. **"Total Credited Service"** shall mean the sum of the Participant's Current Credited Service, Credited Past Service, Prior Military Service, and Prior Governmental Service, as specified in this Article and covered per the Employer's Adoption Agreement, subject to any limitations imposed under the Basic Plan Document or the Employer's Adoption Agreement or Addendum. The term Total Credited Service includes any Service required to be included in Total Credited Service by USERRA, or any other applicable federal or state law. Full months of Total Credited Service shall be treated as fractions of one (1) year. Partial months shall not be included in the calculation. The Employer may specify in the Adoption Agreement a maximum number of years that may be included as Total Credited Service. If an Employer elects in its Adoption Agreement to require Employee Contributions, Total Credited Service shall not include any period of time for which the Employee is required but fails to make such Employee Contributions to the Plan. If a Participant has received a cash single sum payment of the present value of the Participant's Plan benefit pursuant to Section 7.05 of the Basic Plan Document upon or following termination with an Adopting Employer and

subsequently returns to Service with such Adopting Employer, the Participant's prior Credited Service with the Adopting Employer for which the cash single sum payment was paid shall be counted for purposes of meeting the Plan's requirements for participation, vesting, and retirement and death benefit eligibility but shall not be counted as Credited Service for purposes of benefit computation.

An Employee excluded from participation because of age shall receive credit for all Service as required by law.

ARTICLE IV.

ELIGIBILITY, QUALIFICATION AND PARTICIPATION

Section 4.01. Classes of Eligible Employees. The Employer shall designate in the Adoption Agreement the class(es) of Employees which are eligible to participate in the Plan. Provided, however, that if a person does not meet the definition of "Employee" contained in Article II, such person may not be included in any Eligible Employee class.

Section 4.02. Qualifications for Participation.

(a) **Minimum Service Requirement.** With respect to each class of Eligible Regular Employees, the Employer may specify in the Adoption Agreement a minimum number of work hours per week and/or a minimum number of work months per year which are required to be scheduled in order to establish and maintain the Employee's status as an Eligible Regular Employee. It shall be the responsibility of the Adopting Employer to determine whether these requirements are and continue to be satisfied. In determining whether said requirements are satisfied, the following rules shall apply:

(1) If an Employee is otherwise includable in an Eligible Regular Employee class but does not meet the minimum service requirements established by the Employer for said class pursuant to subsection (a) above, the Employee shall not be considered an

Eligible Employee, unless and until such requirements are satisfied. If an Eligible Regular Employee who has not yet become a Participant no longer meets said minimum service requirement but remains an Employee of the Employer, such Employee shall no longer be considered an Eligible Regular Employee, unless and until the Employee again satisfies the minimum requirement.

(2) No period of employment during which an Employee fails to satisfy the Employer's minimum service requirement and no leave of absence granted to such Employee shall be counted in determining whether any waiting period for participation established by the Employer pursuant to subsection (b) below has been satisfied. However, provided the Employee remains continuously employed by the Employer, such periods shall not be considered a break in Service under subsection (c)(1) below for purposes of satisfying said waiting period.

(b) Waiting Period. Effective January 1, 2015 with respect to Eligible Regular Employees in service with the Adopting Employer on or after said date, Eligible Regular Employees shall not have a waiting period before participating in the Plan. Likewise, effective January 1, 2015, elected or appointed members of the Governing Authority and Municipal Legal Officers, if eligible to participate in the Plan, shall not have a waiting period before participating in the Plan. Notwithstanding subsection 20.01(f) of the Basic Plan Document, in the event that an Adopting Employer has specified in an Addendum to the Adoption Agreement in effect immediately prior to January 1, 2015 that any class or classes of Eligible Employees shall be subject to a waiting period before participating in the Plan, such provision shall no longer be effective on or after January 1, 2015.

(c) Prior to January 1, 2015, unless otherwise specified by the Adopting Employer in an Addendum to the Adoption Agreement, Eligible Regular Employees were required to complete one (1) year of continuous, uninterrupted service with the Adopting Employer in order to commence participation in the Plan. In determining whether an applicable waiting period was satisfied, the following rules shall apply:

(1) Breaks in Service. If an Eligible Regular Employee has a break in service prior to satisfying the waiting period for participation and later becomes reemployed by the Adopting Employer, such Employee shall be required to again satisfy the waiting period in order to be eligible to participate in the Plan. Service rendered prior to said break in service shall not be taken into account in determining whether the waiting period has been satisfied.

(2) Employed on Effective Date; Waiting Period Satisfied. If an Eligible Regular Employee is employed by the Adopting Employer on the Effective Date of the Plan and has completed a period of continuous, uninterrupted service as an Eligible Employee immediately prior to the Effective Date equal to or exceeding the length of the required waiting period, then the Employee shall be considered to have satisfied the waiting period and shall be eligible to commence participation in the Plan on the first day of the month immediately following or coinciding with the Effective Date of the Plan.

(3) Employed on Effective Date; Waiting Period Not Satisfied. If an Eligible Regular Employee is employed by the Adopting Employer on the Effective Date of the Plan but has not completed a period of continuous, uninterrupted service as an Eligible Regular Employee immediately prior to the Effective Date equal to or exceeding the length of the required waiting period, then the Employee shall be eligible to commence

participation in the Plan on the first day of the month immediately following or coinciding with the date that the Employee completes the minimum period of continuous, uninterrupted service as an Eligible Regular Employee necessary to satisfy the required waiting period.

(4) Employed After the Effective Date. If an Eligible Regular Employee is initially employed by the Adopting Employer after the Effective Date of the Plan, said Employee shall be eligible to commence participation in the Plan on the first day of the month immediately following or coinciding with the date that the Employee completes the minimum period of continuous, uninterrupted service as an Eligible Regular Employee necessary to satisfy the required waiting period.

(5) Treatment of Leaves of Absence. For purposes of determining whether the waiting period for participation has been satisfied, service shall include any period of absence from employment which is required to be taken into account for such purpose under USERRA, the FMLA, or any other applicable federal or state law. Unless otherwise required by law or unless the terms of the leave otherwise specify, an authorized leave of absence granted to an Eligible Regular Employee by the Adopting Employer shall be counted as Credited Service for purposes of determining whether the waiting period for participation has been satisfied. However, unless otherwise required by law or unless the terms of the leave otherwise specify, if an Eligible Regular Employee on an authorized leave of absence fails to return to active employment or office upon expiration of the leave of absence, the Eligible Regular Employee shall be considered to have incurred a break in service for purposes of meeting the waiting period for participation as of the date preceding the approved leave period.

(6) Treatment of Service as an Ineligible Employee. If an Employee of the Adopting Employer who is not an Eligible Employee becomes an Eligible Regular Employee while remaining continuously employed by the Adopting Employer, said Eligible Employee shall become eligible to commence participation on the first day of the month immediately following or coinciding with the date the Employee meets the eligibility requirements for participation under this Article. For purposes of satisfying any waiting period imposed by the Adopting Employer, and unless otherwise specified in the Adoption Agreement, the Eligible Regular Employee's prior period of employment as an Ineligible Employee shall be credited in the same manner as service as an Eligible Regular Employee provided that during said prior period of service as an Ineligible Employee, the Employee satisfied any minimum service requirement established by the Employer pursuant to Section 4.02(a). Unless otherwise specified in the Adoption Agreement, if an Eligible Regular Employee becomes an Ineligible Employee prior to satisfying the waiting period for participation in the Plan, said Employee's service as an Ineligible Employee shall be credited in the same manner as service as an Eligible Regular Employee for purposes of satisfying said waiting period, provided that the Ineligible Employee satisfies the applicable minimum service requirements established for Eligible Employees pursuant to Section 4.02(a). However, in no event will an Ineligible Employee be permitted to become a Participant in the Plan unless and until said Employee has satisfied the waiting period and has again become an Eligible Employee. For purposes of satisfying the waiting period, leaves of absence granted to an Ineligible Employee shall be treated in the same manner as leaves of absence for Eligible Regular Employees under paragraph (5) above.

(7) Prior Participation in Another GMEBS Plan. An Eligible Regular Employee who is hired after the Effective Date of the Plan shall be eligible to become a Participant on the first day of the month immediately following or coinciding with the date on which the Employee is employed by the Adopting Employer, regardless of any waiting period requirement established by the Employer, provided that: (i) said Employee's immediate prior employment was with another Adopting Employer in the GMEBS; (ii) said Employee was a Participant in the previous Adopting Employer's GMEBS retirement plan; and (iii) said Employee satisfies any minimum service requirement established by the Adopting Employer pursuant to Section 4.02(a) for the Employee's class.

Section 4.03. Establishing Participation in the Plan.

(a) Mandatory vs. Optional Participation. Participation in the Plan shall be considered mandatory for all classes of Eligible Employees unless, with respect to a particular class, the Employer specifies in the Adoption Agreement that participation is optional for members of said class.

(b) Mandatory Participation. If participation is mandatory for a class of Eligible Employees, then, except as otherwise provided in subsection (e) below, all Eligible Employees in the class shall become Participants in the Plan as of the date they are employed, provided that they satisfy the Adopting Employer's eligibility requirements for participation. With respect to Eligible Employees initially employed or reemployed prior to January 1, 2015, if participation is mandatory for a class of Eligible Employees, then except as provided in subsection (e) below, all Eligible Employees in the class shall become Participants in the Plan on the first day of the month immediately following or coinciding with the date they satisfy the applicable waiting

period and any other eligibility requirements for participation; provided, however, that any Eligible Employee who was employed prior to January 1, 2015, was subject to a waiting period before participating in the Plan, and had not satisfied such waiting period prior to January 1, 2015 shall commence participation in the Plan effective January 1, 2015. Eligible Employees shall provide to the Pension Committee on an Applicable Form such participation enrollment information as shall be required by the Pension Committee, which shall include the Eligible Employee's acceptance of the terms and conditions of the Plan. Notwithstanding an Eligible Employee's failure to complete the Applicable Form, the Eligible Employee shall become a Participant as specified in the Adoption Agreement.

(c) Optional Participation. The Employer may specify in the Adoption Agreement that participation is optional for certain classes of Eligible Employees, including but not limited to Employees in the following categories: elected or appointed members of the Governing Authority, Municipal Legal Officers, City Manager, and Department Heads. If participation is optional for an Eligible Employee, then the Eligible Employee may elect to become a Participant at the Eligible Employee's option by filing with the Pension Committee, on an Applicable Form, such information as shall be required to enroll in the Plan, which shall include the Eligible Employee's acceptance of the terms and conditions of the Plan. The election to participate must be made within 120 days after the later of: the date the Eligible Employee commences employment with the Adopting Employer, the date the Eligible Employee is elected or appointed to office, or the date participation in the Plan is first permitted for members of a class to which the Eligible Employee belongs. The election to participate shall be irrevocable, and the failure to make an election within the 120-day time limit specified above shall be deemed an irrevocable election not to participate in the Plan. If Employee contributions are required under the

Adopting Employer's Plan, then Eligible Employees who apply for participation within the 120 day period may be required to make retroactive contributions in order to receive credit under the Plan for creditable Service prior the date they apply to participate in the Plan.

(d) Participation in the Plan shall not give any Eligible Employee the right to be retained in the employ of the Adopting Employer nor, upon dismissal, to have any right or interest in the Trust Fund other than as herein provided.

(e) Notwithstanding anything in this Section 4.03 to the contrary, if within 120 days following the date on which an Employee is first employed or first takes office with an Adopting Employer, the Employee enters into a written agreement or employment contract with the Adopting Employer pursuant to which the Employee agrees that the Employee will not participate in the Plan, the Employee shall be ineligible to participate in the Plan regardless of whether the Employee otherwise satisfies the eligibility requirements for participation in the Plan. The Employer shall notify the Administrator if and when an Employee has entered into such an agreement with the Employer and provide such information to the Administrator as necessary to confirm the existence of said agreement. A subsequent change in the terms of said agreement will not make the Employee eligible to participate in the Plan unless the Adopting Employer amends its Adoption Agreement to specifically require participation by said Employee.

Section 4.04. Change in Employment Status.

(a) Transfer to Ineligible Status. Unless otherwise specified by the Employer in the Adoption Agreement, if a Participant's employment status changes such that the Participant becomes an Ineligible Employee, said Employee shall cease to accrue benefits under the Plan for any purpose and the Employee's interest under the Plan, if any, shall be only such as existed immediately before the Employee became an Ineligible Employee, unless and until the

Employee again becomes a Participant. In no event will the Employee's service or earnings as an Ineligible Employee be taken into account for purposes of meeting the Plan's minimum service requirements for vesting, retirement eligibility, death benefit eligibility, or for purposes of computing the amount of any benefit payable under the Plan. However, said period of service as an Ineligible Employee shall not be considered a break in Service under Section 4.06, provided the Ineligible Employee remains continuously employed by the Adopting Employer. If the Ineligible Employee does not again become a Participant prior to Retirement or Termination of Employment, the Employee's Vested Benefit, if any, shall be paid as provided in Article IX.

(b) Transfer Back to Eligible Status. If an Ineligible Employee described in subsection (a) above remains continuously employed by the Adopting Employer and has another change in employment status such that the Employee again becomes a Participant, the Employee shall thereafter be entitled to accrue benefits in accordance with the terms of the Plan as in effect as of the date of the subsequent change in employment status. In no event, however, shall such a Participant receive a greater benefit under the Plan than that which the Participant would have received had the Participant not had a change in employment status.

Section 4.05. Participant Leaves of Absence.

(a) USERRA, FMLA Leave – Notwithstanding any provision of this Plan to the contrary, if any period of absence is required to be counted under USERRA, the FMLA or any other applicable federal or state law as Current Credited Service for the purpose of computing the amount of any benefit payable under the Plan, or for purposes of meeting the Plan's minimum service requirements for vesting, retirement or death benefit eligibility, then said period of absence shall be counted as such in accordance with and subject to the requirements of such law.

(b) Other Leaves of Absence. Unless otherwise required by law or unless the terms of the leave otherwise specify, an authorized leave of absence granted to a Participant by the Adopting Employer will be counted as Current Credited Service for the purpose of computing the amount of any benefit payable under the Plan, and for purposes of meeting the Plan's minimum service requirements for vesting and benefit eligibility. However, if the Participant does not return to active employment upon expiration of the authorized leave period, then subsection (c) shall apply.

(c) Failure to Return to Service. Unless otherwise required by law or unless the terms of the leave otherwise specify, if a Participant does not return to active employment with the Employer upon expiration of a leave of absence, the Participant's interest under the Plan, if any, including the Participant's Current Credited Service for the purpose of computing the amount of any benefit payable under the Plan, and for purposes of meeting the Plan's minimum service requirements for vesting and any minimum service requirements for retirement or death benefit eligibility, will be limited to that accrued as of the date preceding the approved leave period.

(d) Unused Leave. The Adopting Employer may elect in the Adoption Agreement to credit certain unused leave at termination or retirement for which the Participant is not paid as Credited Service, subject to the terms and limits specified in the Basic Plan Document, Adoption Agreement or Addendum.

Section 4.06. Non-Vested Participant Breaks in Service.

Except as otherwise provided in the Adoption Agreement, this Section shall apply only to Participants who are Eligible Regular Employees. If a non-vested Participant experiences a break in service, the Participant's Current Credited Service shall not include any Service rendered

prior to the break in service, unless the Participant returns to employment with the Adopting Employer and performs the lesser of: service equal to the break in service, or service equal to one (1) year. The following limitations shall apply in administering the break in service rule:

(a) Absence of Less Than One (1) Year. If a Participant terminates employment with the Adopting Employer and returns to employment with the Adopting Employer within one (1) year after said termination, the Participant shall not be deemed to have incurred a break in service. Except as otherwise required under this Section, however, the time the Participant was absent shall not be taken into account for any purpose under the Plan.

(b) Interim Employment with Another GMEBS Employer. If a Participant terminates employment with the Adopting Employer and returns to employment with the Adopting Employer after having spent the interim period in the continuous employment of another Employer in the GMEBS, the Participant shall not be deemed to have incurred a break in Service. The time the Participant was absent may be taken into account for purposes of determining whether the Participant has met the minimum service requirements for vesting and retirement eligibility under the Adopting Employer's Plan, as provided by and subject to the provisions of Section 9.05 concerning portability. However, in no event shall the time the Participant was absent from the Adopting Employer be taken into account for the purpose of computing the amount of any benefit payable under the Adopting Employer's Plan.

(c) Treatment of Leaves of Absence. No leave of absence or other period of absence from employment shall be considered a break in Service if it is not permitted to be treated as such under USERRA, the FMLA, or any other applicable federal or state law. Unless otherwise required by law or unless the terms of the leave otherwise specify, any other authorized leave of absence granted to a Participant shall not be deemed a break in Service, provided the Participant

was regularly employed by the Employer immediately prior to the Participant's leave of absence and the Participant is reemployed by the Employer upon expiration of the leave of absence. Unless otherwise required by law or unless the terms of the leave otherwise specify, if a Participant does not return to active employment upon expiration of the approved leave period, the Participant will be considered to have incurred a break in Service under this Section as of the date immediately preceding the approved leave period.

(d) Transfer to Ineligible Employee Status. Unless otherwise specified by the Employer in the Adoption Agreement, if a Participant's employment status changes such that the Participant becomes an Ineligible Employee pursuant to Section 4.04, the period of time spent as an Ineligible Employee shall not be considered a break in Service under this Section, provided the Participant remains employed by the Adopting Employer. Unless otherwise specified by the Adopting Employer, leaves of absence granted to an Ineligible Employee will not be considered a break in Service under this Section, provided the Ineligible Employee returns to active employment with the Employer upon expiration of the approved leave period and the requirements of subsection (c) are otherwise satisfied with respect to such leave of absence.

(e) Graduated Vesting. If the Adopting Employer has established a graduated vesting schedule in the Adoption Agreement, and a Participant who is partially vested Terminates Employment with the Adopting Employer and subsequently returns to employment with the Adopting Employer, the Participant shall not be deemed to have incurred a break in service. Except as otherwise required under this Section, however, the time the Participant was absent shall not be taken into account for any purpose under the Plan.

(f) Repeated Breaks in Service. If a non-vested Participant has a break in Service, returns to employment with the Adopting Employer, and experiences one or more additional

breaks in Service prior to satisfying the one (1) year Service requirement necessary to work off the initial break, then the Participant's Current Credited Service shall not include any Service rendered prior to the most recent break in Service, unless upon the Participant's return to employment with the Employer following the most recent break in Service the Participant performs Service for a period of at least one (1) year.

ARTICLE V.

RETIREMENT ELIGIBILITY

(a) The Retirement prerequisites of a Participant under this Plan are contingent upon the type of Retirement offered by the Employer in the Adoption Agreement and selected by the Participant: that is, Normal Retirement, Alternative Normal Retirement, Early Retirement, Late Retirement, or Disability Retirement, as applicable. The provision of an Alternative Normal Retirement benefit or the designation of an Alternative Normal Retirement Date in the Adoption Agreement shall not be construed to establish an Alternative Normal Retirement Age or Alternative Normal Retirement Date for purposes of the definition of Accrued Benefit under Section 2.01, for purposes of computing death benefits under Article VIII, or for purposes of applying the actuarial equivalent conversion provisions of Article XII. The minimum age and service requirements and other prerequisites associated with each type of Retirement for each class of Eligible Employees shall be as specified in the pertinent sections of the Adoption Agreement. Except as otherwise provided in the Basic Plan Document, Adoption Agreement or Addendum with respect to In-Service Distributions for those who remain in service after they qualify for Normal Retirement or Alternative Normal Retirement, receipt of Retirement benefits shall also be contingent upon Termination of Employment.

(b) Provided a Participant is otherwise eligible to receive a Retirement benefit under the Plan, Retirement is contingent upon the satisfactory completion of the Applicable Form provided for such purpose and the acceptance of the Applicable Form by the Pension Committee.

(c) Retirement applications shall be prepared and submitted at such time as to reach the office of GMEBS no earlier than ninety (90) days and no later than thirty (30) days prior to a Participant's effective Retirement Date. A Participant's effective Retirement date shall be the first day of the month coinciding with or following the date the Participant has satisfied all of the prerequisites for Retirement as specified in this Article V, and actually Retires.

ARTICLE VI.

RETIREMENT BENEFITS

Section 6.01. Normal Retirement Benefit.

(a) A Participant, upon Retirement on or after the Participant's Normal Retirement Date (or Alternative Normal Retirement Date, as applicable), shall receive a Monthly Retirement Benefit under which payments shall commence on the first day of the month in which the Participant's effective Retirement Date occurs and shall be payable on the first day of each month thereafter during the Participant's lifetime. Normal Retirement benefits (not including Alternative Normal Retirement benefits or the In-Service Distribution of Normal or Alternative Normal Retirement benefits) shall be paid retroactively to the first day of the month following the month in which the Participant's Termination occurs (or, if the Participant's Termination occurs on the first of the month, the first day of the month in which the Participant's Termination occurs) or if later, the first day of the month in which the Participant's Normal Retirement Date occurs. The amount of the Monthly Retirement Benefit shall be determined based upon the applicable benefit formula specified in the Adoption Agreement and in effect at the Participant's Termination. If the Participant elects a form of benefit payment other than the standard form, the

amount of the Monthly Retirement Benefit will be adjusted in accordance with and subject to the terms of the option elected (see Section 7.01).

(b) No interest shall be paid on the retroactive payment of Normal Retirement benefits.

Section 6.02. Early Retirement Benefit.

(a) A Participant, upon Retirement on or after the Participant's Early Retirement Date and before the Participant's Normal Retirement Date or Alternative Normal Retirement Date, may receive a Monthly Retirement Benefit under which payments shall commence on the first day of the month in which the Participant's effective Retirement Date occurs and shall be payable on the first day of each month thereafter during the lifetime of the Participant. The amount of such Monthly Retirement Benefit shall be computed in the same manner as for a Normal Retirement benefit, but reduced on an Actuarially Equivalent basis in accordance with the actuarial table contained in Section 12.01. An Adopting Employer may adopt in the Adoption Agreement an alternative early retirement actuarial reduction table for one or more classes of Eligible Employees, provided the adoption of such table satisfies the requirements of Code Section 401(a)(25).

(b) Provided the Employer has elected in the Adoption Agreement to provide Disability benefits, a Participant who is otherwise eligible for an Early Retirement benefit may apply for and receive an Early Retirement benefit (i) while a Disability Retirement benefit determination is pending, or (ii) while waiting for an approved Disability Retirement benefit to commence. Upon a determination that the Participant is entitled to receive a Disability Retirement benefit, the Participant's benefit will be changed to a Disability Retirement benefit (if greater), retroactive to the Disability Retirement Date, provided that the requirements of Section

6.04(b) relating to making application for retroactive payments of Disability Retirement benefits are met. If said requirements are not met but the Participant otherwise qualifies for a Disability Retirement benefit, the Participant's benefit will be changed to a Disability Retirement benefit as of the first day of the month coinciding with or following the date that the Participant submits documentation sufficient to confirm the Participant's eligibility for a Disability Retirement benefit, as described in Section 6.04(c). However, no change in the form of benefit payment or designation of the Post-Retirement Beneficiary may be made, and no Post-Retirement Beneficiary may be named if one had not been previously named.

(c) Early Retirement benefits shall be paid retroactively to a date (first day of the month) designated on the Participant's retirement application, provided that such date may be no earlier than the later of: 1) four (4) full calendar months prior to the date of the Pension Committee Secretary's execution of the Participant's retirement application; or 2) the Participant's Early Retirement Date. No interest shall be paid on the retroactive payment of Early Retirement benefits.

Section 6.03. Late Retirement Benefit.

(a) A Participant may Retire from the active Service of the Adopting Employer on the first day of any month after the Participant's Normal Retirement Date, in which case the Participant shall receive a Late Retirement benefit. For purposes of this provision and except as otherwise provided in an Employer's Adoption Agreement or Addendum, a Participant will be treated as having Retired from the active service of the Adopting Employer if the Participant submits a GMEBS retirement application no later than thirty-one (31) days after the Participant's Termination of Employment and said application is approved by GMEBS. The Late Retirement benefit shall be calculated in the same manner as the Normal Retirement benefit. However, the

Employer may elect in the Adoption Agreement or Addendum thereto to provide for an increased Late Retirement benefit, in which case the Late Retirement Benefit shall be calculated in the same manner as the Normal Retirement Benefit, but increased as provided in the Adoption Agreement or Addendum, as applicable.

Section 6.04. Disability Benefit.

(a) Where the Employer has elected in the Adoption Agreement to provide Disability benefits, a Participant who becomes Disabled and Terminates Employment due to Disability and is otherwise entitled to receive a Disability Retirement benefit, shall receive such benefit in accordance with and subject to the requirements of this Section.

(b) Requirements for Payment as of Disability Retirement Date - Disability Retirement benefit payments shall be payable during a Participant's Disability as of the first day of the month coinciding with or next following, and may be paid retroactively to, the Participant's Disability Retirement Date, provided the following requirements are satisfied:

(1) Application for Disability Award Must Be Filed Within 1 Year After Termination — No later than one (1) year after the Participant's Termination of Employment due to Disability, the Participant must file an application for a federal Social Security Administration (SSA) disability award or, if applicable under Section 2.23, an application for determination of Disability by the Pension Committee; and

(2) GMEBS Retirement Application Form and Disability Award Must Be Submitted Within 1 Year of Termination, or if Later, Within 6 Months After Date of Disability Award; Proof of Application for Disability Award Before Expiration of 1 Year Following Termination Due to Disability —The Participant must submit the following to the Pension Committee Secretary within one (1) year after the Participant's Termination

of Employment due to Disability or within six (6) months after the date of such award or determination, whichever is later:

(i) the Participant's GMEBS Retirement Application Form;

(ii) the SSA Disability Award (or, if applicable under Section 2.23, the Pension Committee determination of Disability) reflecting a disability onset date on or before the Participant's Termination date; and

(iii) documentation the Administrator deems sufficient to establish that the Participant filed an application for a federal SSA disability award (or, if applicable under Section 2.23, an application for determination of Disability by the Pension Committee) before the expiration of one (1) year following Termination of employment due to Disability. Such documentation may include a copy of such application, a copy of the Disability award or determination received in response to such application, or an affidavit completed by the Participant (on the GMEBS retirement application or another Applicable Form provided for such purpose) in which the Participant affirms that such application has been filed.

(3) Special Rule in Case of Disability Award on Subsequent SSA Disability Application - In the event that a Participant's application for a SSA disability award is denied, the Participant must make any subsequent application for a SSA disability award within six (6) months following such denial becoming final, must allege in the subsequent SSA application a disability onset date that is on or before the Participant's Termination date, and where the Participant is subsequently granted a SSA disability award, the Participant must submit the following to the Pension Committee Secretary

within six (6) months after the date of such favorable award, or if later, one (1) year after the Participant's Termination of Employment:

(i) a GMEBS retirement application form;

(ii) the Participant's SSA disability award reflecting a disability onset date on or before the Participant's Termination date or reflecting a disability onset date that immediately follows the date of denial of the Participant's prior SSA disability application (due to application of Social Security Administration res judicata rules) but the Participant's actual Disability onset date was on or before the Participant's Termination date as provided under Section 2.23; and

(iii) documentation the Administrator deems sufficient to establish that within six (6) months after the SSA's denial of the Participant's initial application for a disability award, the Participant filed a subsequent application for a SSA disability award in accordance with this subsection 6.04(b)(3). Such documentation may include a copy of such application, a copy of the Disability award or determination received in response to such application, or an affidavit completed by the Participant (on the GMEBS retirement application or another Applicable Form provided for such purpose) in which the Participant affirms that such application has been filed.

(c) Prospective Payment Following Retirement Application — If the Participant who has Terminated Employment due to Disability is otherwise eligible to receive a Disability Retirement benefit and except as otherwise permitted under subsection 6.04(b) above with respect to payment of Disability Retirement benefits retroactive to the Participant's Disability Retirement Date, Disability Retirement benefits shall be payable as of the first day of the month

following or coinciding with the date of acceptance of the Participant's completed GMEBS retirement application form by the Pension Committee, provided such application includes: (1) a Social Security Administration (SSA) disability award reflecting a disability onset date on or before the Participant's Termination date; or (2) if applicable under Section 2.23, a Pension Committee determination of Disability reflecting a Disability onset date on or before the Participant's Termination date; or (3) where the Participant has received a SSA disability award in response to a subsequent SSA disability application as provided under Section 2.23, documentation which the Administrator deems sufficient to establish that the disability onset date reflected in the SSA disability award immediately follows the date of denial of the Participant's prior SSA disability application (due to application of Social Security Administration res judicata rules) and that the Participant's actual Disability onset date was on or before the Participant's Termination date. In no event shall Disability Retirement benefits be payable before the Participant's Disability Retirement Date.

(d) Amount of Disability Retirement Benefit - The amount of the monthly Disability Retirement benefit shall be determined as provided in the Adoption Agreement. The Adopting Employer may elect in the Adoption Agreement to specify another method for calculation of the benefit, and require an offset against the monthly Disability Retirement benefit for other types of payments received by the Participant. The Participant shall receive the monthly Disability Retirement benefit provided in this Section, or any other Monthly Retirement Benefit granted under the Plan for which the Participant is eligible if such benefit is greater than the aforesaid monthly Disability Retirement benefit. However, under no circumstances shall any Retired Participant be entitled at one time to more than one type of Retirement benefit granted under the Plan.

(e) No interest shall be paid on the retroactive payment of Disability benefits.

(f) Where an Employer has executed or executes a General Addendum to the Employer's Adoption Agreement which contains provisions on payment of Disability Retirement benefits that conflict with the procedures or time limitations established in this Section 6.04, said provisions of the General Addendum shall govern to the extent they conflict with this Section 6.04.

Section 6.05. Cost of Living Adjustment.

(a) An Employer may elect in the Adoption Agreement to provide for a variable annual cost-of-living adjustment in the amount of Monthly Retirement Benefits payable under the Plan to Participants or their Beneficiaries. In such event, the amount of benefits payable under the Plan shall be adjusted as provided in this Section, except as otherwise provided in the Employer's Adoption Agreement.

(b) The Current Average Cost-of-Living Index Figure as defined in Section 2.21 shall be ascertained as of the Adopting Employer's Adjustment Date in each year.

(c) Each Monthly Retirement Benefit then being received by Participants who terminate after the date specified in the Adoption Agreement and their Beneficiaries shall thereupon be adjusted as follows:

(1) Each Monthly Retirement Benefit shall be increased by the percentage that the Current Average Cost-of-Living Index Figure increased over each recipient's Cost-of-Living Base Figure, as defined in Section 2.17. If the Current Average Cost-of-Living Index Figure is less than the Cost-of-Living Base Figure, no reduction in the Monthly Retirement Benefit, shall be effected. Increased benefits are payable on the Adjustment Date.

(2) Notwithstanding the foregoing provisions, no increase in the amount of a Monthly Retirement Benefit due to changes in the Current Average Cost-of-Living Index Figure effective at any annual Adjustment Date shall be in excess of a certain percentage of the amount of the Monthly Retirement Benefit payable immediately prior to each Participant's or Beneficiary's applicable adjustment date. Said percentage limit shall be designated by the Employer in the Adoption Agreement.

(d) An Adopting Employer may implement one-time or ad-hoc cost-of-living adjustments by adopting an Addendum to the Adoption Agreement to effect said increase.

(e) In lieu of the variable cost-of-living adjustment referred to in subsections (a)-(c) above, the Employer may elect in the Adoption Agreement to provide for a fixed annual cost-of-living adjustment, subject to any limitations imposed by the Internal Revenue Code or regulations issued thereunder.

Section 6.06. In-Service Distribution; Suspension of Benefits Following Return to Service.

(a) General Rules.

(1) Unless otherwise provided in this Section and in the Adoption Agreement or any Addendum thereto, a Participant shall be required to Terminate Employment with an Adopting Employer prior to commencing Early, Normal or Alternative Normal Retirement benefits under such Employer's GMEBS Plan. Likewise, unless otherwise provided in this Section and in the Adoption Agreement or any Addendum thereto, if a Retired Participant returns to service as an Eligible Employee with an Adopting Employer from whose Trust Fund the Retired Participant is receiving a Monthly

Retirement Benefit, said Monthly Retirement Benefit shall be suspended as of the date of said return to service.

(2) Re-Computation of Benefit in Case of Suspension. In any case where the payment of a Participant's Retirement benefit shall have been suspended, the Retirement benefit payable on the Participant's re-retirement (whether before or after the Participant's Normal Retirement Date) shall be the benefit computed in accordance with this Article on the basis of the Participant's aggregate Total Credited Service and Final Average Earnings, if applicable, at the time of the Participant's subsequent re-retirement, but reduced by the Actuarial Equivalent of any Retirement benefits received by the Participant prior to said suspension, and by any actuarial factors used in calculating the benefit payable at the time of the Participant's previous Retirement. For purposes of this subsection, the term "Actuarial Equivalent" shall mean an amount equal to the value of Retirement benefits received, determined as of the date of the Participant's Re-retirement and computed on the basis of the actuarial assumptions contained in Section 12.06. In no event shall the resulting benefit be less than the benefit payable immediately prior to the Participant's return to service with the Adopting Employer. A Retired Participant who is reemployed as an Eligible Employee shall not be authorized to change the form of benefit payment on the Participant's subsequent re-retirement, or to change the Post-Retirement Beneficiary, or to name a Post-Retirement Beneficiary if one had not been previously named. For the purposes of this Section, any such Participant's Credited Service subsequent to reemployment by the Employer as an Eligible Employee shall commence as of the date of the Participant's reemployment as an Eligible Employee.

(3) Minimum Age Parameters for In-Service Distribution. In order to commence or continue receiving Normal or Alternative Normal Retirement benefits without a Bona Fide Separation from Service, if permitted under the Employer's Plan, a Participant shall be required to satisfy the following minimum age and other requirements:

(A) For a Participant who is not a "public safety employee" at the time the Participant applies for Normal or Alternative Normal Retirement benefits (and a Participant who is a public safety employee at the time the Participant applies for Normal or Alternative Normal Retirement benefits unless subparagraph 6.06(a)(3)(B) below applies), the Participant must be at least age sixty-two (62) (or such lower age specified under applicable federal law as a safe-harbor age for distributions during working retirement) to receive an In-Service Distribution.

(B) For a Participant who is a "public safety employee" in the service of the Employer at the time the Participant applies for Normal or Alternative Normal Retirement benefits, the Participant must be at least age sixty-two (62) (or such lower age specified under applicable federal law as a safe-harbor age for distributions during working retirement) to receive an In-Service Distribution; provided, however, that if the Adopting Employer's Plan provides for a Normal Retirement Age or Alternative Normal Retirement Age which applies only to public safety employees and which is at least age fifty (50) (or such lower age specified under applicable federal law as a safe-harbor age for distributions during working retirement), the Participant may receive an In-Service Distribution as long as the Participant is at least such age. For purposes of this subparagraph (B),

"public safety employees" are employees of the Adopting Employer who provide police protection, firefighting services, or emergency medical services for any area within the jurisdiction of the Adopting Employer.

(C) Notwithstanding any provision to the contrary, effective for Employees hired during Plan Years beginning on or after the later of: January 1, 2017; or the close of the first regular legislative session of the legislative body with the authority to amend the plan that begins on or after the date that is 3 months after the final regulations are published in the Federal Register, the Plan will comply with the final Normal Retirement age regulations applicable to governmental plans established in Treas. Reg. 1.401(a) – 1, as amended.

(b) Exception to General Rule; In-Service Distribution for Eligible Employees; Continuation of Retirement Benefits Following Return to Service as an Eligible Employee After a Bona Fide Separation from Service.

(1) In-Service Distribution Absent Termination or Bona Fide Separation from Service Upon Qualifying for Normal Retirement. Notwithstanding the general rules described in subsection 6.06(a)(1), an Adopting Employer may elect in the Adoption Agreement or any Addendum thereto to permit In-Service Distribution to Participants (or certain classes of Participants) who have satisfied the eligibility requirements for Normal Retirement or Alternative Normal Retirement, as applicable, under the Adopting Employer's Plan while remaining Eligible Employees under the Plan, in accordance with and subject to the requirements of this paragraph. An Employer may elect in the Adoption Agreement or any Addendum thereto to permit Participants or certain classes of Participants who have (i) satisfied the qualifications for Normal Retirement or

Alternative Normal Retirement, as applicable, (ii) satisfied the minimum age parameters set forth in subparagraph 6.06(a)(3), and (iii) applied for such Retirement benefits on the Applicable Form to apply for and begin receiving their Retirement benefit as an In-Service Distribution while in service as an Eligible Employee even though they have not yet Terminated Employment with the Employer or to continue receiving Normal or Alternative Normal Retirement benefits following a return to Service as an Eligible Employee without first incurring a Bona Fide Separation from Service.

(2) Exception to General Rule; Continuing to Draw Early, Normal or Alternative Normal Retirement Benefits After Returning to Service as Eligible Employee Following a Bona Fide Separation from Service. Notwithstanding the requirement for suspension of benefits upon reemployment under subsection 6.06(a)(1) above, an Adopting Employer may elect in the Adoption Agreement or any addendum thereto to permit Retired Participants or certain classes of Retired Participants who return to service as Eligible Employees following a Bona Fide Separation from Service to continue receiving Early, Normal or Alternative Normal Retirement benefits following such return to service, regardless of the Participant's age, in accordance with and subject to the following requirements:

(A) Reemployment as Eligible Employee after Normal Retirement Date. An Adopting Employer may elect (notwithstanding required suspension under Section 6.06(a)(1)) in the Adoption Agreement or any Addendum thereto to permit Retired Participants or certain classes of Retired Participants to continue receiving Retirement benefits if they return to service with the Adopting Employer as an Eligible Employee on or after their Normal Retirement Date or

Alternative Normal Retirement Date, as applicable, and after a Bona Fide Separation from Service. If the Employer has made such an election in the Adoption Agreement or Addendum, then Retired Participants who are designated in the Adoption Agreement or Addendum as eligible to continue receiving Retirement benefits following their return to service as an Eligible Employee may continue to receive their Monthly Retirement Benefit if they return to service with the Adopting Employer as an Eligible Employee after a Bona Fide Separation from Service and on or after their Normal Retirement Date or Alternative Normal Retirement Date, as applicable.

(B) Reemployment as Eligible Employee Before Normal Retirement Date.

(i) Suspension of Early Retirement Benefits until Normal Retirement Date; Resumption of Benefits upon Attainment of Normal Retirement Date. An Adopting Employer may elect (notwithstanding required suspension under Section 6.06(a)(1)) in the Adoption Agreement or any Addendum thereto to provide that, with respect to Retired Participants or certain classes of Retired Participants, if such a Retired Participant returns to Service as an Eligible Employee before the Normal Retirement Date (or Alternative Normal Retirement Date, as applicable), and after a Bona Fide Separation from Service, and remains employed until the Normal Retirement Date (or Alternative Normal Retirement Date, as applicable), the Participant may apply for and receive a Monthly Retirement Benefit on or after the Normal Retirement

Date (or Alternative Normal Retirement Date, as applicable), notwithstanding continued service with the Employer, provided that the Participant satisfies the minimum age parameters for an In-Service Distribution pursuant to Section 6.06(a)(3). Said Monthly Retirement Benefit shall be computed in accordance with this Article, based upon the Participant's Total Credited Service and Final Average Earnings, if applicable, through the date the Participant recommences receipt of a Monthly Retirement Benefit pursuant to this subsection. However, except as otherwise provided in the Adoption Agreement or in an Addendum thereto, said Monthly Retirement Benefit shall be reduced by the Actuarial Equivalent of any Retirement benefits received by the Participant prior to said suspension, and by any actuarial factors used in calculating the benefit payable at the time of the previous Retirement. For purposes of this subsection, the term "Actuarial Equivalent" shall mean an amount equal to the value of Retirement benefit payments received, determined as of the date the Participant recommences receipt of a Monthly Retirement Benefit, and computed on the basis of the actuarial assumptions contained in Section 12.06. In no event shall the resulting Monthly Retirement Benefit be less than the Participant's benefit payable immediately prior to said suspension.

(ii) Exception to General Rule; Continuation of Early Retirement Benefits Upon Return to Service as Eligible Employee Following Bona Fide Separation from Service. Notwithstanding the

requirement for suspension of benefits upon reemployment under subsection 6.06(a)(1) above, an Adopting Employer may elect in the Adoption Agreement or any Addendum thereto to permit Retired Participants or certain classes of Retired Participants who are receiving an Early Retirement benefit to continue receiving said benefit if they return to Service with the Employer after a Bona Fide Separation from Service as an Eligible Employee at any time on or after their Early Retirement Date but before their Normal Retirement Date (or Alternative Normal Retirement Date, as applicable). If the Employer has made such an election, and if a Retired Participant belongs to a class for which such continuation of benefit payments is permitted, then upon the Retired Participant's return to service with the Employer as an Eligible Employee after the Early Retirement Date and after a Bona Fide Separation from Service (or at least a six-month separation from Service, as applicable), the Retired Participant may continue to receive a Monthly Retirement Benefit during the period of reemployment.

(3) A Participant who receives an In-Service Distribution of Retirement benefits while serving as an Eligible Employee or who receives Retirement Benefits following a return to service as an Eligible Employee shall not be authorized to change the form of benefit payment, or to change the Post-Retirement Beneficiary on the Participant's subsequent termination of employment, or to name a Post-Retirement Beneficiary if one had not been previously named.

(4) With respect to Participants described in Section 6.06(b)(1) and (2) above, except as otherwise provided in the Adoption Agreement or in an Addendum thereto, upon said Participants' subsequent termination of employment or vacation of office, as applicable, their Monthly Retirement Benefit shall be computed in accordance with this Article on the basis of their aggregate Total Credited Service and Final Average Earnings, if applicable, at the time of such termination of employment or vacation of office, but it shall be reduced by the Actuarial Equivalent of any Retirement benefits received prior to re-retirement, and by any actuarial factors used in calculating the benefit payable at the previous Retirement. For purposes of this subsection, the term "Actuarial Equivalent" shall mean an amount equal to the value of Retirement benefits received, determined as of the date of the Participant's re-retirement and computed on the basis of the actuarial assumptions contained in Section 12.06. In no event shall the resulting benefit be less than the benefit payable immediately prior to the Participant's re-retirement.

(c) Exception to General Rule; In-Service Distribution for Individuals Who Are Not Eligible Employees; Continuation of Retirement Benefits Following Return to Service in a Capacity Other Than as an Eligible Employee After a Bona Fide Separation from Service.

(1) In-Service Distribution Prior to Termination. Notwithstanding the general rule in Section 6.06(a)(1) and except as may be otherwise provided in the Adoption Agreement or an Addendum thereto, regardless of whether an Employer elects to permit active Participants to receive In-Service Distributions while serving as Eligible Employees under the Plan pursuant to paragraph 6.06(b)(1) above, an individual who is in service with the Adopting Employer, who previously accrued a benefit as an Eligible Employee under the Plan but who is not currently an Eligible Employee under the Plan,

may commence receipt of Retirement benefits while still in service with the Adopting Employer provided that such individual (i) has satisfied the Adopting Employer's qualifications for Early Retirement, Normal Retirement or Alternative Normal Retirement; (ii) has satisfied the minimum age and other applicable requirements established in subparagraph 6.06(a)(3) above; and (iii) applies for such Retirement benefit on the Applicable Form.

(2) Continued Receipt of Retirement Benefits Upon Return to Service in a Capacity Other Than as an Eligible Employee. Except as may be otherwise provided in the Adoption Agreement or an Addendum thereto, an Adopting Employer may engage any Retired Participant receiving benefits hereunder in a capacity other than as an Eligible Employee and such engagement shall not terminate or suspend such benefits. Effective with respect to Retired Participants who return to service in a capacity other than as an Eligible Employee, in order to continue receiving benefits after returning to service, the Retired Participant (i) must have had a Bona Fide Separation from Service prior to returning to service in a capacity other than as an Eligible Employee under the Plan; or (ii) must satisfy the minimum age parameters established in subparagraph 6.06(a)(3) above.

(3) An individual who receives Retirement benefits while in the service of the Adopting Employer pursuant to paragraphs 6.06(c)(1) and (2) above shall not be authorized to change the form of benefit payment, or to change the Post-Retirement Beneficiary on the Participant's subsequent Termination of Employment, or to name a Post-Retirement Beneficiary if one had not been previously named. An individual who commences or continues receiving benefits while in the service of the Adopting

Employer in a capacity other than as an Eligible Employee pursuant to paragraph 6.06(c)(1) or 6.06(c)(2) shall not accrue benefits or service credit for any purpose under the Plan during the individual's period of continued service with the Adopting Employer during which the individual is not an Eligible Employee.

(4) In the event that an individual described in paragraph 6.06(c)(1) or (2) subsequently becomes an Eligible Employee under the Plan, the provisions applicable to In-Service Distribution to Eligible Employees or to Retired Participants who return to Service with the Adopting Employer as an Eligible Employee, as applicable, under subsection 6.06(b) above and the Adopting Employer's Adoption Agreement or Addendum shall apply with respect to such individual. Except as otherwise provided in the Adoption Agreement or in an Addendum thereto, upon such a Participant's subsequent Termination of Employment or vacation of office, as applicable, the Participant's Monthly Retirement Benefit shall be computed in accordance with this Article on the basis of the Participant's aggregate Total Credited Service and Final Average Earnings, if applicable, at the time of such Termination of Employment or vacation of office. However, this Monthly Retirement Benefit shall be reduced by the Actuarial Equivalent of any Retirement benefits received prior to re-retirement, and by any actuarial factors used in calculating the benefit payable at the previous Retirement. For purposes of this subsection, the term "Actuarial Equivalent" shall mean an amount equal to the value of Retirement benefits received, determined as of the date of the Participant's re-retirement and computed on the basis of the actuarial assumptions contained in Section 12.06. In no event shall the resulting benefit be less than the benefit payable immediately prior to the Participant's re-retirement.

(d) Death in Service After Retirement. If a Retired Participant who returns to service with an Adopting Employer as an Eligible Employee or an active Participant commences Retirement benefits while remaining in service as an Eligible Employee and dies during the period of continuous employment or during the period of reemployment, as applicable, and before re-retirement, then the Participant's Post-Retirement Beneficiary, if any, shall be entitled to receive the monthly post-retirement survivor benefit payable, if any, taking into account any additional Credited Service accrued prior to the date of the Participant's death in-service. Such post-retirement survivor benefit shall be reduced by the Actuarial Equivalent of any Retirement benefits received by the Participant prior to said Participant's death. In no event shall the resulting post-retirement survivor benefit (after any actuarial reduction provided for in the preceding sentence) be less than the benefit that would have been payable to such Post-Retirement Beneficiary had the Participant not been employed as an Eligible Employee on or after the Participant's Retirement Date. This provision shall not be interpreted to permit payment to a Pre-Retirement Beneficiary in the event of a Retired Participant's death during reemployment.

(e) Suspension of Disability Benefits.

(1) Any Disability Retirement Benefit payable under the Plan to any Participant shall be suspended as of the first day of the month coinciding with or following the date the Participant's Disability ceases. A Participant's Disability shall be considered to have ceased upon the earliest of the following dates: (1) with respect to Participants whose entitlement to a Disability benefit is based upon receipt of disability insurance benefits under the Federal Social Security Act, the date as of which the Social Security Administration determines that the Participant is no longer disabled; or (2) with

respect to Participants whose entitlement to a Disability benefit is based upon a determination by the Pension Committee, the date as of which the Pension Committee determines that the Participant is no longer disabled as defined under Code Section 72(m), based upon an examination by a physician chosen by the Pension Committee. With respect to those Participants whose entitlement to a Disability benefit is based upon receipt of disability insurance benefits under the Federal Social Security Act, the Participant shall be required to notify the Pension Committee Secretary within sixty (60) days after the Participant receives notice that the Social Security Administration has determined that the Participant is no longer disabled. With respect to those Participants whose entitlement to a Disability benefit is based upon receipt of disability insurance benefits under the Federal Social Security Act, the Pension Committee shall have the right to require the Participant to prove at any time, as a condition for continued receipt of Disability benefits under the Plan, continued eligibility for receipt of disability insurance benefits under the Federal Social Security Act, as amended. With respect to Participants whose entitlement to a Disability benefit is based upon a determination of Disability by the Pension Committee, the Pension Committee shall have the right to require, as a condition for continued receipt of Disability benefits, that the Participant be examined at any time by a physician chosen by the Pension Committee. In the event that any Participant fails or refuses to submit to a physical examination or to obtain and provide other information requested by the Pension Committee to confirm continuation of a Disability, then the Participant's Disability benefits shall be suspended as of the first day of the month following expiration of the ninety (90) day period following the Pension Committee's request for such examination or information, unless the Pension Committee

determines in its discretion that the failure to comply within ninety (90) days was due to circumstances beyond the Participant's control, in which case the ninety (90) day time limit may be extended by the Pension Committee and suspension may be deferred as determined by the Pension Committee.

(2) Notwithstanding any provision of this subsection 6.06(e) to the contrary, and except as otherwise provided in an Employer's Adoption Agreement or Addendum thereto, in the event that a Participant, who shall have retired or been retired for Disability, returns to service as an Eligible Regular Employee or becomes an Eligible Regular Employee of said Employer, the Participant's Disability Retirement benefit shall be suspended as of the date of such return to or commencement of service as an Eligible Regular Employee.

(3) Nothing in paragraph 6.06(e)(2) shall be construed to require the suspension of a Participant's Disability Retirement benefit upon the Participant's return to service as an elected or appointed member of the Governing Authority after the commencement of such benefit unless and until the Participant is determined to no longer have a Disability, or unless suspension of a Participant's Disability Retirement benefits is otherwise required under subparagraph 6.06(e)(1).

(f) Suspension of Disability Benefit; Right to Other Benefits.

(1) In any case where the payment of a Participant's Disability Retirement benefit is suspended, regardless of whether the Participant returns to service with the Employer, the period of absence from employment due to such Disability shall not be counted as Credited Service. Any Participant who shall have Retired or been Retired for Disability and who has been or shall be subsequently declared ineligible for a Disability

Retirement benefit because of the cessation of said Disability, or as otherwise provided pursuant to subsection 6.06(e) above, shall have a right to any benefit afforded under any other provision of this Plan to which the Participant or the Participant's beneficiary might otherwise be entitled. In such case, any Disability Retirement payments made prior to the required suspension date shall be retained by the Retiree and disregarded in computing any other benefit payable under the Plan.

(2) Notwithstanding the foregoing, nothing herein shall be construed to allow a Retired Participant who shall have Retired or been Retired due to Disability, who returns to service with the Employer, and who subsequently re-retires to elect a different benefit payment form or name a new post-retirement beneficiary upon re-retirement.

(3) Unless otherwise provided in an Employer's Adoption Agreement or in an Addendum thereto, in the event that a Retired Participant who is receiving a Disability Retirement benefit returns to service as an elected or appointed member of the Governing Authority, and the Participant's Disability Retirement benefit is not suspended, any Disability Retirement payments made prior to the Participant's return to service or during such period(s) of service as an elected or appointed member of the Governing Authority following such return shall be retained by the Participant and disregarded in computing any other benefit payable under the Plan upon the Participant's subsequent vacation of office.

ARTICLE VII.

OPTIONAL FORMS OF RETIREMENT INCOME

Section 7.01. Standard Benefit Payment Form; Other Payment Options. With respect to retirement applications received by GMEBS on or after July 1, 2011, a Participant may elect, or may revoke a previous election and make a new election, at any time prior to the

Participant's effective Retirement Date, to have Retirement benefits payable under the standard benefit payment option or under one of the other benefit payment options set forth in Section 7.03. The standard benefit payment option is a monthly retirement benefit payable to the Participant during the Participant's lifetime only. At the death of the Participant all payments will cease and no further benefits will be payable to the estate of the Participant or other persons, except as otherwise provided in Subsection 8.12(b). The standard benefit payment form is referred to in the Basic Plan Document as Option A. The benefit shall be paid in accordance with and subject to the terms of the benefit payment option elected. Election of any option shall be made by the Participant in writing on the Applicable Form, and shall be subject to approval by GMEBS.

Section 7.02. Designation of Post-Retirement Beneficiary. With respect to retirement applications received by GMEBS on or after July 1, 2011, if the Participant elects Option B (Joint and Survivor Option with Pop-Up) or Option C (Period Certain and Life Option.) in Section 7.03, the Participant shall designate a Post-Retirement Beneficiary to receive a survivor benefit in accordance with and subject to the terms of such Option. Designation of a Post-Retirement Beneficiary may be revoked or changed by the Participant by submitting a new completed Retirement Application at any time prior to the Participant's effective Retirement date. Only the last such designation of a Post-Retirement Beneficiary shall have effect, and any new designation of a Post-Retirement Beneficiary shall invalidate, supersede, and revoke any prior designation.

Section 7.03. Description of Options. With respect to retirement applications received by GMEBS on or after July 1, 2011, the amount of any optional benefit set forth below shall be the Actuarial Equivalent of the amount of the standard benefit that would otherwise be

payable to the Participant under Section 7.01 (monthly retirement benefit payable to the Participant during the Participant's lifetime only, referred to as "OPTION A").

(a) OPTION B: Joint and Survivor Option with Pop-Up. A retirement benefit computed and paid in the same manner as Option A above, but with a decrease in the retirement benefit to account for the survivor benefit and the pop-up benefit provided under this Option B. If the Participant elects Option B, then the Participant will receive a decreased retirement benefit which shall be payable during the lifetime of the Participant. If the Participant's designated Post-Retirement Beneficiary should survive the Participant (except as provided in subsections (1) and (2) below with respect to the Post-Retirement Beneficiary's death before the Participant or the divorce of the Participant and Post-Retirement Beneficiary) the benefit shall continue to be paid to the Post-Retirement Beneficiary after the Participant's death during the lifetime of the Post-Retirement Beneficiary in the same amount (100%) or in such smaller amount (75%, 50%, or 25%), as the Participant has designated on the retirement application. This option shall be known as Option B. The Participant's retirement benefit under Option B shall be calculated in accordance with Section 12.02(a) or Section 12.02(b), whichever is applicable.

(1) Death of Post-Retirement Beneficiary Before Participant — In the event that the Participant's Post-Retirement Beneficiary dies before the Participant and after Retirement benefit payments have commenced, and provided the Participant furnishes GMEBS with proper proof of the Beneficiary's death within one (1) year after such death, the requirement for a reduction in the Participant's monthly retirement benefit on account of the Participant's election of Option B shall no longer apply (resulting in an increase, or "pop-up", in the Participant's monthly retirement benefit), effective as of the first day of the month following the Post-Retirement Beneficiary's death. Effective with respect to

monthly payments made on and after such date, the amount of the Participant's monthly retirement benefit shall be equal to the monthly amount that would have otherwise been payable to the Participant under Article VI, had the Participant elected Option A. However, if the Participant fails to furnish the Plan with proper proof of the Post-Retirement Beneficiary's death within the one (1) year period referred to above, then said change in monthly retirement benefit shall not become effective until the first day of the month following the date such proof is submitted to GMEBS. If the Post-Retirement Beneficiary does not survive the Participant, all payments shall cease at the death of the Participant and no further benefits will accrue to the Participant's estate or to other persons.

(2) Divorce of Participant and Post-Retirement Beneficiary—If the Participant designates the Participant's Spouse as Post-Retirement Beneficiary and provides GMEBS with proof that GMEBS in its sole discretion deems sufficient to establish that the Post-Retirement Beneficiary is the Participant's Spouse as of the Participant's effective retirement date, and if the Participant and the Post-Retirement Beneficiary become divorced after retirement benefit payments have commenced, then the Participant is permitted but not required to request a "pop-up" in the Participant's monthly retirement benefit, in accordance with and subject to the requirements of this subsection (2). A Participant who requests a pop-up pursuant to this subsection (2) will be bound by the provisions of this subsection and any other terms and conditions for receipt of said pop-up as set forth in an Applicable Form provided by GMEBS for such purpose. Such Participant shall furnish proof to GMEBS which GMEBS in its sole discretion deems sufficient to confirm the Participant's divorce from the Post-Retirement Beneficiary and

the Participant's eligibility for the pop-up benefit provided herein, which may include but may not be limited to a court-certified copy of a valid divorce decree. In the event that the conditions of this subsection (2) are satisfied, the requirement for a reduction in the Participant's monthly retirement benefit on account of the election of Option B will no longer apply; provided, however, that GMEBS may deny the Participant's application for the pop-up in the event that GMEBS, in its sole discretion, determines that such denial is prudent or necessary based on the terms of the applicable divorce decree. Any change in the monthly retirement benefit resulting from the pop-up, if approved by GMEBS, will be effective as of the first day of the month following GMEBS' receipt of said Applicable Form completed by the Participant, and after GMEBS' receipt of said proof evidencing divorce. Effective with respect to monthly payments made on and after such date, the amount of the Participant's monthly retirement benefit will be equal to the monthly amount that would have otherwise been payable to the Participant under Article VI had the Participant elected Option A. On and after said date, the Participant's Post-Retirement Beneficiary will not be eligible to receive any survivor benefits following the Participant's death, notwithstanding any prior designation made by the Participant or the later remarriage of the Participant and the Post-Retirement Beneficiary. All payments shall cease at the death of the Participant and no further benefits will accrue to the Participant's estate or to other persons. This provision shall not be construed to permit a Participant to change the form of benefit payment, to change the Post-Retirement Beneficiary after the Participant's effective Retirement date, or to name a new Post-Retirement Beneficiary following the Participant's divorce from the Post-Retirement Beneficiary. Nor shall this provision be construed to require or permit payment of all or

a portion of a Participant's retirement benefit to a former spouse pursuant to a domestic relations order.

(b) OPTION C: Period Certain and Life Option. A decreased benefit payable monthly to the Participant during the Participant's lifetime and, in the event of the Participant's death within a period of specified years, either five (5), ten (10), fifteen (15), or twenty (20) years after benefit commencement, the same monthly amount shall be payable for the balance of such period to the Post-Retirement Beneficiary designated by the Participant. If the Post-Retirement Beneficiary survives the Participant but dies before the end of such period, any unpaid monthly amounts that would have otherwise been payable to the Post-Retirement Beneficiary for the remainder of said period following the Post-Retirement Beneficiary's death shall be paid to the Post-Retirement Beneficiary's estate. If the Post-Retirement Beneficiary does not survive the Participant, all payments shall cease at the death of the Participant and no further benefits will accrue to the Participant's estate or to other persons except as provided in Article VIII. This option shall be known as Option C. The Retirement benefit under Option C shall be calculated in accordance with Section 12.03.

Section 7.04. Cancellation of Election. The election by a Participant of any option in this Article VII shall be null and void if either the Participant or the Participant's designated Post-Retirement Beneficiary dies before the Participant's effective Retirement date.

Section 7.05. Rule for Small Benefits.

(a) Effective January 1, 2002, the present value of a Plan benefit shall be distributed in a cash single sum payment to the Participant, Terminated Vested Participant, or Pre-Retirement Beneficiary, as applicable, if the present value of said Plan benefit payable to the

recipient does not exceed Five Thousand Dollars (\$5,000) on the date of distribution. The present value of said Plan benefit shall be determined in accordance with Article XII.

(b) Effective for distributions commencing on or after March 28, 2005, if a distribution to be made under subsection (a) is greater than One Thousand Dollars (\$1,000), is an eligible rollover distribution, and the recipient of the distribution does not elect to have the distribution paid directly to an eligible retirement plan specified by the recipient in a direct rollover or does not elect to receive the distribution directly, the Administrator will pay the distribution in a direct rollover to an individual retirement plan designated by the Administrator.

(c) Notwithstanding the provisions of subsections (a) and (b), effective on and after July 1, 2007, no distribution will be made under this Section unless and until the recipient of the distribution makes an election to either have the distribution paid directly to an eligible retirement plan specified by the recipient in a direct rollover or to receive the distribution directly in cash.

Section 7.06. Distributions.

(a) Distributions payable as of any date shall be made on or as soon as administratively feasible after that date.

(b) In a contributory plan, interest shall be paid on any refund of employee contributions only as specified in the Adoption Agreement.

Section 7.07. Compliance with Internal Revenue Section 401(a)(9). All distributions shall be made in compliance with Article X.

Section 7.08. Compliance with Internal Revenue Section 415. All benefit options must comply with the limitations of Code Section 415, pursuant to Article XI and as applicable to governmental plans.

ARTICLE VIII.

DEATH BENEFITS

Section 8.01. **Death in Service Prior to Retirement.** In the event a Participant's employment or term of office is Terminated by reason of death prior to Retirement, there shall be paid to the Pre-Retirement Beneficiary the in-service death benefit elected by the Employer in the Adoption Agreement, provided the requirements of this Article are satisfied and except as otherwise provided under this Article.

Section 8.02. **Actuarial Reserve In-Service Death Benefit.** An Employer may elect in the Adoption Agreement to provide the Actuarial Reserve In-Service Death Benefit for one or more classes of Eligible Employees. In such case, the Employer shall designate in the Adoption Agreement the minimum service and other eligibility requirements a Participant must satisfy in order to be entitled to receive such benefit. Provided a Participant satisfies such requirements, then in the event the Participant's employment with the Adopting Employer is terminated by reason of the Participant's death prior to Retirement, and except as otherwise provided in Section 8.07(b), there shall be paid to the Participant's Pre-Retirement Beneficiary a lifetime monthly death benefit actuarially equivalent to the reserve required for the Participant's anticipated Normal Retirement benefit. In calculating the Normal Retirement benefit under the provisions of this Section, the following assumptions shall be used:

(a) The Participant's age at the time of death is equal to the Normal Retirement Age as specified by the Employer in the Adoption Agreement, or the Participant's attained age if said attained age is greater than the Normal Retirement Age; and

(b) The Participant's Total Credited Service shall include the amount of Total Credited Service accrued prior to the date of the Participant's death. The Employer may elect in the Adoption Agreement to include additional imputed Credited Service in the calculation, but in

no event shall the amount of Total Credited Service used in the calculation exceed the sum of actual service performed plus ten (10) calendar years. The death benefit under this Section shall be calculated using the factors contained in Section 12.04.

(c) With respect to those Adopting Employers who have elected in their Adoption Agreement to provide the Actuarial Reserve In-Service Death Benefit, an Eligible Regular Employee must have at least one (1) year of Credited Service with the Adopting Employer to be eligible for the Actuarial Reserve In-Service Death Benefit; provided, however, that this one (1) year minimum shall not apply with respect to an Eligible Regular Employee whose immediate prior employment was with another GMEBS Adopting Employer and who had at least one (1) year of Credited Service with such prior GMEBS Adopting Employer. The one (1) year minimum and the exceptions thereto described in this subsection 8.02(c) shall not supersede eligibility conditions specified in an Adopting Employer's Adoption Agreement or Addendum thereto which specify a requirement of more or less than one (1) year of Credited Service with the Adopting Employer and/or other minimum age or service requirements that are inconsistent with this Section 8.02 to be eligible for the Actuarial Reserve In-Service Death Benefit. Except as otherwise provided in an Adopting Employer's Adoption Agreement or Addendum thereto, elected or appointed members of the Governing Authority shall not be subject to a minimum Service requirement to be eligible for the Actuarial Reserve In-Service Death Benefit.

Section 8.03. Auto A In-Service Death Benefit. An Employer may elect in the Adoption Agreement to provide the Auto A in-service death benefit for one or more classes of Eligible Employees. In such case, the Employer shall designate in the Adoption Agreement the minimum Service and other eligibility requirements a Participant must satisfy in order to be entitled to such benefit. Provided a Participant satisfies such requirements, then in the event that

the Participant's employment with the Adopting Employer is terminated by reason of the Participant's death prior to Retirement, and except as otherwise provided in Section 8.06(b), there shall be paid to the Participant's Pre-Retirement Beneficiary a lifetime monthly death benefit, as follows:

(a) Monthly Death Benefit Payable to Spouse. If the Pre-Retirement Beneficiary to whom the in-service death benefit is payable under this Section is the Participant's Spouse, then the lifetime monthly death benefit payable to said Spouse shall commence on the first day of the month coinciding with or immediately following the date of the Participant's death. Alternatively, the Spouse may elect to defer benefit payment commencement until the first day of any month up to and including the date the Participant would have attained Normal Retirement Age as defined in the Employer's Adoption Agreement. A Spouse shall be considered to have deferred benefit payment commencement until the first day of the month following the date the Spouse makes application for payment of death benefits. If the Pre-Retirement Beneficiary to whom the in-service death benefit is payable under this Section is not the Spouse of the Participant, then the lifetime monthly death benefit payable to said Beneficiary shall commence on the first day of the month coinciding with or immediately following the date of the Participant's death.

(b) Computation of Monthly Death Benefits. Benefits under this Section shall be computed as of the date of the Participant's death, based upon the applicable benefit formula in effect on said date, as follows:

(1) Participant Death Before Early Retirement Age; Payment Before Early Retirement Age. If a Participant dies before attaining Early Retirement Age as defined in the Employer's Adoption Agreement, and if benefit payments commence to a Pre-

Retirement Beneficiary before the Participant would have attained Early Retirement Age, then the monthly death benefit payable to said beneficiary shall be the Actuarial Equivalent of the monthly Retirement benefit amount that would have otherwise been payable to the Participant, assuming the Participant: (i) terminated employment on the Participant's date of death; (ii) survived until Normal Retirement Age as defined in the Adoption Agreement; and (iii) elected to retire upon attaining Normal Retirement Age with the optional form of Retirement payment designated in Section 7.03 as Option B at one hundred percent (100%), and then died. Said benefit shall be calculated in accordance with the actuarial assumptions specified in Section 12.06.

(2) Participant Death Before Early Retirement Age; Deferred Payment by Spouse Until After Early Retirement Age. If the Participant dies before attaining Early Retirement Age as defined in the Employer's Adoption Agreement and a Spouse who is eligible to receive the in-service death benefit hereunder defers payment until a date which is on or after the date the Participant would have attained Early Retirement Age, then the monthly death benefit payable to the Spouse Beneficiary shall be the monthly Retirement benefit that would have otherwise been payable to the Participant, assuming that the Participant: (i) terminated employment on the date of death; (ii) survived until the date upon which the deferred benefit payments commence in accordance with the Spouse Beneficiary's selected benefit commencement date; and, (iii) elected to retire on the benefit commencement date with the optional form of Retirement payment designated in Section 7.03 as Option B at one hundred percent (100%), and then died.

(3) Participant Death After Early Retirement Age; Payment Upon Death. If the Participant dies after attaining Early Retirement Age as defined in the Employer's

Adoption Agreement, and if benefit payments commence to a Pre-Retirement Beneficiary on the first day of the month coinciding with or immediately following the date of the Participant's death, then the monthly death benefit payable to said Pre-Retirement Beneficiary shall be the monthly benefit that would have otherwise been payable to the Participant, assuming the Participant: (i) retired on the date of death, and (ii) elected the optional form of Retirement payment designated in Section 7.03 as Option B at one hundred percent (100%), and then died.

(4) Participant Death After Early Retirement Age; Deferred Payment by Spouse. If the Participant dies after attaining Early Retirement Age as defined in the Employer's Adoption Agreement, and if a Spouse who is eligible to receive the Auto A in-service death benefit hereunder defers payment in accordance with this Section, then the monthly benefit payable to the Spouse Beneficiary shall be the monthly Retirement benefit that would have otherwise been payable to the Participant, assuming that the Participant: (i) terminated employment on the Participant's date of death; (ii) survived until the date upon which the deferred benefit payments commence in accordance with the Spouse beneficiary's selected commencement date, and (ii) elected to retire on the benefit commencement date with the optional form of Retirement payment designated in Section 7.03 as Option B at one hundred percent (100%), and then died.

Section 8.04. Designation of Beneficiary. Unless otherwise provided in the Adoption Agreement or an Addendum thereto, a Participant may designate, on an Applicable Form provided for that purpose, one person as Primary Pre-Retirement Beneficiary. If the Participant's employment with the Employer is terminated by reason of the Participant's death prior to the Participant's Retirement and if as of the date of the Participant's death the Participant has

satisfied the minimum service and other eligibility requirements to be entitled to an in-service pre-retirement death benefit, said Primary Pre-Retirement Beneficiary shall receive the monthly pre-retirement death benefit elected by the Employer in the Adoption Agreement, provided the Primary Pre-Retirement Beneficiary survives the Participant by at least thirty-two (32) days in accordance with O.C.G.A. § 47-1-15 (a copy of which is included in the Appendix hereto). The Participant may additionally designate, on an Applicable Form provided for that purpose, one person as Secondary Pre-Retirement Beneficiary. The monthly death benefit otherwise payable to the Primary Pre-Retirement Beneficiary hereunder shall be payable to the Participant's designated Secondary Pre-Retirement Beneficiary in the event that: (1) the Participant's employment with the Employer is terminated by reason of the Participant's death prior to the Participant's Retirement; (2) the Primary Pre-Retirement Beneficiary does not survive the Participant by at least thirty-two (32) days; and (3) the Secondary Pre-Retirement Beneficiary survives the Participant by at least thirty-two (32) days.

Section 8.05. Change of Beneficiary. Designation of a Primary or Secondary Pre-Retirement Beneficiary may be changed by the Participant in writing on an Applicable Form provided for that purpose at any time prior to Retirement. Only the last such designation prior to Retirement shall have effect and any new designation of a Primary or Secondary Pre-Retirement Beneficiary invalidates, supersedes, and revokes any prior designation.

Section 8.06. Auto A In-Service Pre-Retirement Death Benefit; Default Beneficiary; Payment to Surviving Spouse or to Estate Where Benefit Not Payable to Designated Primary or Secondary Pre-Retirement Beneficiary.

(a) Except as otherwise provided in an Adopting Employer's Adoption Agreement or Addendum, in the absence of a designation by the Participant, or if there is no Primary or

Secondary Pre-Retirement Beneficiary to whom the Auto A in-service pre-retirement death benefit is payable under this Article, then the Auto A in-service pre-retirement death benefit shall be paid to the Participant's surviving Spouse in accordance with this subsection. In such case, the Participant's surviving Spouse shall be considered the Pre-Retirement Beneficiary under the Plan. For purposes of this subsection, the term "surviving" shall mean surviving the Participant by at least thirty-two (32) days.

(b) Except as otherwise provided in an Adopting Employer's Adoption Agreement or Addendum, if there is no Pre-Retirement Beneficiary (i.e., a designated Pre-Retirement Beneficiary or surviving Spouse) to whom the Auto A in-service death benefit is payable, then a lump sum payment equal to fifty percent (50%) of the Actuarial Equivalent of the Participant's Vested Accrued Benefit, if any, shall be paid to the Participant's estate in lieu of the lifetime monthly benefit which would otherwise be payable to the Pre-Retirement Beneficiary. Such lump sum Actuarial Equivalent shall be determined as if the Participant had Terminated Employment on the date immediately preceding the Participant's date of death and received a lump sum distribution of said benefit under Section 7.05, determined without reference to the maximum cash-out limits of said Section, and using the assumptions set forth in Section 12.06.

Section 8.07. Actuarial Reserve In-Service Pre-Retirement Death Benefit; Payment to Surviving Spouse or to Estate Where Benefit Not Payable to Designated Primary or Secondary Pre-Retirement Beneficiary.

(a) Except as otherwise provided in an Adopting Employer's Adoption Agreement or Addendum, with respect to the Actuarial Reserve in-service death benefit only, if there is no Primary or Secondary Pre-Retirement Beneficiary to whom the death benefit is payable, then the Actuarial Reserve in-service pre-retirement death benefit shall be paid to the Participant's

surviving Spouse in accordance with this Section, in which case the Participant's surviving Spouse shall be considered the Pre-Retirement Beneficiary under the Plan. For purposes of this Section, the term "surviving" shall mean surviving the Participant by at least thirty-two (32) days.

(b) If there is no Pre-Retirement Beneficiary (i.e., a designated Pre-Retirement Beneficiary or surviving Spouse) to whom the death benefit is payable, then the Actuarial Equivalent of the Participant's vested Accrued Retirement Benefit shall be paid to the Participant's estate in lieu of the lifetime monthly benefit which would otherwise be payable to a Pre-Retirement Beneficiary. Such Actuarial Equivalent shall be determined as if the Participant had terminated employment on the date immediately preceding the Participant's date of death and received a lump sum distribution of benefits under Section 7.05, determined without reference to the maximum cash-out limits of said Section, and using the assumptions set forth in Section 12.06.

Section 8.08. Terminated Vested Death Benefits. If the Employer elects in the Adoption Agreement to provide a death benefit for Terminated Vested Participants or for certain classes of Terminated Vested Participants, then in the event such a Terminated Vested Participant dies before the effective Retirement Date, there shall be paid to the Pre-Retirement Beneficiary the terminated vested death benefit specified in the Adoption Agreement, provided the requirements of this Article are satisfied and except as otherwise provided in this Article. Notwithstanding any provision to the contrary, effective October 1, 2016, an Adopting Employer that had not previously elected in its Adoption Agreement or Addendum thereto to provide a Terminated Vested death benefit to one or more classes of Participants shall be deemed to have elected by default to provide the Terminated Vested Auto A Death Benefit to such class or classes of Participants who terminate employment on or after such date.

Section 8.09. Terminated Vested Auto A Death Benefit. The Employer may elect in the Adoption Agreement to provide the Auto A Death Benefit for one or more classes of Terminated Vested Participants. In such case, the Employer shall designate in the Adoption Agreement the minimum Service and other eligibility requirements a Terminated Vested Participant must satisfy in order to be entitled to such benefit. Provided a Terminated Vested Participant satisfies such requirements, then in the event that the Terminated Vested Participant dies prior to said Participant's effective Retirement date, the Participant's Pre-Retirement Beneficiary may apply to receive a lifetime monthly death benefit subject to the provisions of this Section. If the Terminated Vested Participant's Pre-Retirement Beneficiary is the Terminated Vested Participant's Spouse, then the lifetime monthly death benefit payable to the Spouse Beneficiary under this Section shall commence on the first day of the month coinciding with or immediately following the date of the Terminated Vested Participant's death. Alternatively, the Spouse Beneficiary may elect to defer benefit payment commencement until the first day of any month up to and including the date the Participant would have attained Normal Retirement Age as determined under the Employer's Adoption Agreement. A Spouse designated as beneficiary shall be considered to have deferred benefit payment commencement until the first day of the month following the date the Spouse makes application for payment of death benefits. If the Pre-Retirement Beneficiary is not the Spouse of the Terminated Vested Participant, then the lifetime monthly death benefit payable to the beneficiary under this Section shall commence on the first day of the month coinciding with or immediately following the date of the Terminated Vested Participant's death. Benefits under this Section shall be computed as follows:

(a) Terminated Vested Participant Death Before Early Retirement Age; Payment Before Early Retirement Age. If a Terminated Vested Participant dies before attaining Early Retirement Age as defined in the Adoption Agreement, and if benefit payments commence to a beneficiary before the Terminated Vested Participant would have attained Early Retirement Age, then the monthly death benefit payable to the beneficiary shall be the Actuarial Equivalent of the monthly Retirement benefit amount that would have otherwise been payable to the Terminated Vested Participant, assuming: (i) the Terminated Vested Participant survived until Normal Retirement Age; and (ii) the Terminated Vested Participant elected the optional form of Retirement payment designated herein as Option B at one hundred percent (100%), and then died. Said benefit shall be calculated in accordance with the actuarial assumptions specified in Section 12.06.

(b) Terminated Vested Participant Death Before Early Retirement Age; Deferred Payment by Spouse Until After Early Retirement Age. If the Terminated Vested Participant dies before attaining Early Retirement Age as defined in the Adoption Agreement and a Spouse designated as beneficiary defers payment until a date which is on or after the date the Terminated Vested Participant would have attained Early Retirement Age, then the monthly death benefit payable to the Spouse shall be the monthly Retirement benefit that would have otherwise been payable to the Terminated Vested Participant, assuming that: (i) the Terminated Vested Participant survived until the date upon which the deferred benefit payments commence in accordance with the Spouse's selected benefit commencement date; and, (ii) the Terminated Vested Participant elected on such date to retire with the optional form of Retirement payment designated herein as Option B at one hundred percent (100%), and then died.

(c) Terminated Vested Participant Death After Early Retirement Age; Payment Upon Death. If the Terminated Vested Participant dies after attaining Early Retirement Age as defined in the Adoption Agreement, and if benefit payments commence to a beneficiary on the first day of the month coinciding with or immediately following the date of the Terminated Vested Participant's death, then the monthly death benefit payable to the beneficiary shall be the monthly benefit that would have otherwise been payable to the Terminated Vested Participant, assuming: (i) the Terminated Vested Participant retired on the date of death, and (ii) the Terminated Vested Participant elected the optional form of Retirement payment designated herein as Option B at one hundred percent (100%), and then died.

(d) Terminated Vested Participant Death After Early Retirement Age; Deferred Payment by Spouse. If the Terminated Vested Participant dies after attaining Early Retirement Age, and if a Spouse designated as beneficiary defers payment in accordance with this Section, then the monthly benefit payable to the Spouse shall be the monthly Retirement benefit that would have otherwise been payable to the Terminated Vested Participant, assuming that: (i) the Terminated Vested Participant survived until the date upon which the deferred benefit payments commence in accordance with the Spouse's selected commencement date, and (ii) the Terminated Vested Participant elected to retire on such date with the optional form of Retirement payment designated herein as Option B at one hundred percent (100%), and then died.

(e) Auto A Terminated Vested Death Benefit; Payment to Surviving Spouse or to Estate Where Benefit Not Payable to Designated Primary or Secondary Pre-Retirement Beneficiary. Effective with respect to deaths occurring on or after July 1, 2015, and except as otherwise provided in an Adopting Employer's Adoption Agreement or Addendum, in the absence of a designation by the Participant, or if there is no Primary or Secondary Pre-

Retirement Beneficiary to whom the terminated vested Auto A death benefit is payable under this Article, then said pre-retirement death benefit shall be paid to the Participant's surviving Spouse in accordance with this Section, in which case the surviving Spouse will be considered the Pre-Retirement Beneficiary under the Plan. For purposes of this Section 8.09(e), the term "surviving" shall mean surviving the Participant by at least thirty-two (32) days. If there is no Pre-Retirement Beneficiary (i.e., a designated Pre-Retirement Beneficiary or surviving Spouse) to whom the terminated vested Auto A death benefit is payable, then a lump sum payment equal to fifty percent (50%) of the Actuarial Equivalent of the Participant's vested Accrued Benefit, if any, shall be paid to the Participant's estate in lieu of the lifetime monthly benefit which would otherwise be payable to a Pre-Retirement Beneficiary. Such lump sum Actuarial Equivalent shall be determined as if the Participant had received a lump sum distribution of said benefit under Section 7.05, calculated as of the date on which the payment is made, without reference to the maximum cash-out limits of said Section, and using the assumptions set forth in Section 12.06.

(f) Calculation of Benefits. Benefits under this Section shall be calculated taking into account only the Participant's Total Credited Service and Final Average Earnings (where applicable) as of the date of the Participant's Termination of Employment with Adopting Employer, and the applicable benefit formula in effect on the date of said Termination.

Section 8.10. Accrued Retirement Benefit.

An Employer may elect in the Adoption Agreement to provide a death benefit consisting of the Accrued Benefit for one or more classes of Terminated Vested Participants. In such case, the Employer shall designate the minimum service and other eligibility requirements a Terminated Vested Participant must satisfy in order to be entitled to such benefit. Provided a Terminated

Vested Participant satisfies such requirements, then in the event that the Terminated Vested Participant dies prior to the effective Retirement date, the Pre-Retirement Beneficiary may apply to receive a lifetime monthly death benefit subject to the provisions of this subsection. Said benefit shall commence on the first day of the month coinciding with or immediately following the date of the Terminated Vested Participant's death. The monthly death benefit payable to the Participant's Pre-Retirement Beneficiary shall be the Actuarial Equivalent of the Terminated Vested Participant's Accrued Benefit, determined as of the date of the Participant's death, taking into account the Participant's Total Credited Service, Final Average Earnings, and the benefit formula in effect as of the date of the Participant's Termination. Except as otherwise provided in an Adopting Employer's Adoption Agreement or Addendum, if there is no Primary or Secondary Pre-Retirement Beneficiary to whom said pre-retirement death benefit is payable, said pre-retirement death benefit shall be paid to the Participant's surviving Spouse in accordance with this subsection, in which case the surviving Spouse will be considered the Pre-Retirement Beneficiary under the Plan. For purposes of this subsection, the term "surviving" shall mean surviving the Participant by at least thirty-two (32) days. If there is no Pre-Retirement Beneficiary to whom the benefit is payable, then a lump sum payment equal to fifty percent (50%) of the Actuarial Equivalent of the Participant's vested Accrued Benefit, if any, shall be paid to the Participant's estate in lieu of the lifetime monthly benefit which would otherwise be payable to a Pre-Retirement Beneficiary. Such lump sum Actuarial Equivalent shall be determined as if the Participant had received a lump sum distribution of said benefits under Section 7.05, calculated as of the date on which the payment is made, without reference to the maximum cash-out limits of said Section, and using the assumptions set forth in Section 12.06.

Section 8.11. Designation of Terminated Vested Pre-Retirement Beneficiary. The Primary and Secondary Pre-Retirement Beneficiary designated by the Participant to receive in-service death benefits under Section 8.04 shall automatically be considered the Participant's Primary and Secondary Pre-Retirement Beneficiary for purposes of payment of terminated vested pre-retirement death benefits, if any, under the Employer's Plan. If the Participant changes said beneficiary designation in accordance with Section 8.05, the Participant's designation under this Section shall be considered changed as well to reflect the new designation. In the absence of a designation by the Participant, or if there is no Primary or Secondary Pre-Retirement Beneficiary to whom a terminated vested pre-retirement death benefit is payable upon the Participant's death, then the terminated vested pre-retirement death benefit otherwise payable, if any, shall be paid to the Participant's surviving Spouse in accordance with and subject to the applicable provisions of this Article, in which case the surviving Spouse will be considered the Pre-Retirement Beneficiary under the Plan. For purposes of this Section, the term "surviving" shall mean surviving the Participant by at least thirty-two (32) days. If there is no Pre-Retirement Beneficiary to whom a death benefit is payable, the death benefit shall be payable to the Participant's estate in accordance with and subject to the applicable provisions of this Article.

Section 8.12. Participant Death After Retirement Benefit Commencement. With respect to retirement applications received by GMEBS on or after July 1, 2011, upon the death of a Retired Participant subsequent to Retirement, there shall be payable to the Participant's designated Post-Retirement Beneficiary, a benefit to be determined as follows:

(a) If the Participant has elected a form of payment that does not permit designation of a Post-Retirement Beneficiary (Option A), as provided in Article VII, or if the Participant has

elected a form of payment that does permit such designation (Option B or C) and the Participant's designated Post-Retirement Beneficiary does not survive the Participant, no further payment of any kind whatsoever shall be made at the death of the Participant, except as provided in subsection (b) below.

(b) Except as otherwise provided in an Addendum to the Adopting Employer's Adoption Agreement, in the event that a Retired Participant who has elected a form of payment that does not permit designation of a Post-Retirement Beneficiary (Option A), as provided in Article VII, dies after Retirement benefit payments have commenced but before the Retired Participant has received at least thirty-six (36) monthly Retirement benefit payments, a one-time lump sum death benefit shall become payable which shall be equal to the amount of the Participant's initial Retirement benefit (determined as of the date such monthly Retirement benefit commenced) multiplied by thirty-six (36); provided, however, that the total amount of such lump-sum death benefit shall be reduced by the aggregate amount of Retirement benefits paid to such Retired Participant. The one-time lump sum death benefit shall be payable to the Retired Participant's surviving Spouse. In such case, the Participant's surviving Spouse shall be considered the designated beneficiary under the Plan for purposes of this subsection (b). In the event that: (1) such Retired Participant does not have a Spouse at the time of the Retired Participant's death; or (2) such Retired Participant does have a Spouse at the time of the Retired Participant's death but such Spouse does not survive the Retired Participant by at least thirty-two (32) days; or (3) such Retired Participant does have a Spouse at the time of the Retired Participant's death but such Spouse does not within six (6) months following the Retired Participant's death provide the Administrator with documentation which the Administrator deems sufficient to verify that she said individual was the Retired Participant's Spouse at the time

of the Retired Participant's death, the lump-sum death benefit described in this subsection 8.12(b) shall be paid to the estate of the Retired Participant. The lump sum death benefit described in this subsection 8.12(b) shall not be considered part of the standard benefit payment form (Option A) for purposes of determining actuarial equivalence. The lump sum death benefit paid pursuant to this subsection 8.12(b) shall be included in determining the sum of all benefits paid to the Participant for purposes of determining the amount of any refund of Employee Contributions payable under Section 13.06. For purposes of this subsection, the term "surviving" shall mean surviving the Retired Participant by at least thirty-two (32) days.

(c) If the Participant has elected a form of payment that permits designation of a Post-Retirement Beneficiary (Option B or C) as provided in Article VII, and the Participant's designated Post-Retirement Beneficiary survives him, benefits shall be payable to the Post-Retirement Beneficiary as provided by the option elected, commencing the month following the Participant's last benefit payment month.

ARTICLE IX.

TERMINATION BEFORE RETIREMENT; VESTING

Section 9.01. Vesting Requirement for Deferred Retirement Benefit. An Employer may establish different vesting requirements for different classes of Eligible Employees in the Adoption Agreement. A Participant whose employment is terminated for any reason other than death or Retirement shall be entitled to a Vested right in the Accrued Benefit only if the Participant meets the Qualifications for a deferred Vested Retirement benefit specified in the Adoption Agreement. Payment of such Vested Retirement Benefit shall commence on the first day of the month in which the effective Retirement Date occurs and shall be payable on the first day of each month thereafter during the lifetime of the Participant, unless the Participant elects an optional form of benefit payment under Article VII. The amount of such Monthly Retirement

Benefit shall be computed in the manner prescribed for Normal or Early Retirement in Article VI, as applicable, but based upon the Participant's Final Average Earnings (if applicable) and Total Credited Service up to the Participant's date of Termination of Employment with the Adopting Employer. Unless otherwise provided in the Adoption Agreement or in an Addendum thereto, in the event that an Eligible Regular Employee terminates employment with an Adopting Employer and returns to service with such Adopting Employer as an elected or appointed member of the Governing Authority, the portion of the monthly benefit attributable to Credited Service as an Eligible Regular Employee shall be computed based upon Credited Service as an Eligible Regular Employee and the benefit formula in effect as of the latest termination of employment as an Eligible Regular Employee. Likewise, in the event that an elected or appointed member of the Governing Authority vacates such office and returns to service with the Adopting Employer as an Eligible Regular Employee, the portion of the monthly benefit attributable to Credited Service as an elected or appointed member of the Governing Authority shall be computed based upon Credited Service as an elected or appointed member of the Governing Authority and the benefit formula in effect as of such individual's latest vacation of such office. Notwithstanding any other provision of the Plan to the contrary, if a Participant has satisfied the requirements for Normal Retirement as of the Participant's date of Termination, the Participant shall be one hundred percent (100%) Vested in the Normal Retirement benefit.

Section 9.02. Termination of Tenure of Office Before Retirement. Unless otherwise specified by the Employer in the Adoption Agreement, a Participant who is an elected or appointed member of the Governing Authority or a Municipal Legal Officer, and who vacates office for any reason other than death or Retirement shall be entitled to a Vested right in the portion of said Participant's Accrued Benefit attributable to the Participant's Credited Service as

an elected or appointed member of the Governing Authority only if said Participant meets the qualifications for a deferred Vested benefit applicable to elected or appointed members of the Governing Authority and Municipal Legal Officers as specified in the Adoption Agreement. Unless otherwise specified in the Employer's Adoption Agreement or Addendum thereto, if a Participant has Credited Service both as an elected or appointed member of the Governing Authority or a Municipal Legal Officer and as an Eligible Regular Employee of the Adopting Employer, the Participant's combined Total Credited Service shall be taken into account in determining whether the Participant has satisfied the minimum service requirements for vesting under the Plan and the minimum service requirements for benefit eligibility under the Plan that are applicable to Eligible Regular Employees, Municipal Legal Officers, and/or elected or appointed members of the Governing Authority, as applicable.

Section 9.03. Immediate Vesting in Disability Retirement Benefit. If the Employer elects in the Adoption Agreement to provide Disability benefits, and unless otherwise specified in the Adoption Agreement, a Participant who is Disabled and otherwise meets the Plan's eligibility requirements for payment of a Disability Retirement Benefit shall be considered 100% Vested in such benefit.

Section 9.04. Involuntary Termination Without Cause. Notwithstanding any more restrictive vesting requirement imposed by the Employer in the Adoption Agreement, a Participant whose employment is terminated involuntarily and without cause shall be entitled to a one hundred percent (100%) Vested Benefit if said Participant has completed five (5) years of Total Credited Service. For the purpose of this condition, "cause" for dismissal shall mean negligence or inefficiency in performing the duties of the position held, unfitness to perform

assigned duties, insubordination, or misconduct reflecting discredit on the Adopting Employer or upon the Governing Authority.

Section 9.05. Portability between Adopting Employers.

(a) This Section applies to a Participant, other than an elected or appointed member of the Governing Authority or Municipal Legal Officer, whose employment is terminated either voluntarily or involuntarily after participation in the Plan, provided that with respect to a Participant who terminates employment on or after January 1, 2015, such Participant has at least one (1) year of Credited Service with the Employer. This one (1) year minimum shall not apply with respect to a Participant,

(1) whose immediate prior employment was with another GMEBS Employer, and under whose Plan in effect prior to January 1, 2015, the Participant was subject to a waiting period and the Participant had satisfied such waiting period prior to the Participant's Termination of Employment with such prior GMEBS Employer, or

(2) (A) who is not described in paragraph 9.05(a)(1) above, and whose Employer's Plan contained an Addendum provision which was in effect prior to January 1, 2015, which provided for a waiting period of less than one (1) year to commence participation in the Plan, and (B) who was employed with said Employer prior to January 1, 2015 and satisfied such time limitation prior to Termination. With respect to an Employee described in this paragraph 9.05(a)(2), this Section shall become applicable to such Employee once the Employee has satisfied such waiting period.

(b) Subject to any limitations or conditions contained in the Employer's Adoption Agreement, in determining whether a Participant has satisfied the minimum service requirements for Vesting and the minimum service requirements for Retirement and, for Participants who

terminate on or after September 26, 2014, pre-retirement death benefit eligibility, under the Adoption Agreement of any GMEBS Adopting Employer, the Participant's Total Credited Service with all other of the Participant's past and future Adopting Employers shall be taken into account. In no event, however, shall service with one GMEBS Employer be used to calculate the benefit amount due the Participant from another GMEBS Employer. Prior to January 1, 2015, except as otherwise provided in Section 4.02(c)(7) concerning immediate participation for Participants who transfer from one GMEBS Adopting Employer to another, service with one GMEBS Adopting Employer may not be used to establish participation in another Adopting Employer's plan.

Section 9.06. Forfeiture of Benefits for Certain Crimes.

(a) Survivor benefits or refunds otherwise payable to a person upon the death of a Participant, Terminated Vested Participant, Retired Participant, or beneficiary shall be forfeited if the person commits or conspires to commit murder or involuntary manslaughter against a Participant, Terminated Vested Participant, Retired Participant, or beneficiary, in accordance with and subject to the applicable provisions of O.C.G.A. § 47-1-24 (a copy of which is included in the Appendix hereto). The terms of said code section are incorporated herein by reference, including any future amendments thereto.

(b) If the Adopting Employer receives information that a beneficiary has been convicted of any crime referenced in this Section which could potentially result in reduction or forfeiture of benefits, the Adopting Employer shall notify the Administrator when it receives notice of such conviction.

Section 9.07. Forfeitures.

(a) If the Adopting Employer is unable to determine the whereabouts of and payment information for any Participant, beneficiary or surviving Spouse to whom a payment (e.g., a payment of Retirement, Disability or Death benefits) is due and provide such information to the Administrator within a period of six (6) months from the later of: 1) the date on which the Administrator became aware that such payment became due and payable, or 2) the date on which the Administrator became unable to continue processing payments to the Participant, beneficiary or surviving Spouse due to changes in such individual's bank account, address, or other necessary information, the Administrator shall direct that the payment and all remaining payments, if any, otherwise due to the Participant, beneficiary or surviving Spouse be cancelled on the records of the Plan and the amount thereof be treated as a forfeiture. Likewise, if the Adopting Employer is unable to determine the whereabouts of and payment information for any Participant, surviving Spouse or estate, as applicable, to whom a return of Employee Contributions due pursuant to Section 13.03 or Section 13.06 of this Basic Plan Document or pursuant to the Adopting Employer's Adoption Agreement or an Addendum thereto and provide such information to the Administrator within a period of six (6) months from such Participant's Termination of Employment (for non-vested Participants and for vested Participants whose Employee Contributions are required to be refunded following termination provided a refund to vested Participants does not result in forfeiture of Credited Service under the Plan), a vested Participant's request for a return of contributions, or, in a case of failure to exhaust, the date of a Participant's death, the Administrator shall direct that the return of Employee Contributions otherwise due to the Participant, surviving Spouse or estate, as applicable, be cancelled on the

records of the Plan and the amount thereof be treated as a forfeiture and placed in the Employer's GMEBS Trust Fund.

(b) In the event that a payment (e.g., a return of Employee Contributions, or a payment of Retirement, Disability or Death benefits) is due to the estate of a Participant or beneficiary but the Administrator is unable to process such payment due to the absence of said estate or lack of information needed to process payment to said estate, or, following the expiration of six (6) months after the date on which the payment is issued the payment remains outstanding, the Administrator shall so notify the Adopting Employer. The Adopting Employer shall attempt to locate documents establishing such estate, a correct address or bank account or other necessary information to process such payment. If the Adopting Employer is unable to ascertain such documentation or information within six (6) months after receiving notice from the Administrator of the outstanding payment, the Administrator shall direct that the payment be cancelled on the records of the Plan and the amount thereof be treated as a forfeiture.

(c) Notwithstanding the foregoing provisions of this Section, if a Participant, beneficiary or surviving Spouse whose whereabouts or payment information is unknown and whose benefits are forfeited pursuant to this Section subsequently claims such benefits on the Applicable Form, such forfeited benefit shall be reinstated and shall be paid retroactively, without interest, to the date of the first cancelled payment. Likewise, if the executor of an estate to which a payment was forfeited pursuant to paragraph (b) above subsequently claims such benefits on the Applicable Form, the forfeited benefit shall be reinstated and shall be paid, without interest, to the estate.

(d) Forfeitures arising from the inability to determine the whereabouts of or payment information for a Participant, beneficiary or surviving Spouse, or arising from Termination of

Employment, withdrawal or any other reason may not be applied to increase the benefits any individual would otherwise receive under the Plan. Forfeitures will remain Trust assets, and as such, may be used to reduce an Adopting Employer's contribution.

(e) Notwithstanding any provision to the contrary, in the event that a return of Employee Contributions otherwise due to a Participant, to a surviving Spouse, to the estate of a Participant or of a Pre-Retirement or Post-Retirement Beneficiary, or to another individual or estate, as applicable, is cancelled on the records of the Plan and the amount thereof is treated as a forfeiture pursuant to this Section 9.07, including subsection (c), interest on such Employee Contributions shall cease to accrue as of the date on which the Administrator directs that the return of Employee Contributions be cancelled.

(f) An Adopting Employer shall take the following actions to locate any Participant, beneficiary or surviving Spouse to whom benefits are owed, consistent with IRS Revenue Procedure 2021-30 (or subsequent updated guidance):

(1) Search Plan and related Plan, Adopting Employer, and publicly-available records or directories for alternative contact information.

(2) A mailing via U. S. Postal Service certified mail to the last known mailing address, and contact through appropriate means for any address or contact information (including email addresses and telephone numbers) available to the Adopting Employer.

(3) Use of at least one of the following search methods: (i) a commercial locator service, (ii) a credit reporting agency, or (iii) internet search tools for locating individuals.

ARTICLE X.

DISTRIBUTION AND ROLLOVER RULES

Section 10.01. Distribution Rules Imposed by Federal Law. Notwithstanding any provision of this Plan to the contrary, any distribution under the Plan shall be made in accordance with Code Section 401(a)(9) and the Treasury regulations promulgated thereunder, including the incidental benefit rules under Code Section 401(a)(9)(G), and shall comply with the following rules:

(a) With respect to distributions under the Plan made for calendar years beginning on or after January 1, 2002, the Plan shall apply the minimum distribution requirements of Code Section 401(a)(9) in accordance with the Final Regulations under Code Section 401(a)(9) that were issued on April 17, 2002, and June 15, 2004, notwithstanding any provision of the Plan to the contrary. GMEBS is coordinating the compliance with the Final Regulations to comply with the good faith reasonable standard of Pension Protection Act of 2006 Section 823.

(b) A Participant's entire interest will be distributed, or begin to be distributed, to the Participant no later than the Participant's required beginning date. For purposes of this Section, "required beginning date" means April 1 of the calendar year following the later of (i) the calendar year in which the Participant reaches age seventy and one-half (70½), or (ii) the calendar year in which the Participant Retires.

(c) If the Participant dies before distributions begin, the Participant's entire interest will be distributed, or begin to be distributed, no later than as follows:

(1) If the Participant's surviving spouse is the Participant's sole designated beneficiary, then distributions to the surviving spouse will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died, or

by December 31 of the calendar year in which the Participant would have attained age seventy and one-half (70½), if later.

(2) If the Participant's surviving spouse is not the Participant's sole designated beneficiary, then distributions to the designated beneficiary will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died, over the life of the designated beneficiary or over a period certain not exceeding:

(A) unless the annuity starting date is before the first distribution calendar year, the life expectancy of the designated beneficiary determined using the beneficiary's age as of the beneficiary's birthday in the calendar year immediately following the calendar year of the Participant's death; or

(B) if the annuity starting date is before the first distribution calendar year, the life expectancy of the designated beneficiary determined using the beneficiary's age as of the beneficiary's birthday in the calendar year that contains the annuity starting date.

(3) If there is no designated beneficiary as of September 30 of the year following the year of the Participant's death, the Participant's entire interest will be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(4) If the Participant's surviving spouse is the Participant's sole designated beneficiary and the surviving spouse dies after the Participant but before distributions to the surviving spouse begin, this subsection (c), other than (c)(1), will apply as if the surviving spouse were the Participant.

If annuity payments irrevocably commence to the Participant before the Participant's required beginning date (or to the Participant's surviving spouse before the date distributions are required to begin to the surviving spouse under this subsection (c)), the date distributions are considered to begin is the date distributions actually commence.

(d) The amount that must be distributed on or before the Participant's required beginning date (or, if the Participant dies before distributions begin, the date distributions are required to begin under subsection (c)) is the payment that is required for one payment interval. The second payment need not be made until the end of the next payment interval even if that payment interval ends in the next calendar year. Payment intervals are the periods for which payments are received, e.g., bi-monthly, monthly, semi-annually, or annually. All of the Participant's benefit accruals as of the last day of the first distribution calendar year will be included in the calculation of the amount of the annuity payments for payment intervals ending on or after the Participant's required beginning date.

(e) Any additional benefits accruing to the Participant in a calendar year after the first distribution year will be distributed beginning with the first payment interval ending in the calendar year immediately following the calendar year in which such amount accrues.

(f) If the Participant's interest is being distributed in the form of a joint and survivor annuity for the joint lives of the Participant and a non-spouse beneficiary, annuity payments to be made on or after the Participant's required beginning date to the designated beneficiary after the Participant's death must not at any time exceed the applicable percentage of the annuity payment for such period that would have been payable to the Participant using the applicable table set forth in the Treasury Regulations. If the form of distribution combines a joint and survivor annuity for the joint lives of the Participant and a non-spouse beneficiary and a period certain

annuity, the requirement in the preceding sentence will apply to annuity payments to be made to the designated beneficiary after the expiration of the period certain.

(g) Unless the Participant's spouse is the sole designated beneficiary and the form of distribution is a period certain and no life annuity, the period certain for an annuity distribution commencing during the Participant's lifetime may not exceed the applicable distribution period for the Participant under applicable simple life table set forth in the Treasury Regulations for the calendar year that contains the annuity starting date. If the annuity starting date precedes the year in which the Participant reaches age seventy (70), the applicable distribution period for the Participant is the distribution period for age seventy (70) under the applicable single life table as set forth in the Treasury Regulations plus the excess of seventy (70) over the age of the Participant as of the Participant's birthday in the year that contains the annuity starting date. If the Participant's spouse is the Participant's sole designated beneficiary and the form of distribution is a period certain and no life annuity, the period certain may not exceed the longer of the Participant's applicable distribution period, as determined under this Section, or the joint life and last survivor expectancy of the Participant and the Participant's spouse as determined under the applicable joint life table set forth in the Treasury Regulations, using the Participant's and spouse's attained ages as of the Participant's and spouse's birthdays in the calendar year that contains the annuity starting date.

(h) A Participant or beneficiary eligible for benefits from an Adopting Employer's Plan must complete and return the Applicable Form provided for such purpose in order to commence distribution of benefits. Any excise tax under Code Section 4974 that results from a failure to timely apply for distribution of benefits under the Plan shall be the responsibility of the Participant or beneficiary, as applicable.

Section 10.02. Rollover of Distributions. Notwithstanding any provision of the Plan to the contrary that would otherwise limit a Distributee's election under this Section, a Distributee may elect, at the time and in the manner prescribed by the Administrator, to have any portion of an Eligible Rollover Distribution paid directly to an Eligible Retirement Plan specified by the Distributee in a Direct Rollover. The following definitions shall apply to this Section:

(a) An "Eligible Rollover Distribution" is any distribution of all or any portion of the balance to the credit of the Distributee, except that an Eligible Rollover Distribution does not include: (i) any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the Distributee or the joint lives (or joint life expectancies) of the Distributee and the Distributee's designated beneficiary, or for a specified period of ten (10) years or more; (ii) any distribution to the extent such distribution is required under Code Section 401(a)(9); (iii) the portion of any distribution that is not includible in gross income; or (iv) any other distributions which the Internal Revenue Service does not consider eligible for rollover treatment, such as certain corrective distributions necessary to comply with the provisions of Code Section 402(g) or 415. Effective January 1, 2002, an Eligible Rollover Distribution also includes a distribution to a surviving spouse. Effective January 1, 2002, a portion of a distribution will not fail to be an Eligible Rollover Distribution merely because the portion consists of after-tax Employee Contributions that are not includible in gross income. However, such portion may be transferred only to a (1) traditional individual retirement account or annuity described in IRC 408(a) or (b) (a "traditional IRA") or a Roth individual retirement account or annuity described in IRC 408(A) (a "Roth IRA"), or (2) to a qualified defined contribution defined benefit or annuity plan described in IRC 401(a) or 403(a) or to an annuity contract described in IRC 403(b), if such plan or contract provides for

separate accounting for amounts so transferred (including interest thereon), including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

(b) An "Eligible Retirement Plan" is any one of the following that accepts the Distributee's Eligible Rollover Distribution: (i) a traditional IRA; (ii) a Roth IRA; (iii) an annuity plan described in Code Section 403(a); or (iv) a qualified defined benefit or defined contribution plan described in Code Section 401(a). Effective for distributions made after December 31, 2001, an Eligible Retirement Plan will also include an eligible deferred compensation plan described in Code Section 457(b) which is maintained by an eligible employer described in Code Section 457(e)(1)(A) that agrees to separately account for amounts transferred into that plan; or an annuity plan described in Code Section 403(b); effective for distributions made after December 31, 2007, an Eligible Retirement Plan will also include a Roth IRA described in Code Section 408A; and effective for distributions made after December 18, 2015, an Eligible Retirement Plan will also include a SIMPLE IRA as described in Code Section 408(p), provided that the rollover contribution is made after the two-year period beginning on the date the Distributee first participated in any qualified salary reduction arrangement maintained by the Distributee's employer under Code Section 408(p)(2), as described in Code Section 72(t)(6). The portion of an Eligible Rollover Distribution that is not includible in gross income may be transferred only to an individual retirement account or individual retirement annuity described in Code Sections 408(a) or 408(b), a qualified defined contribution plan described in Code Section 401(a), a qualified plan described in Code Section 403(a), or on or after January 1, 2007, to a qualified defined benefit plan described in Code Section 401(a) or an annuity contract described in Code Section 403(b), that agrees to separately account for amounts so transferred, including separately

accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

(c) A "Distributee" includes an employee or former employee. A Distributee also includes the employee's or former employee's surviving spouse. A Distributee also includes a nonspouse beneficiary who is a designated beneficiary as defined by Code Section 401(a)(9)(E). However, a nonspouse beneficiary may only make a direct rollover of the distribution to an individual retirement account or individual retirement annuity established for the purpose of receiving the distribution, and the account or annuity will be treated as an "inherited" individual retirement account or annuity.

(d) A "Direct Rollover" is a payment by the Plan to the Eligible Retirement Plan specified by the Distributee.

(e) Notwithstanding subsection (a), if an Eligible Rollover Distribution is expected to total less than Two Hundred Dollars (\$200) during a year, such payment may not be directly rolled over.

Section 10.03. Acceptance of Eligible Rollover Distributions. To the extent permitted by the applicable provisions of the Code and regulations issued thereunder, for the purpose of purchasing Credited Service or repaying withdrawn Employee Contributions (including any Contributions made to purchase prior service credit, as applicable) as permitted under the Plan and the Employer's Adoption Agreement (i) a Participant may contribute to the Plan as a rollover contribution a qualified rollover amount from a qualified plan under Code Section 401(a), an annuity plan under Code Section 403(a), an individual retirement account or annuity under Code Sections 408(a) or (b), a governmental deferred compensation plan under Code Section 457(b), or a tax-sheltered annuity under Code Section 403(b), that is includible in

taxable income; or (ii) a Participant may make a direct rollover to the Plan of a qualified rollover amount from a qualified plan under Code Section 401(a) consisting of after-tax employee contributions that is not includible in taxable income provided that such amount will be separately accounted for under the Plan; provided, further, that the Administrator, in its discretion, determines that the contribution satisfies all applicable requirements of the Code. Such rollovers will be allowed to the extent permitted by law, subject to any conditions, proofs, or acceptance the Administrator deems appropriate.

Section 10.04. Acceptance of Trustee-to-Trustee Transfers. A Participant may make a direct trustee-to-trustee transfer from another Code Section 401(a) qualified retirement plan, a governmental deferred compensation plan under Code Section 457(b), or a tax-sheltered annuity under Code Section 403(b) for the purchase of permissive service credit, as defined in Code Section 415(n)(3)(A) and as permitted under the Plan and the Employer's Adoption Agreement, or for a repayment to which Code Section 415 does not apply by reason of Code Section 415(k)(3), as permitted under the Plan and the Employer's Adoption Agreement. Such transfers will be allowed to the extent permitted by law, subject to any conditions, proofs, or acceptance the Administrator deems appropriate.

ARTICLE XI.

LIMITATIONS ON BENEFITS

Section 11.01. Effective Date. The Plan shall be administered so as to comply with this Article for limitation years beginning on or after July 1, 2007, except as otherwise provided herein.

Section 11.02. Limitation on Annual Benefit.

(a) In no event shall the aggregate annual benefit for a calendar year (the "limitation year") provided under this Plan and all other defined benefit plans (without regard to whether the

plan has terminated) of the Employer for any Participant exceed an amount equal to One Hundred Sixty Thousand Dollars (\$160,000) as adjusted pursuant to Code Section 415(d)(1)(A).

(b) Adjustment for Benefits Commencing Before Age 62.

(1) If the retirement income benefit under the Plan begins before age sixty-two (62) and occurs in a limitation year beginning on or after July 1, 2007, and the Plan does not have an immediately commencing straight life annuity payable at both age sixty-two (62) and the age of benefit commencement, the One Hundred Sixty Thousand Dollar (\$160,000) limitation for the Participant's retirement income benefit commencement date is the annual amount of a benefit payable in the form of a straight life annuity commencing at the Participant's retirement income benefit commencement date that is the actuarial equivalent of the One Hundred Sixty Thousand Dollar (\$160,000) limitation (adjusted under subsection (h) for years of participation less than ten (10), if required) with actuarial equivalence computed using a five percent (5%) interest rate assumption and the applicable mortality table for the retirement income benefit commencement date (expressing the Participant's age based on completed calendar months as of the retirement income benefit commencement date).

(2) If the retirement income benefit under the Plan begins before age sixty-two (62) and occurs in a limitation year beginning on or after July 1, 2007, and the Plan has an immediately commencing straight life annuity payable at both age sixty-two (62) and the age of benefit commencement, the One Hundred Sixty Thousand Dollar (\$160,000) limitation for the Participant's retirement income benefit commencement date is the lesser of the limitation determined under paragraph (1) and the One Hundred Sixty Thousand Dollar (\$160,000) limitation (adjusted under subsection (h) for years of

participation less than ten (10), if required) multiplied by the ratio of the annual amount of the immediately commencing straight life annuity under the Plan at the Participant's retirement income benefit commencement date to the annual amount of the immediately commencing straight life annuity under the Plan at age sixty-two (62), both determined without applying the limitations of this Article.

(3) If the retirement income benefit under the Plan begins before age sixty-two (62) and occurs in a limitation year that begins on or after January 1, 2002, but prior to July 1, 2007, the determination as to whether the One Hundred Sixty Thousand Dollars (\$160,000) limitation has been satisfied shall be made by reducing the One Hundred Sixty Thousand Dollars (\$160,000) limitation so that such limitation (as so reduced) equals an annual benefit (beginning when such retirement income benefit begins) which is equivalent to a One Hundred Sixty Thousand Dollars (\$160,000) annual benefit beginning at age sixty-two (62). The age reduced dollar limit shall be the lesser of the equivalent amount computed using the actuarial table in Section 12.01 of the Plan for actuarial equivalence for early retirement benefits, and the amount computed using five percent (5%) interest and the applicable mortality table (to the extent that the mortality decrement is used prior to age sixty-two (62)).

(c) Adjustment for Benefits Commencing After Age 65.

(1) If the retirement income benefit under the Plan begins after age sixty-five (65) and occurs in a limitation year beginning on or after July 1, 2007, and the Plan does not have an immediately commencing straight life annuity payable at both age sixty-five (65) and the age of benefit commencement, the One Hundred Sixty Thousand Dollar (\$160,000) limitation at the Participant's retirement income benefit commencement date

is the annual amount of a benefit payable in the form of a straight life annuity commencing at the Participant's retirement income benefit commencement date that is the actuarial equivalent of the One Hundred Sixty Thousand Dollar (\$160,000) limitation (adjusted under subsection (h) for years of participation less than ten (10), if required), with actuarial equivalence computed using a five percent (5%) interest rate assumption and the applicable mortality table for that retirement income benefit commencement date as specified in Section 11.02(e)(2)(B) of the Plan (expressing the Participant's age based on completed calendar months as of the retirement income benefit commencement date).

(2) If the retirement income benefit under the Plan begins after age sixty-five (65) and occurs in a limitation year beginning on or after July 1, 2007, and the Plan has an immediately commencing straight life annuity payable at both age sixty-five (65) and the age of benefit commencement, the One Hundred Sixty Thousand Dollar (\$160,000) limitation at the Participant's retirement income benefit commencement date is the lesser of the limitation determined under paragraph (1) and the One Hundred Sixty Thousand Dollar (\$160,000) limitation (adjusted under subsection (h) for years of participation less than ten (10), if required) multiplied by the ratio of the annual amount of the adjusted immediately commencing straight life annuity under the Plan at the Participant's retirement income benefit commencement date to the annual amount of the adjusted immediately commencing straight life annuity under the Plan at age sixty-five (65), both determined without applying the limitations of this Article. For this purpose, the adjusted immediately commencing straight life annuity under the Plan at the Participant's retirement income benefit commencement date is the annual amount of such annuity payable to the Participant, computed disregarding the Participant's accruals after age

sixty-five (65) but including actuarial adjustments even if those actuarial adjustments are used to offset accruals; and the adjusted immediately commencing straight life annuity under the Plan at age sixty-five (65) is the annual amount of such annuity that would be payable under the Plan to a hypothetical Participant who is age sixty-five (65) and has the same accrued benefit as the Participant.

(3) If the retirement income benefit under the Plan begins after age sixty-five (65) and occurs in a limitation year that begins on or after January 1, 2002, but prior to July 1, 2007, the One Hundred Sixty Thousand Dollar (\$160,000) limitation for the Participant's retirement income benefit commencement date is the annual amount of a benefit payable in the form of a straight life annuity commencing at the Participant's retirement income benefit commencement date that is the actuarial equivalent of the One Hundred Sixty Thousand Dollar (\$160,000) limitation (adjusted under subsection (h) for years of participation less than ten (10), if required) with actuarial equivalence computed using whichever of the following produces the smaller annual amount: (i) the actuarial increase factors specified in Section 12.05 of the Plan; or (ii) a five percent (5%) interest rate assumption and the applicable mortality table as specified in Section 11.02(e)(2)(B) of the Plan.

(d) Notwithstanding the other requirements of this section, in adjusting the dollar limitation for the Participant's retirement income benefit commencement date under subsection (b) or (c), as applicable, no adjustment shall be made to the One Hundred Sixty Thousand Dollar (\$160,000) limitation to reflect the probability of a Participant's death between the retirement income benefit commencement date and age sixty-two (62), or between age sixty-five (65) and the retirement income benefit commencement date, as applicable, if benefits are not forfeited

upon the death of the Participant prior to the retirement income benefit commencement. To the extent benefits are forfeited upon death before the retirement income benefit commencement date, such an adjustment shall be made. Furthermore, notwithstanding the requirements of this section, the adjustments provided for in subsections (b) and (c) shall not apply (i) in the event the Participant's benefit is based on at least fifteen (15) years of service as a full-time employee of any police or fire department or on fifteen (15) years of military service, or (ii) in the case of pre-retirement disability benefits or pre-retirement death benefits.

(e) Adjustment for Form Not Subject to Code Section 417(e)(3). For distributions made in any form other than a straight life annuity or a qualified joint and survivor annuity to which Code Section 417(e)(3) does not apply [generally, a monthly benefit], such benefit shall be adjusted to a straight life annuity, beginning at the same age, which is the actuarial equivalent of such benefit.

(1) For limitation years beginning before July 1, 2007, the actuarially equivalent straight life annuity for purposes of applying the limitations under Code Section 415(b) to benefits is equal to the greater of (or the reduced limitation applicable at the retirement income benefit commencement date which is the "lesser of" when adjusted in accordance with the following assumptions):

(A) the equivalent annual benefit computed using the interest rate and mortality table, or tabular factor, specified in Article XII of the Plan for actuarial equivalence for the particular form of benefit payable, and

(B) the equivalent annual benefit computed using a five percent (5%) interest rate assumption and the applicable mortality table described in Internal

Revenue Service guidance (the mortality table specified in Revenue Ruling 98-1 prior to 2003 or Revenue Ruling 2001-62 on or after January 1, 2003).

(2) For limitation years beginning on or after July 1, 2007, the actuarially equivalent straight life annuity is equal to the greater of (or the reduced limitation applicable at the retirement income benefit commencement date which is the "lesser of" when adjusted in accordance with the following assumptions):

(A) the annual amount of the straight life annuity (if any) payable to the Participant under the Plan commencing at the same retirement income benefit commencement date as the Participant's form of benefit; and

(B) the annual amount of the straight life annuity commencing at the same retirement income benefit commencement date that has the same actuarial present value as the Participant's form of benefit, computed using a five percent (5%) interest rate assumption and the applicable mortality table described in Internal Revenue Service guidance (the mortality table specified in Revenue Ruling 2001-62 on or after January 1, 2003) and, for years after December 31, 2008, the applicable mortality tables described in Code Section 417(e)(3)(B) (Internal Revenue Service Notice 2008-85 or any subsequent Internal Revenue Service guidance implementing Code Section 417(e)(3)(B)).

(f) Adjustment for Form Subject to Code Section 417(e)(3). As required by final Treasury Regulations, for distributions made in any form to which Code Section 417(e)(3) applies [generally, a lump sum benefit], such benefit shall be adjusted to a straight life annuity, beginning at the same age, which is the actuarially equivalent straight life annuity benefit which is the greatest of (or the reduced limitation applicable at the retirement income benefit

commencement date which is the "least of" when adjusted in accordance with the following assumptions):

(1) The annual amount of the straight life annuity commencing at the retirement income benefit commencement date that has the same actuarial present value as the particular form of benefit payable, computed using the interest rate and mortality table, or tabular factor, specified in Article XII of the Plan for actuarial experience;

(2) The annual amount of the straight life annuity commencing at the retirement income benefit commencement date that has the same actuarial present value as the particular form of benefit payable, computed using a five and five-tenths percent (5.5%) interest assumption (or the applicable statutory interest assumption) and (i) for years prior to January 1, 2009, the applicable mortality tables for the distribution under Treasury Regulation Section 1.417(e)-1(d)(2) (the mortality table specified in Revenue Ruling 98-1 prior to 2003 and Revenue Ruling 2001-62 or any subsequent Revenue Ruling modifying the applicable provisions of Revenue Ruling 2001-62) and (ii) for years after December 31, 2008, the applicable mortality tables described in Code Section 417(e)(3)(B) (Notice 2008-85 or any subsequent Internal Revenue Service guidance implementing Code Section 417(e)(3)(B)); or

(3) the annual amount of the straight life annuity commencing at the retirement income benefit commencement date that has the same actuarial present value as the particular form of benefit payable computed using the applicable interest rate for the distribution under Internal Revenue Service guidance (the 30-year Treasury rate prior to January 1, 2008, using the rate in effect for the month prior to retirement; on and after January 1, 2008, using the rate in effect for the first day of the plan year with a one-year

stabilization period; and on and after January 1, 2015, using the rate in effect for the September prior to the plan year of distribution with a one-year stabilization period) and (i) for years prior to January 1, 2009, the applicable mortality tables for the distribution under Treasury Regulation Section 1.417(e)-1(d)(2) (the mortality table specified in Revenue Ruling 98-1 prior to 2003 and Revenue Ruling 2001-62 or any subsequent Revenue Ruling modifying the applicable provisions of Revenue Ruling 2001-62), and (ii) for years after December 31, 2008, the applicable mortality tables described in Code Section 417(e)(3)(B) (Notice 2008-85 or any subsequent Internal Revenue Service guidance implementing Code Section 417(e)(3)(B)), divided by one and five-one-hundredths (1.05). However, effective for benefits commencing during limitation years beginning after December 31, 2008, this paragraph (3) does not apply to a Plan maintained by an eligible employer as defined under Code Section 408(p)(2)(C)(i) (generally, an Employer that had no more than one hundred (100) employees who received at least Five Thousand Dollars (\$5,000) of compensation from the Employer during the preceding year).

(g) Limitations on benefits under this Article shall not apply where the total annual benefits payable to a Participant under this Plan and all other qualified defined benefit plans (whether or not terminated) of the Employer do not exceed Ten Thousand Dollars (\$10,000) in the aggregate. This minimum limitation is not applicable for a Participant whose Employer maintains or has maintained a defined contribution plan in which such Participant participated.

(h) The Ten Thousand Dollars (\$10,000) minimum limitation, if provided, must be reduced where a Participant has less than ten (10) years of service with the Employer at the time the Participant begins to receive retirement benefits under the Plan, and the maximum dollar

limitation must be reduced where a Participant has less than ten (10) years of participation when retirement benefits under the Plan commence. These adjustments are made by multiplying the applicable limitations by the appropriate fraction:

(A) For the Ten Thousand Dollars (\$10,000) minimum limitation – Years of service with the employer as of and including, the current limitation year divided by ten (10); or

(B) For the maximum dollar limitation – Years of participation with the employer as of and including, the current limitation year divided by ten (10).

(i) For purposes of applying the limits under Code Section 415(b) (Limit), the following will apply:

(1) prior to any limitation year beginning on or after July 1, 2007, adjustments under Section 6.05, will be taken into consideration when determining a Participant's applicable Limit;

(2) for any limitation year beginning on or after July 1, 2007:

(A) a Participant's applicable Limit will be applied to the Participant's annual benefit in the Participant's first limitation year without regard to any automatic cost of living adjustments under Section 6.05;

(B) to the extent the Participant's benefit equals or exceeds the Limit, the Participant will no longer be eligible for cost of living adjustments under Section 6.05 until such time as the benefit plus the accumulated adjustments under Section 6.05 are less than the Limit;

(C) thereafter, in any subsequent limitation year, a Participant's annual benefit, including any automatic cost of living increases under Section 6.05, shall

be tested under the then applicable benefit Limit including any adjustment to the Code Section 415(b)(1)(A) dollar limit under Code Section 415(d), and the regulations thereunder; but

(D) in no event shall a Participant's benefit payable under the Plan in any limitation year be greater than the Limit applicable at the annuity starting date, as increased in subsequent years pursuant to Code Section 415(d) and the regulations thereunder. If the form of benefit without regard to the automatic benefit increase feature is not a straight life annuity, then the preceding provisions are applied by reducing the Code Section 415(b) limit applicable at the annuity starting date to an actuarially equivalent amount (determined using the assumptions specified in Treasury Regulation Section 1.415(b)-1(c)(2)(ii)) that takes into account the death benefits under the form of benefit.

Section 11.03. Limitation on Annual Additions.

(a) Effective beginning on and after January 1, 2002, to the extent required under Code Section 415(c), in no event shall the "annual addition" for a Participant for any calendar year (the "limitation year"), exceed the lesser of:

(1) Forty Thousand Dollars (\$40,000), as adjusted for increases in the cost of living under Code Section 415(d); or

(2) One hundred percent (100%) of the "compensation" of such Participant received from an Adopting Employer during the limitation year.

(b) For purposes of this Section, "compensation" means all of a Participant's wages as defined in Code Section 3401(a) for the purposes of income tax withholding at the source but determined without regard to any rules that limit the remuneration included in wages based on

the nature or location of the employment or the services performed (such as the exception for agricultural labor in Code Section 3401(a)(2)); provided, however, for limitation years beginning after December 31, 1997, compensation shall also include the amount of any elective deferrals, as defined in Code Section 402(g)(3), and any amount contributed or deferred by the Adopting Employer at the election of the Employee and which is not includable in the gross income of the Employee by reason of Code Section 125 or 457, but shall exclude Employee contributions picked up under Code Section 414(h)(2). For limitations years beginning after December 31, 2000, compensation shall also include any amount deferred by the Adopting Employer at the election of the Employee which is not includable in the gross income of the Employee by reason of Code Section 132(f)(4). For limitation years beginning on or after July 1, 2007, the following types of payments, if paid by the later of (i) two and one-half (2½) months following a Participant's Termination of Employment, or (ii) the last day of the limitation year that includes the Participant's Termination of Employment, will be included as compensation for purposes of this Section: payments that, absent a Termination of Employment, would have been paid to the Participant while the Participant continued in employment and that are regular compensation for services rendered, and payments of accrued bona fide sick, vacation, or other leave, but only if the Participant would have been able to use the leave if employment had continued. Any payments not described in the preceding sentence are not considered compensation if paid after severance from employment, even if they are paid within two and one-half (2½) months following severance from employment, except for payments to the individual who does not currently perform services for the Employer by reason of qualified military service (within the meaning of Code Section 414(u)(1)) to the extent these payments do not exceed the amounts the individual would have received if the individual had continued to perform services for the

Employer rather than entering qualified military service. An Employee who is in qualified military service (within the meaning of Code Section 414(u)(1)) shall be treated as receiving compensation from the Employer during such period of qualified military service equal to (i) the compensation the Employee would have received during such period if the Employee were not in qualified military service, determined based on the rate of pay the Employee would have received from the Employer but for the absence during the period of qualified military service, or (ii) if the compensation the Employee would have received during such period was not reasonably certain, the Employee's average compensation from the Employer during the twelve (12) month period immediately preceding the qualified military service (or, if shorter, the period of employment immediately preceding the qualified military service). For limitation years beginning on or after July 1, 2007, a Participant's compensation for purposes of this Section shall not exceed the annual limit under Code Section 401(a)(17).

(c) For purposes of this Section, "annual addition" means the sum of the following amounts credited to a Participant's accounts for the limitation year under this Plan and any other plan maintained by an Employer: (i) employer contributions; (ii) employee contributions; (iii) forfeitures; and (iv) allocations under a simplified employee pension plan. Amounts allocated after March 31, 1984, to an individual medical account, as defined in Code Section 415(l)(2), which is part of a pension or annuity plan maintained by an Employer are treated as annual additions to a defined contribution plan. Also, amounts derived from contributions paid or accrued after December 31, 1985, in taxable years ending after such date, which are attributable to post-retirement medical benefits, allocated to the separate account of a key employee, as defined in Code Section 419A(d)(3), under a welfare benefit fund, as defined in

Code Section 419(e), maintained by an Employer are treated as annual additions to a defined contribution plan.

(d) If the annual addition for a Participant under the Plan would be greater than the annual addition for such Participant as limited by subsection (a), then the excess shall be corrected as permitted under the IRS Employee Plans Compliance Resolution System (currently set forth in Revenue Procedure 2008-50).

Section 11.04. Code Section 415(e) Limits. For limitation years beginning on and after January 1, 2000, any benefit limitations applied pursuant to Code Section 415(e) shall no longer apply for employees or former employees who are Participants with an accrued benefit under the Plan on or after January 1, 2000.

Section 11.05. Limitations on Service Credit Purchases.

(a) Notwithstanding any other provision of law to the contrary, if an Adopting Employer adopts an Addendum to the Adoption Agreement that provides for service credit purchases, the Administrator may modify a request by a Participant to make an Employee Contribution if the amount of the Contribution would exceed the limits provided in Code Section 415 by using the following methods:

(1) If the law requires a lump sum payment for the purchase of service credit, the Administrator may establish a periodic payment plan for the Participant to avoid a contribution in excess of the limits under Code Sections 415(c) or 415(n).

(2) If payment pursuant to paragraph (1) will not avoid a contribution in excess of the limits imposed by Code Section 415(c), the Administrator may either reduce the Employee Contribution to an amount within the limits of that section or refuse the Participant's Contribution.

(b) Effective for any permissive service credit contributions made in limitation years beginning after December 31, 1997, if a Participant makes one (1) or more contributions to purchase permissive service credit under an Adopting Employer's Plan, then the requirements of this Section will be treated as met only if:

(1) the requirements of Code Section 415(b) are met, determined by treating the accrued benefit derived from all such Contributions as an annual benefit for purposes of Code Section 415(b), or

(2) the requirements of Code Section 415(c) are met, determined by treating all such Contributions as annual additions for purposes of Code Section 415(c).

(3) For purposes of applying paragraph (1), the Plan will not fail to meet the reduced limit under Code Section 415(b)(2)(C) solely by reason of this paragraph (3), and for purposes of applying paragraph (2), the Plan will not fail to meet the percentage limitation under Code Section 415(c)(1)(B) solely by reason of this subsection (b).

(4) For purposes of this subsection (b) the term "permissive service credit" means service credit—

(A) recognized by the Plan for purposes of calculating a Participant's benefit under the Plan,

(B) which such Participant has not received under the Plan, and

(C) which such Participant may receive only by making a voluntary additional contribution, in an amount determined under the Plan, which does not exceed the amount necessary to fund the benefit attributable to such service credit.

Effective for permissive service credit contributions made in limitation years beginning after December 31, 1997, such term may include service credit for periods for which there is no

performance of service, and, notwithstanding subparagraph (B), may include service credited in order to provide an increased benefit for service credit which a Participant is receiving under the Plan.

(5) The Plan will fail to meet the requirements of this subsection (b) if—

(A) more than five (5) years of nonqualified service credit are taken into account for purposes of this paragraph (5), or

(B) any nonqualified service credit is taken into account under this subsection (b) before the Participant has at least five (5) years of participation under the Plan.

(6) For purposes of paragraph (5), effective for permissive service credit contributions made in limitation years beginning after December 31, 1997, the term "nonqualified service credit" means permissive service credit other than that allowed with respect to—

(A) service (including parental, medical, sabbatical, and similar leave) as an employee of the Government of the United States, any State or political subdivision thereof, or any agency or instrumentality of any of the foregoing (other than military service or service for credit which was obtained as a result of a repayment described in Code Section 415(k)(3)),

(B) service (including parental, medical, sabbatical, and similar leave) as an employee (other than as an employee described in subparagraph (A)) of an education organization described in Code Section 170(b)(1)(A)(ii) which is a public, private, or sectarian school which provides elementary or secondary

education (through grade 12), or a comparable level of education, as determined under the applicable law of the jurisdiction in which the service was performed,

(C) service as an employee of an association of employees who are described in subparagraph (A), or

(D) military service (other than qualified military service under Code Section 414(u)) recognized by such governmental plan.

In the case of service described in subparagraph (A), (B), or (C), such service will be nonqualified service if recognition of such service would cause a Participant to receive a retirement benefit for the same service under more than one Plan.

(7) In the case of a trustee-to-trustee transfer after December 31, 2001, to which Code Section 403(b)(13)(A) or 457(e)(17)(A) applies (without regard to whether the transfer is made between plans maintained by the same employer)—

(A) the limitations of paragraph (6) will not apply in determining whether the transfer is for the purchase of permissive service credit, and

(B) the distribution rules applicable under federal law to the Plan will apply to such amounts and any benefits attributable to such amounts.

(8) For an eligible Participant, the limitation of Code Section 415(c)(1) shall not be applied to reduce the amount of permissive service credit which may be purchased to an amount less than the amount which was allowed to be purchased under the terms of the Plan as in effect on August 5, 1997. For purposes of this paragraph (8), an eligible Participant is an individual who first became a Participant in the Plan before January 1, 1998.

Section 11.06. Interpretation of this Article.

(a) The annual additions and annual benefit of a Participant shall be adjusted pursuant to this Article so as to produce the maximum annual benefit and maximum annual additions permissible for such Participant.

(b) For purposes of this Section and subject to Code Section 415(f), all defined benefit plans of an Adopting Employer, whether or not terminated, are to be treated as a single defined benefit plan, and all defined contribution plans of an Adopting Employer are to be treated as a single defined contribution plan. However, Adopting Employers shall be considered as separate Employers in accordance with State law. The ability of an Adopting Employer to amend the Adoption Agreement to the extent necessary to satisfy Code Section 415 is provided by and subject to Section 18.01.

Figure factor using years and months. Divide difference between next highest age factor and age factor lower, by twelve (12), then multiply by number of months. Add this onto age for years factor to arrive at correct factor. (Round off to 4 decimals). Note: If normal retirement age differs from sixty-five (65), factors must be supplied by Actuary.

Section 12.06. Offset Calculations; Other Annuity Forms. Actuarial equivalence factors and conversion factors for other annuity forms shall be computed by an enrolled Actuary on an actuarially equivalent basis. Actual Participant and Beneficiary ages are used for purposes of Section 6.06. Conversion factors for other annuity forms assume the Participant is retiring at age sixty-five (65).

Effective on or after April 1, 2021, the actuarial equivalence factors for Participants for purposes of Section 6.06 and the conversion factors for purposes of other annuity forms are computed using 75% of the Pri-2012 head-count weighted Healthy Retiree Mortality Table for

males with rates multiplied by 1.25 and projected generationally from 2012 using 60% of the male improvement rates under the 2019 OASDI Trustees Report for the intermediate alternative with maturity values calculated as of 2023, plus 25% of the Pri-2012 head-count weighted Healthy Retiree Mortality Table for females with rates multiplied by 1.25 and projected generationally from 2012 using 60% of the female improvement rates under the 2019 OASDI Trustees Report for the intermediate alternative with maturity values calculated as of 2023 and with interest of seven and three-eighths percent (7.375%). Likewise, effective on or after April 1, 2021, the actuarial equivalence factors for Beneficiaries for purposes of Section 6.06 and the conversion factors for purposes of other annuity forms are computed using 25% of the Pri-2012 head-count weighted Healthy Retiree Mortality Table for males with rates multiplied by 1.25 and projected generationally from 2012 using 60% of the male improvement rates under the 2019 OASDI Trustees Report for the intermediate alternative with maturity values calculated as of 2023, plus 75% of the Pri-2012 head-count weighted Healthy Retiree Mortality Table for females with rates multiplied by 1.25 and projected generationally from 2012 using 60% of the female improvement rates under the 2019 OASDI Trustees Report for the intermediate alternative with maturity values calculated as of 2023 and with interest of seven and three-eighths percent (7.375%).

Effective January 1, 2018 through March 31, 2021, the actuarial equivalence factors for purposes of Section 6.06 shall be computed using the male RP 2000 Mortality Table set forward two (2) years for Participants and the female RP 2000 Mortality Table set forward one (1) year for Beneficiaries and with interest of seven and one-half percent (7.5%).

Effective January 1, 2018 through March 31, 2021, the conversion factors for other annuity forms are based on the UP 1984 Mortality Table without age setback and with interest of eight percent (8.0%).

Section 12.07. Lump Sum Payments. Effective January 1, 2001, a single sum distribution of benefits payable under Section 7.05, or upon plan termination, or if required for compliance with Code Section 401(a)(9), shall be computed on the basis of the actual age of the Participant and/or Beneficiary at the time of distribution and under the following actuarial assumptions:

(a) **Interest:** The applicable interest rate established by the Internal Revenue Service under Code Section 417(e)(3) and accompanying regulations, without regard to updates under the Pension Protection Act of 2006, as in effect for the month of September preceding the calendar year during which the distribution is paid.

(b) **Mortality:** The applicable mortality table established by the Internal Revenue Service pursuant to IRC Section 417(e)(3) and accompanying regulations, without regard to updates under the Pension Protection Act of 2006.

(c) **Age at Which Payments Begin:** The greater of the Normal Retirement Date or the age at the time of distribution to the Participant and/or Beneficiary.

ARTICLE XIII.

CONTRIBUTIONS

Section 13.01. Adopting Employer Contributions. The Adopting Employer shall make the necessary Contributions to fund the Plan. The amount of these Contributions shall be based upon the actuarial assumptions adopted by the Board of Trustees, the benefits provided in the Plan, and the number of Participants and their respective ages, Earnings, and lengths of Creditable Service and such other factors as the Board of Trustees shall deem appropriate to

assure proper funding of the Plan. Contributions by the Adopting Employer shall be applied as necessary to assure the payment of Accrued Benefits to Participants and Beneficiaries. Employer Contributions received by GMEBS by the last day of any month shall accrue Interest from the first day of the following month.

Section 13.02. Employee Contributions. Participants or certain classes of Participants may be required to make Contributions to the Plan as specified in the Adoption Agreement. Unless otherwise specified by the Adopting Employer, Employee Contributions shall accrue interest at the same rate and in the same manner as Employer Contributions. When elected by the Adopting Employer to be picked up, the Adopting Employer shall pick up and pay contributions in accordance with Code Section 414(h)(2) as follows:

(1) The contributions, although designated as Employee contributions, shall be paid by that Adopting Employer in lieu of contributions by the Employee as elected by the Adopting Employer in the Adoption Agreement, which shall be effective on a prospective basis and constitute written formal action to implement the pick-up, and

(2) The Employee must not be given the option, on or after the effective date of the pick-up, to have a cash or deferred election right (within the meaning of Treasury Regulation Section 1.401(k)-1(a)(3)) with respect to designated Employee contributions, which includes not having the option of receiving the amounts directly instead of having them paid to the Plan.

Section 13.03. Withdrawal of Employee Contributions.

(a) Unless otherwise specified in the Adoption Agreement, if a non-vested Participant's employment is terminated for any reason other than death, the Participant shall request a withdrawal of the Participant's Employee Contributions plus interest, if any.

(b) Unless otherwise specified in the Adoption Agreement, if a vested Participant's employment is terminated for any reason other than death or Retirement, the Participant may request a withdrawal of the Participant's Employee Contributions (including any Contributions made to purchase prior service credit) plus interest, unless the Participant chooses to claim the Participant's vested benefit, in which case the Participant's Employee Contributions shall not be withdrawn.

(c) Upon the Participant's termination, the Pension Committee shall provide notice to the Participant of the opportunity to withdraw Employee Contributions (including any Contributions made to purchase prior service credit, if permitted under the Adoption Agreement or any Addendum thereto), and the Participant shall have sixty (60) days after receipt of such notice to submit a request for withdrawal on an Applicable Form provided for that purpose. Failure to make such a request within this sixty (60) day period shall result in the forfeiture of a vested Participant's right to request withdrawal upon termination and shall result in forfeiture of a non-vested Participant's right to the accrual of further interest. Unless otherwise specified in the Adoption Agreement or any Addendum thereto, upon withdrawal of Employee Contributions (including any Contributions made to purchase prior service credit, if permitted under the Adoption Agreement or any Addendum thereto) pursuant to this Section, the Participant shall forfeit for the Participant, the Participant's heirs and assigns all the Participant's rights, title, and interest in the Plan, except as provided in subsection (d) below. Employee Contributions shall be returned to the Participant within ninety (90) days of the receipt of the Participant's request. A Participant may not withdraw Employee Contributions (including any Contributions made to purchase prior service credit, if permitted under the Adoption Agreement or any Addendum thereto) as long as the Participant remains in the employment of the Adopting Employer and the

Participant may not borrow against Employee Contributions (including any Contributions made to purchase prior service credit, if permitted under the Adoption Agreement or any Addendum thereto) at any time. A partial withdrawal of Employee Contributions is not permitted. Unless otherwise provided in the Adoption Agreement or any Addendum thereto, if a Participant who has made both mandatory Employee Contributions and Contributions to purchase prior service credit withdraws any of such Contributions, all mandatory Employee Contributions and Contributions to purchase prior service credit shall be withdrawn.

(d) Except as otherwise provided in the Employer's Adoption Agreement or any Addendum thereto, if a Participant withdraws Employee Contributions (including any Contributions made to purchase prior service credit, if permitted under the Adoption Agreement or any Addendum thereto) in accordance with this Section, and if such Participant later resumes employment with the Adopting Employer in an Eligible Employee class, then any service credit or benefit amount forfeited by virtue of the withdrawal may be reinstated upon the Participant's reemployment with the Adopting Employer, provided: (1) the Participant repays within six (6) months following the reemployment date and prior to Termination of Employment with the Adopting Employer all amounts previously withdrawn plus interest at the assumed actuarial rate of return for the GMEBS Retirement Fund established by the Board as of date of repayment, compounded annually from the date of return of contributions through the date of repayment; and (2) provided the Participant satisfied the break in service rules, as applicable. Repayment of Employee Contributions (including any Contributions made to purchase prior service credit) under this subsection shall be made in a single lump sum, by a rollover or transfer of pre-tax funds described in Sections 10.03 and 10.04 of this Plan, a lump sum payment of after-tax funds,

after-tax payroll deductions, or any other method established by the Board, subject to any limitations included in the Adoption Agreement or any Addendum thereto.

(e) For purposes of this Section, the amount of "interest" shall be determined as of the date that the withdrawal under this Section is made, and the amount of interest shall comply with any applicable provisions of Section 4(i)(10)(B)(i) of the Age Discrimination in Employment Act ("ADEA").

Section 13.04. Cessation of Contributions Without Penalty. The Employer may provide in the Adoption Agreement that Participants who have met certain retirement benefit eligibility requirements shall no longer be required to make contributions to the Plan. Effective on or after October 1, 2016, Participants who are receiving an In-Service Distribution or who are otherwise receiving Retirement benefits while employed with the Adopting Employer shall not be required to make contributions to the Plan.

Section 13.05. Continued Contributions During Leave of Absence. Subject to the applicable limits of Code Section 415, if the terms of an authorized leave of absence permit the Participant to continue accumulating Credited Service during said leave of absence, the Participant shall be required to continue making Employee Contributions in the same amount and at the same rate as immediately prior to the commencement of the leave of absence.

Section 13.06. Return of Contributions Upon Failure to Exhaust.

(a) **Death of a Retired Participant.** If a Retired Participant elects the Option A form of benefit payment, and if upon the death of the Participant the sum of all benefits paid to the Participant does not equal or exceed the amount of the Participant's Employee Contributions plus interest posted thereon, then a lump sum payment in the amount of the difference, less any amounts paid to the Retired Participant's surviving Spouse or to the Retired Participant's estate

pursuant to Section 8.12, shall be paid to the Retired Participant's designated beneficiary as defined in this subsection (a), or if there is no such designated beneficiary, to the Retired Participant's estate. In the event that 1) a Retired Participant elects retirement benefit payment Option B or C, 2) the Post-Retirement Beneficiary predeceases the Participant, and 3) upon the death of the Retired Participant, the sum of all benefits paid does not equal or exceed the amount of the Participant's Employee Contributions plus interest posted thereon, then a lump sum payment in the amount of the difference shall be paid to the Retired Participant's designated beneficiary as defined in this subsection (a), or if there is no such designated beneficiary, to the Participant's estate. In the event that 1) a Retired Participant elects retirement benefit payment Option B or C, 2) the Post-Retirement Beneficiary survives the Retired Participant and dies after such Beneficiary has begun receiving survivor benefit payments, and 3) the sum of all benefits paid does not equal or exceed the amount of the Participant's Employee contributions plus interest posted thereon, said lump sum payment shall be paid to the Post-Retirement Beneficiary's designated beneficiary as defined in this subsection (a) or, if there is no such designated beneficiary, to the Post-Retirement Beneficiary's estate. For purposes of this subsection, the term "designated beneficiary" shall mean the surviving Spouse of the Retired Participant or Post-Retirement Beneficiary, as applicable, and the term "surviving" shall mean surviving the Retired Participant or Post-Retirement Beneficiary, as applicable, by at least thirty-two (32) days.

(b) In-Service Death of Participant Before Satisfying Pre-Retirement Death Benefit Eligibility Requirements; Death of Terminated Vested Participant Where No Terminated Vested Death Benefit Is Payable. If a Participant dies in the Service of an Adopting Employer before satisfying the eligibility requirements for an in-service death benefit, the Participant's Employee

Contributions plus interest posted thereon, if any, shall be paid to the Participant's designated beneficiary as defined in this subsection (b), or if there is no such designated beneficiary, to the Participant's estate. If a Terminated Vested Participant dies before Retirement and the Plan does not provide for Terminated Vested death benefits to be payable upon the death of such Participant, the Participant's Employee Contributions plus interest posted thereon, if any, shall be paid to the Participant's designated beneficiary as defined in this subsection (b), or if there is no such designated beneficiary, to the Participant's estate. For purposes of this subsection, the term "designated beneficiary" shall mean the surviving Spouse of the Participant and the term "surviving" shall mean surviving the Participant by at least thirty-two (32) days.

(c) Death of a Participant or Terminated Vested Participant After Satisfying Pre-Retirement Death Benefit Eligibility Requirements. The following provision shall apply in the event that a Participant or Terminated Vested Participant who has satisfied the eligibility requirements for a pre-retirement death benefit dies before Retirement, and payments are made to a Pre-Retirement Beneficiary under the Plan. In the event the sum of all pre-retirement benefits paid to a Pre-Retirement Beneficiary(ies) by virtue of the death of a Participant or Terminated Participant, as applicable, does not equal or exceed the amount of the Participant's or Terminated Participant's Employee Contributions plus interest posted thereon, a lump sum payment in the amount of the difference shall be paid to the Pre-Retirement Beneficiary's designated beneficiary as defined in this subsection (c), or if there is no such designated beneficiary, to the estate of the Pre-Retirement Beneficiary (or the designated beneficiary or estate of the last Pre-Retirement Beneficiary receiving payment, as applicable with respect to Plans that permit payment to multiple Pre-Retirement Beneficiaries). For purposes of this subsection, the term "designated beneficiary" shall mean the surviving Spouse of the Pre-

Retirement Beneficiary and the term "surviving" shall mean surviving the Pre-Retirement Beneficiary by at least thirty-two (32) days.

(d) For purposes of this Section, the amount of "interest posted" shall be determined as of the date that the lump sum payment payable under this Section is distributed, and the amount of interest posted shall comply with any applicable provisions of Section 4(i)(10)(B)(i) of the Age Discrimination in Employment Act ("ADEA").

ARTICLE XV.

Section 15.01. Definitions. As used in this Article, "Act" refers to the Act of the General Assembly creating the Board of Trustees of the Georgia Municipal Employees Benefit System (O.C.G.A. § 47-5-1 et seq., a copy of which is included in the Appendix hereto), as amended.

Section 15.02. Powers. The powers of the Board of Trustees as fixed by the Act are hereby incorporated as part of the Plan. The Adopting Employer agrees that, in the administration of the Plan, it will comply with all rules and regulations adopted by the Board of Trustees under its authority as granted by the Act.

Section 15.03. Composition and Election. The composition of the Board of Trustees and the election of its members shall be as provided by the Act and as may be provided in the bylaws of the Board of Trustees.

Section 15.04. Officers. The election of officers by the Board of Trustees shall be conducted as may be prescribed by the Act and as may be provided in the bylaws of the Board of Trustees.

Section 15.05. Notice of Elections. The Board of Trustees shall provide through its bylaws for the giving of notice of elections, notice of any vacancy on the Board, the method or manner in which votes may be cast, and any other matter necessary or incident to the election of members of the Board. The Board may also provide for a proxy vote, and may determine how, when, and in what manner voting by proxy may be had in accordance with the Act and as may be provided in the bylaws of the Board of Trustees.

Section 15.06. Voting. Each Adopting Employer shall be entitled to vote in any election or other matter placed before the membership as provided in the bylaws of the Board of Trustees.

Section 15.07. Voting Representative for the Adopting Employer. Unless otherwise indicated in writing by an Adopting Employer's chief executive or chief administrative officer, for the purpose of casting the Adopting Employer's vote in any election of members of the Board of Trustees and in any other matters which the membership has the authority and responsibility for resolving, each trustee shall be considered the official representative for the Employer for which the trustee serves as an elected or appointed member of the Governing Authority or Employee. For each other Adopting Employer, unless otherwise indicated in writing by an Adopting Employer's chief executive or chief administrative officer, the chief executive or chief administrative officer shall be the Adopting Employer's official representative for the purpose of casting its vote in any election of members of the Board of Trustees and in any other matters which the membership has the authority and responsibility for resolving.

Section 15.08. Qualified Public Accountant. The Administrator may engage on behalf of all Participants an independent qualified public accountant to conduct such an examination of any financial statements of the Plan, and of other books and records of the Plan, as the qualified public accountant may deem necessary to enable said accountant to form an opinion as to whether the financial statements and schedules required to be included in the annual report of the Plan are presented fairly in conformity with generally accepted accounting principles as applicable to a governmental plan, applied on a basis consistent with that of the preceding Plan Year and who shall perform such other services for the Plan as the Administrator may require.

Section 15.09. Fiduciary Insurance. The Board of Trustees may purchase fiduciary liability insurance for any of its fiduciaries, or for itself, to cover liability or losses occurring by reason of the act or omission of a fiduciary.

ARTICLE XVI.

GMEBS TRUST AGREEMENT

Section 16.01. General Provisions. The GMEBS Trust Agreement is the separate document for the establishment and administration of the Trust Fund. All contributions under the Plan shall be transferred to the Trust Fund to be held, managed, invested, and distributed as part of the Trust Fund by the Board in accordance with the provisions of the Plan and separate GMEBS Trust Agreement. At no time prior to the satisfaction of all liabilities with respect to Participants and their Beneficiaries shall any part of the corpus or income be used for, or diverted to, purposes other than the exclusive benefit of the Participants and their beneficiaries, including the payment of reasonable fees, taxes (if applicable) and expenses of the Plan and Trust, subject to the provisions in Article XVIII of this Basic Plan Document relating to the distribution of excess assets in the event of a plan termination. In resolving any conflict between provisions of the Plan and provisions of the Trust, the provisions of the Plan shall control.

Section 16.02. Group Trust Participation.

(a) If the investment is otherwise a permitted investment under Chapters 5 and 20 of Title 47 of the O.C.G.A., the Board may, unless otherwise restricted by law, transfer all or any portion of the assets of the Trust to a collective or common group trust, as permitted under Revenue Ruling 81-100, as modified by Revenue Rulings 2004-67 and 2011-1 (or subsequent guidance), that is operated or maintained exclusively for the commingling and collective investment of monies, and in such case the group trust agreement shall be deemed adopted as

part of the GMEBS Defined Benefit Retirement Plan Trust Agreement without further action by the Board.

(b) The separate account maintained by the group trust for an Adopting Employer's Plan pursuant to subsection (a) above shall not be used for, or diverted to, any purpose other than for the exclusive benefit of the Participants and beneficiaries of the Adopting Employer's Plan, including the payment of reasonable fees, taxes (if applicable) and expenses of the Plan and Trust, subject to the provisions in Article XVIII of this Basic Plan Document relating to the distribution of excess assets in the event of a plan termination.

(c) For purposes of valuation, the value of the separate account maintained by the group trust for an Adopting Employer's Plan shall be the fair market value of the portion of the group trust held for the Adopting Employer's Plan, determined in accordance with generally recognized valuation procedures.

ARTICLE XVII.

CLAIMS AND LITIGATION

Section 17.01. Disputes. In the event of disagreement between a Participant and the Adopting Employer with respect to any rights, claims, or responsibilities under the Plan which cannot be resolved by the Pension Committee as provided under Article XV, the Participant may make an appeal regarding such rights, claims, or responsibilities to the Governing Authority. In the event that any such rights, claims, or responsibilities result in a suit or other legal action by a Participant or Beneficiary, such action shall be defended in the same manner as other suits against the Adopting Employer. Any legal action on behalf of the Adopting Employer with regard to the Plan shall be first authorized by the Governing Authority and shall be conducted in the manner prescribed by the Governing Authority. GMEBS shall have no responsibility to defend or pursue legal action arising under the Plan.

Section 17.02. Disputes involving Federal or State Law Compliance. In the event there is a dispute involving federal or state law compliance, between a Participant or Beneficiary and the Governing Authority or the Trustees, or between an Adopting Employer and the Trustees, GMEBS is a necessary party to any such dispute, or suit, settlement, or release arising therefrom.

Section 17.03. Failure to Act. GMEBS shall not be responsible for the failure of the Adopting Employers to perform any of their obligations under the Plan, including the duty to remit payments to GMEBS, to provide necessary records concerning Participants and their Earnings to GMEBS, or to perform any other functions required of the Adopting Employers by applicable law, the Basic Plan Document, the Adoption Agreement (including any Addendum to the Adoption Agreement, if applicable), the separate GMEBS Trust Agreement, or by the rules and regulations of GMEBS. To the extent permitted under state and federal law, each Adopting Employer shall indemnify and hold GMEBS harmless for any failure to pay, delay in payment or other errors in processing benefits pursuant to this Plan due to the Adopting Employer's failure to perform its obligations under the Plan or provide accurate data to GMEBS for the purpose of administering the Plan.

ARTICLE XVIII.

AMENDMENT AND TERMINATION

Section 18.01. Amendment of the Plan by an Adopting Employer. The Governing Authority shall have the right at any time, and from time to time, to amend, in whole or in part, any or all of its elections in the Adoption Agreement; provided, however, that no such amendment shall:

- (a) Reduce the previously Accrued Benefit of any Participant or Beneficiary; or,
- (b) Authorize or permit any part of the Trust Fund held by the Board to be diverted to purposes other than for the exclusive benefit of Participants and their Beneficiaries; or,

(c) Operate to deprive any Participant or Beneficiary of any rights or benefits irrevocably Vested in said Participant or Beneficiary under the Plan prior to such amendment, except that the Governing Authority may make any and all changes or modifications to the Adoption Agreement necessary to qualify the Plan or to keep the Plan qualified under the Internal Revenue Code and the regulations thereunder, or any amendment thereto.

Notwithstanding the foregoing, the Adopting Employer may amend the Adoption Agreement to the extent necessary to satisfy Code Section 415.

~~(d)~~ No amendment to an Adoption Agreement shall become effective until approved by the Administrator. In order to be approved by the Administrator, any amendment must comply with all applicable state and federal laws and the Basic Plan Document. If the Administrator does not approve an amendment, the Administrator shall continue to administer the Plan as if such amendment had not been made.

In no event may an Adopting Employer amend the Basic Plan Document or the GMEBS Trust Agreement separate document.

Section 18.02. Amendment of Plan by GMEBS.

(a) It is the intent of the Board that the Basic Plan Document, Adoption Agreement form and Addendum form (collectively referred to for purposes of this Section 18.02 as "Plan") shall be and remain qualified for tax purposes under the Code. The Administrator shall timely submit the Plan for approval under the Code as necessary, and all expenses incident thereto shall be borne by the GMEBS Investment Fund.

(b) GMEBS will maintain a record of the Participating Employers, and GMEBS will make reasonable and diligent efforts to ensure that Adopting Employers have actually received and are aware of all Plan amendments and that such Adopting Employers adopt new documents

when necessary. The provisions of this subsection shall supersede other provisions of the Plan to the extent those other provisions are inconsistent.

(c) The Board or the Provider, as directed by the Board, hereby reserves the right to amend the Plan without the consent of the Adopting Employers or of Participants (or any Beneficiaries thereof) to make desired changes in the design of the Plan. A true copy of the resolution of the Board approving such amendment shall be delivered to the Administrator and the Adopting Employers. The Plan shall be amended in the manner and effective as of the date set forth in such resolution, and the Adopting Employers, Employees, Participants, Beneficiaries, the Administrator, and all others having any interest under the Plan shall be bound thereby.

(d) The Provider shall have the authority to advise and prepare amendments to the Plan, for approval by the Board, on behalf of all Adopting Employers for changes in the Code, the regulations thereunder, revenue rulings, other statements published by Internal Revenue Service, including model, sample, or other required good faith amendments (but only if their adoption will not cause such Plan to be individually designed), and for corrections of prior approved plans. These amendments shall be applied to all Adopting Employers. In any event, any amendment prepared by the Provider and approved by the Board will be provided by the Administrator to Adopting Employers.

(e) Notwithstanding the foregoing paragraphs (c) and (d), effective on or after January 1, 2016, for any Adopting Employer as of either:

(1) the date the Internal Revenue Service requires the Adopting Employer to file Form 5300 as an individually designed plan as a result of an amendment by the Adopting Employer to incorporate a type of Plan not allowable in a pre-approved plan, or

(2) as of the date the Plan is otherwise considered an individually designed plan due to the nature and extent of the amendments, such Adopting Employer shall execute a resolution to adopt any amendments that are approved by the Board after the date under subparagraph (1) or (2) above, as applicable, within the earlier of (i) ninety (90) days after such Board approval, or (ii) if applicable, the remedial amendment period under Code Section 401(b) as applicable to governmental plans. If the Adopting Employer is required to obtain a determination letter for any reason in order to maintain reliance on the opinion letter, the Provider's authority to amend the Plan on behalf of the Adopting Employer is conditioned on the Plan receiving a favorable determination letter.

Section 18.03. Termination by Adopting Employer.

(a) The Adopting Employer expects the Plan to be continued indefinitely but, of necessity, reserves the right to terminate its Plan and Contributions thereunder at any time by action of the Governing Authority, subject to the Administrator's approval. Such termination shall be accomplished by the adoption of an ordinance or resolution (as applicable) by the Governing Authority terminating the Plan. Such ordinance or resolution (as applicable) shall conform to the rules and regulations of the Board governing Plan termination to the extent they are consistent with this provision.

(b) Upon full or partial termination or a complete discontinuance of Employer contributions, all affected Eligible Employees shall be deemed to be Participants, and the Accrued Benefits of such Participants shall be Vested to the extent funded required by federal law. The Pension Committee shall notify Participants, Terminated Vested Participants, Retired Participants, and Beneficiaries of the full termination of the Plan, and shall provide a copy of such notice and the names and addresses of the persons notified to the Administrator.

(c) Upon termination, the Adopting Employer shall provide to the Administrator current Participant information necessary to calculate Accrued Benefits. Upon receipt of such information, the Administrator shall prepare a list of all the Adopting Employer's Participants, Retired Participants, Terminated Vested Participants, and Beneficiaries, showing for each the present value of each individual's Accrued Benefit, as determined by the GMEBS Actuary as of the date of termination.

(d) The Administrator, in accordance with the Board's current rules and regulations, and with generally accepted accounting practices, shall determine the value of the Adopting Employer's Trust Fund as of the termination date. All mandatory Employee Contributions, if any, plus interest, and all Contributions made to purchase service credit, if any, plus any applicable interest, shall be paid from the Trust Fund to the Participants, to the extent of available Trust Fund assets. The Administrator shall then deduct from the Trust Fund a termination fee established by GMEBS for services provided in terminating the Plan. The Administrator, pursuant to the Board's rules and regulations, shall then allocate the remaining assets for distribution of the present value of Accrued Benefits in lump sums to the classes listed below. The benefits of each class shall be satisfied before proceeding to the next class. If at any time the remaining Plan assets would be insufficient to provide the present value of Accrued Benefits for the class in question, the remaining assets shall be applied on a pro rata basis within that class, and all subsequent classes shall receive no benefit. The pro rata allocation referred to above will be determined based upon the comparative value of each class member's Accrued Benefit (present value expressed in a lump sum) when measured against the lump sum present value of Accrued Benefits for the class as a whole.

CLASS A – Retired Participants or Beneficiaries who are receiving payments as of the termination date.

CLASS B – Participants delaying Retirement beyond the Normal Retirement Date.

CLASS C – Participants eligible for Early Retirement.

CLASS D – Other Participants, terminated or active, who have met the requirements for vesting as of the termination date.

CLASS E – All other Participants on a pro rata basis. Payment of benefits to Retired Participants, Beneficiaries, and Participants by the Administrator as a result of a Plan termination shall be limited solely to the assets available in the Trust Fund.

(e) Any reversion of excess assets is only permitted if the excess assets resulted from an erroneous actuarial computation, following the use of acceptable actuarial procedures using reasonable assumptions as to interest and mortality pursuant to Treasury Regulation § 1.401-2(b)(1). In its termination ordinance, the Governing Authority shall instruct the Administrator as to the distribution of excess assets, if any, remaining after the satisfaction of Accrued Benefits for the classes enumerated herein. In the absence of such instructions, any excess assets shall be distributed to the Adopting Employer.

(f) Upon distribution of the assets as specified above, the Adoption Agreement, Basic Plan Document, and the separate GMEBS Trust Agreement shall be regarded as terminated as to that Adopting Employer and no Participant or Beneficiary shall have any further rights or claim herein.

Section 18.04. Amendment of the Plan to Transfer Assets; Termination of Contract.

(a) The Adopting Employer may amend the Adoption Agreement by ordinance or resolution (as applicable) so as to provide for the transfer of assets to a successor trustee and to terminate the existing Contract between the Adopting Employer and the Board. Any such ordinance or resolution shall comply with Section 18.01 and with the requirements of the rules and regulations of the Board regarding amendment and transfer of Plan assets, to the extent they are consistent with this Section.

(b) In addition to other requirements, such ordinance or resolution shall:

(1) Designate a new trustee or trustees to replace the Board;

(2) Establish a month-end termination date, which shall be used for purposes of valuing the Adopting Employer's Trust Fund assets and which shall be fixed by the Administrator, taking into account the time reasonably required to liquidate GMEBS Retirement Trust Fund assets (if necessary) for purposes of the termination and transfer, the impact of the termination on the financial integrity of the Retirement System, and the time reasonably required for GMEBS and the terminating Employer to complete necessary administrative tasks associated with the termination. The termination date will be no earlier than forty-five (45) days after the Adopting Employer provides written notice to the Administrator of its intent to terminate;

(3) Provide that after the established termination date, GMEBS shall have no further responsibility or obligation to administer the terminating Employer's retirement plan, except as otherwise agreed and provided for by GMEBS and the terminating Employer in the ordinance or resolution;

(4) Provide that the value of assets of the Adopting Employer's Trust Fund as of the established termination date shall be determined based upon the value of the Adopting Employer's Trust Fund as reflected in the unaudited financial statements for the GMEBS Retirement Trust Fund as of the established termination date, subject to verification and reconciliation against the most recent GMEBS Retirement Trust Fund audit coinciding with or following the termination date.

(5) Provide for the transfer of assets held in the Adopting Employer's Trust Fund to the successor trustee as follows:

(A) that no transfer shall take place until a successor Code Section 401(a) retirement plan and trust document have been adopted by the Adopting Employer and furnished to GMEBS, together with a current IRS determination letter or an opinion letter from an attorney confirming that the successor retirement plan is tax qualified under Code Section 401(a);

(B) that as soon as reasonably practicable after the established termination date, the Administrator will make an initial transfer to the successor trustee of an amount to be determined by the Administrator in its sole discretion, but in no event more than eighty-five percent (85%) of the value of the Adopting Employer's Trust Fund, as reflected in the then most recently completed unaudited monthly financial statement for the GMEBS Retirement Trust Fund; and that prior to the completion of the initial transfer, the Administrator shall deduct from the Adopting Employer's Trust Fund a termination fee established by GMEBS for services provided in effecting the termination of the Adopting

Employer's participation in GMEBS and the transfer of assets to the successor trustee;

(C) that as soon as reasonably practicable after completion of the GMEBS Retirement Fund unaudited financial statement for the month including the established termination date, the Administrator will make a second transfer to the successor trustee in an amount equal to the remainder of the Adopting Employer's Trust Fund assets, if any; and that in any event distribution of assets to the successor trustee shall be completed within the time limits specified in the separate GMEBS Trust Agreement;

(D) that after the established termination date, any funds remaining in the Adopting Employer's Trust Fund shall not share in the gains or losses of the GMEBS Retirement Trust Fund, notwithstanding any provision of the GMEBS Basic Plan Document or separate GMEBS Trust Agreement to the contrary; and that any investment gains or losses that would otherwise be credited to or debited from the Adopting Employer's Trust Fund after the established termination date shall not be taken into account. Rather, after the established termination date through completion of the transfer of assets, any amount remaining in the Adopting Employer's Trust Fund shall earn interest at the same rate as the GMEBS active cash management account which shall be credited monthly until the transfer of assets is completed; and,

(E) that if the audit of the GMEBS Retirement Trust Fund for the year including the established termination date reflects that the value of the Adopting Employer's Trust Fund on the termination date was understated or overstated in

the unaudited financial statement relied upon, then GMEBS or the Adopting Employer shall remit to the other the amount of any overpayment or underpayment, unless said amount is less than One Thousand Dollars (\$1,000). Such remittance shall be made in a lump sum with interest. Said interest shall be calculated at the same rate as the GMEBS active cash management account and credited monthly as of the last day of each month following the established termination date up until the date of the remittance.

(6) Provide that the assets of the Plan will continue to be held by the successor trustee for the exclusive benefit of Participants and Beneficiaries.

(7) State that the existing retirement rights of Employees, Participants, and Beneficiaries shall not be impaired.

(8) Provide that upon completion of the transfer of assets, the GMEBS Board of Trustees shall have no further fiduciary responsibility for investment of the Adopting Employer's Trust Fund assets or payment of liabilities, and the Adopting Employer's Contract and participation under the separate GMEBS Trust Agreement and Trust Fund shall be considered terminated.

(9) Provide that, to the extent permitted by federal, state or local law, the Adopting Employer agrees to indemnify the Board of Trustees and the Administrator from and against any loss, liability or claim arising out of the Employer's maintenance of the Plan from and after the date of the final transfer of assets.

(10) Provide that the surviving plan must provide each Participant on whose behalf Plan assets are transferred a benefit equal to or greater than the benefit the Participant had accrued, if any, immediately before transfer of assets.

Section 18.05. Involuntary Termination.

(a) The Board may involuntarily terminate the Plan as to an Adopting Employer in the event of any of the following occurrences:

(1) Failure of the Employer to comply with the terms of the Basic Plan Document, Adoption Agreement (or Addendum), or separate GMEBS Trust Agreement including, but not limited to, failure to pay required Contributions in a timely manner;

(2) Failure of the Adopting Employer to provide to GMEBS or respond to requests from GMEBS for information necessary for GMEBS to administer the Plan;

(3) Failure of the Adopting Employer to adequately fund the Plan in accordance with the GMEBS funding policy, or to adopt or abide by a funding action plan approved by the Board;

(4) Receipt of written notice from an Adopting Employer's Governing Authority of its intent to discontinue further Contributions;

(5) Insistence by the Employer on enforcing an amendment to the Adoption Agreement which the Board has disapproved; or

(6) Failure of the Adopting Employer to maintain qualification status under Code Sections 401(a) and 414(d).

(b) The rights, benefits, and entitlements under the Plan of any Participant, including those of the Participant's Beneficiary, any other provision of the Plan notwithstanding, before or after Retirement, death, or other termination of employment shall, upon the failure of the Adopting Employer to pay and to continue to pay its required Contributions, be limited as specified in this Article.

(c) In the event of an involuntary termination, the GMEBS Board may in its sole discretion adopt a resolution providing for: (i) designation of the members of the Employer's Governing Authority as successor trustees for the Plan; (ii) designation of a person or entity other than the Employer's Governing Authority as successor trustee for the Plan; or (iii) outright termination of the Plan and distribution of assets to Participants and Beneficiaries. The specific terms and conditions associated with involuntary termination shall be as provided in the Board resolution. Neither the Administrator nor the GMEBS Board shall be subject to lawsuit or liability arising from the exercise of its discretion as provided herein.

(d) The Administrator shall notify the Governing Authority, Participants, and Beneficiaries in writing of an involuntary termination and the reasons therefor. Said notice shall also fix a termination date. Upon the request of the Administrator, the Employer shall within a reasonable period provide the Administrator with the last known addresses of Participants and Beneficiaries for this purpose. Neither the Administrator nor the GMEBS Board shall be subject to lawsuit or liability for non-compliance with this paragraph arising from the failure of the Employer to provide such information to the Administrator.

(e) The Administrator shall determine the value of the Adopting Employer's Trust Fund as of the termination date in accordance with the procedures described in Section 18.05(b)(4) of this Article. The Board shall deduct from the Trust Fund a termination fee established by GMEBS for services provided in effecting termination of the Adopting Employer's participation in GMEBS.

(f) Successor Trustee.

(1) Governing Authority as Successor Trustee. If upon involuntary termination, the GMEBS Board by resolution designates the members of the Employer's

Governing Authority as successor trustees, the Adopting Employer shall be obligated to furnish GMEBS with a successor retirement plan and related documents as provided in Section 18.04(b)(5)(A). Distribution of assets to the Governing Authority or to a designee specified by the Governing Authority in writing, as successor trustee, shall then occur in accordance with the transfer procedures described in Section 18.04(b)(5). Payment of benefits to Retired Participants and Beneficiaries shall become the responsibility of the Governing Authority, as successor trustees, as of the termination date, except as otherwise provided in the Board's termination resolution.

(2) Other Entity as Successor Trustee. If upon involuntary termination, the GMEBS Board by resolution designates a successor trustee other than the members of the Employer's Governing Authority, distribution of assets to the successor trustee shall occur in accordance with the transfer procedures described in Section 18.04(b)(5) upon the Board's receipt of retirement plan and related documents as described in Section 18.04(b)(5)(A), and any other information reasonably requested by the Board. Payment of benefits to the Retired Participants and Beneficiaries shall become the responsibility of the successor trustee as of the termination date, except as otherwise provided in the Board's termination resolution.

(3) Termination without Successor Trustee. If upon involuntary termination, the GMEBS Board by resolution terminates the Employer's Plan outright, the assets of the Employer's Trust Fund will not be transferred to a successor trustee, but will be distributed to Participants and Beneficiaries in accordance with and subject to the termination provisions of Section 18.03(b)-(f), except as otherwise provided in this subsection. The Employer shall provide current Participant information necessary to

calculate Accrued Benefits as required under Section 18.03(c), within a reasonable period after the Administrator's request for such information. Any excess assets remaining after satisfaction of Accrued Benefits and payment of the termination fee shall be distributed to the Employer.

(g) Freezing of Benefit Accruals. In the event of an Employer's failure to pay required Contributions, the GMEBS Board may by resolution freeze benefit accruals under the Employer's Plan, as an alternative to involuntary termination. If the Board adopts such a resolution, the Employer's Plan must continue to be maintained as a qualified plan and the Employer will be responsible for funding benefits as determined under the frozen Plan's provisions. The Board's resolution to freeze benefit accruals shall specify the extent to which Service and Earnings after the freeze date will or will not be counted for purposes of computing the amount of benefits payable under the Plan, and for purposes of meeting the minimum service requirements for vesting and benefit eligibility under the Plan. The resolution shall also specify the conditions for recommencing benefit accruals under the Plan. The resolution may also provide that, in the event of an Employer's continued failure to pay required Contributions, the Employer's Plan will be terminated outright as of a date certain or upon the Board's adoption of a resolution providing for outright termination, consistent with the provisions of subsection (f)(3).

(h) The Board in its discretion may require an Employer to obtain appropriate IRS approval of the qualified status of the terminating Plan or a successor plan.

(i) In the event that an Adopting Employer fails to comply with the terms of the Basic Plan Document, Adoption Agreement (or Addendum), or the separate GMEBS Trust Agreement including, but not limited to, failure to pay required Contributions in a timely manner,

the Board may in its sole discretion pursue any other legal or equitable means that it deems appropriate, including the filing of a writ of mandamus, to facilitate such compliance.

Section 18.06. Termination of the Basic Plan Document by the Board. The Board reserves the right to completely terminate the Basic Plan Document and the separate GMEBS Trust Agreement. In such an event, the provisions of Section 18.03 shall be applied to each Adopting Employer.

ARTICLE XIX.

NON-ALIENATION OF BENEFITS

(a) None of the benefits, payments, proceeds, or distributions payable under the Plan shall be subject to the claim of any creditor of any Participant or to the claim of any creditor of any Beneficiary hereunder, or to any legal process of levy or attachment by any creditor of any such Participant or Beneficiary; and no such benefits shall be in any manner liable for or subject to the debts, liabilities, engagements, or torts of any Participant or Beneficiary; and neither shall any such Participant or Beneficiary have any right to alienate, commute, anticipate, transfer, encumber, pledge, or assign any of the benefits, payments, proceeds, or distributions under this Plan.

(b) Nothing in subsection (a) shall be construed to preclude the Administrator, subject to any terms and conditions set by the Administrator, from making a deduction and direct payment to the Adopting Employer or GMEBS on behalf of a Retired Participant for the limited purpose of paying for a contribution or premium for a post retirement benefit offered by the Adopting Employer or GMEBS, if the Retired Participant elects to have such deduction and direct payment made. An election by the Retired Participant for such deduction and direct payment may be revoked at any time.

(c) Nothing in subsection (a) shall be construed to preclude the Administrator, subject to any terms and conditions set by the Administrator, from making a deduction and direct payment on behalf of a Retired Participant as provided under Section 845(a)(4)(D) of the Pension Protection Act of 2006 in its current form or as amended, and as interpreted by the Internal Revenue Service, for the limited purpose of paying premiums for coverage for an eligible retired public safety officer, the Participant's spouse, and dependents, by an accident or health insurance plan or qualified long-term care insurance contract as defined in Section 7702B(b) of Title 26 of the United States Code, if the Retired Participant elects to have such deduction and direct payment made. An election by a Retired Participant for such deduction and direct payment may be revoked at any time.

ARTICLE XX.

MISCELLANEOUS

Section 20.01. Construction.

(a) Words used in this Plan in the singular or plural shall be construed as being in the plural or singular where appropriate.

(b) The Plan shall be construed, enforced, and administered and the validity thereof determined in accordance with the Code, and, when not inconsistent with the Code, the laws of the State of Georgia and the bylaws of the Board.

(c) In resolving any conflict between provisions of the Plan and in resolving any other uncertainty as to the meaning or intention of any provision of the Plan, the interpretation that (i) causes the Plan to constitute a qualified governmental retirement plan under the provisions of Code Sections 401 and 414(d) and the Trust as exempt from tax under Code Sections 501 and 115, and (ii) causes the Plan to comply with all applicable requirements of the Code and federal law shall prevail over any different interpretation.

(d) In resolving any conflict between the Plan and any policy or contract issued under the Plan, the provisions of the Plan shall prevail.

(e) The headings and subheadings in the Plan are inserted for convenience of reference only and are not to be considered in the construction of any provision of the Plan.

(f) The terms of this Basic Plan Document shall control except as otherwise provided in an Adopting Employer's Adoption Agreement (including any Addendum to the Adoption Agreement, if applicable), as accepted by or on behalf of the GMEBS Board, in which case the terms of the Adopting Employer's Adoption Agreement (including any Addendum to the Adoption Agreement) shall control.

(g) Neither the establishment nor maintenance of the Plan nor any amendment thereof, nor any act or omission under the Plan or resulting from the operation of the Plan shall be construed:

(1) as conferring upon any Participant, beneficiary, or any other person a right or claim against the GMEBS Investment Fund, the Trust Fund, the Trustees, the Adopting Employer, or the Administrator, except to the extent that such right or claim shall be specifically expressed and provided in the Plan;

(2) as a contract or Agreement between the Adopting Employer and any Participant or other person;

(3) as being consideration for, or an inducement or condition of, employment of any Participant or other person, or as affecting or restricting in any manner or to any extent whatsoever the rights or obligations of the Adopting Employer or any Participant or other person to continue or terminate the employment relationship at any time; or

(4) as giving any Participant the right to be retained in the service of the Adopting Employer or to interfere with the right of the Adopting Employer to discharge any Participant or other person at any time.

Section 20.02. Non-Diversion.

(a) The assets of the Plan shall never inure to the benefit of an Adopting Employer and shall be held for the exclusive purposes of providing benefits to Participants in the Plan and their beneficiaries and defraying reasonable fees, taxes (if applicable) and expenses of the Plan and Trust, except in the case of a contribution which is made by an Adopting Employer under a mistake of fact as determined solely by the Administrator. Such contribution shall be returned to the Adopting Employer, upon demand, and shall be reduced for any loss incurred but unadjusted for any gains earned during the time the mistaken contribution was part of the Trust Fund.

(b) Trust assets shall be managed in compliance with Code Section 503(b).

Section 20.03. Legally Incompetent; Power of Attorney. Any Participant, Retired Participant, Terminated Vested Participant, or Beneficiary receiving or claiming benefits under the Plan shall be conclusively presumed to be mentally competent and of age until the Administrator receives a written notice, in a form and manner acceptable to it, that such person is incompetent or a minor, and that a guardian or other person legally vested with the care of such person's estate has been appointed. In the event a guardian of the estate of any person receiving or claiming benefits under the Plan shall be appointed by a court of competent jurisdiction, payments shall be made to such guardian and the guardian may take any and all actions with respect to the person's interest under the Plan in accordance with the terms of the appointment, provided that proper proof of appointment is furnished in a form and manner suitable to the Administrator. Any payment so made shall be a complete discharge of liability therefor under

the Plan. No person may act as an attorney-in-fact for an Employee, Participant, Terminated Vested Participant, Retired Participant or Beneficiary with respect to a matter involving the Plan unless a valid power of attorney document appointing such person and authorizing such action is submitted in a form and manner acceptable to the Administrator. The Administrator shall be entitled to rely upon a power of attorney document which it reasonably determines to be valid, without liability for actions taken by the Administrator at the request of the designated attorney-in-fact, unless and until the Administrator receives notice that the power of attorney is no longer effective.

Section 20.04. Benefits Supported Only by Trust Fund. Any person having any claim under the Plan shall look solely to the assets of the Trust Fund for satisfaction. In no event shall the Adopting Employer, or any of its employees or agents, be liable in their individual capacities to any person whomsoever, under the provisions of the Plan or of the separate GMEBS Trust Agreement.

Section 20.05. Non-Discrimination. The Adopting Employer, through the Pension Committee, shall administer the Plan in a uniform and consistent manner with respect to all Participants.

Section 20.06. Limitation of Liability; Legal Actions.

(a) It is expressly understood and agreed by each Employee who becomes a Participant hereunder that, except for willful neglect or fraud, neither the Adopting Employer, the Plan Representative, nor the Board of Trustees shall be in any way subject to any suit or litigation, or to any legal liability, for any cause or reason or thing whatsoever, in connection with the Plan or its operation, and each such Participant hereby releases the Adopting Employer,

all its employees and agents, the Plan Representative, and the Board of Trustees from any and all liability or obligation.

(b) The Adopting Employer and the Plan Representative shall be the only necessary parties to any action or proceeding involving any rights under the Plan or the proper administration thereof, and no Participant, Beneficiary, or other persons having or claiming to have an interest in the Plan shall be entitled to any notice of process. Any final judgment which is not appealed or appealable that may be entered in any such action or proceeding shall be binding and conclusive on the parties hereto and all persons having or claiming to have an interest in the Plan.

Each fiduciary under the Plan shall be responsible only for the specific duties assigned under the Plan and shall not be directly or indirectly responsible for the duties assigned to another fiduciary. Any person or a group of persons may serve in more than one (1) fiduciary capacity with respect to the Plan.

Section 20.07. Claims. Any payment to a Participant or Beneficiary, or to their legal representatives, in accordance with the provisions of the Plan, shall to the extent thereof be in full satisfaction of all claims hereunder against the Plan Representative or the Adopting Employer, either of which may require such Participant, Beneficiary, or legal representative, as a condition precedent to such payment, to execute a receipt and release therefor in such form as shall be determined by the Plan Representative or the Adopting Employer.

Section 20.08. Errors in Benefits.

(a) Effective upon issuance of an Internal Revenue Service favorable opinion letter which covers this provision, notwithstanding any provision in this Section 20.08 to the contrary, any action upon an underpayment or overpayment shall be brought within six (6) years after the

same becomes due and payable. Likewise, GMEBS shall not be required to correct any underpayment or overpayment more than six (6) years after said underpayment or overpayment occurred.

(b) Underpayments. Any underpayments from the Trust Fund to a Retired Participant or to a Beneficiary caused by administrative errors shall be corrected with interest compounded annually from the date of the miscalculated payment. The rate applied shall be the actuarially assumed rate utilized by the plan actuary for estimating future plan investment earnings or such other rate established by the Board that is permissible under federal and state law and applicable guidance as of the date of the correction. Underpayments shall be made up from the Adopting Employer's Trust Fund. Effective with respect to underpayments corrected on or after January 1, 2017, in the event a Retired Participant, Pre-Retirement Beneficiary or Post-Retirement Beneficiary to whom a corrective payment is due dies before such payment is made, said corrective payment shall be paid to such Retired Participant's, Pre-Retirement Beneficiary's or Post-Retirement Beneficiary's designated beneficiary, as defined in this subsection (b) or, if there is no such designated beneficiary, to the deceased Retired Participant's, Pre-Retirement Beneficiary's or Post-Retirement Beneficiary's estate. For purposes of this subsection, the term "designated beneficiary" shall mean the surviving Spouse of such Retired Participant, Pre-Retirement Beneficiary, or Post-Retirement Beneficiary, as applicable, and the term "surviving" shall mean surviving the Retired Participant, Pre-Retirement Beneficiary, or Post-Retirement Beneficiary, as applicable, by at least thirty-two (32) days.

(c) Overpayments. In the event of an overpayment from the Trust Fund to a Retired Participant or to a Beneficiary caused by administrative error, the following provisions shall apply:

(1) Corrective Amendment Option. In the event of an overpayment that is due to misapplication of the terms of the Plan, the Adopting Employer may be provided the opportunity to amend its Adoption Agreement (a "Corrective Amendment") in order to provide for such overpayment to be permissible under the terms of the plan, but only if the Corrective Amendment is consistent with the circumstances resulting in the overpayment and with the Basic Plan Document, as determined by the Administrator. The Corrective Amendment may be effective either retroactively only, or both retroactively and prospectively.

(2) Determination of Reasonableness of Collection from Retired Participants or Beneficiaries. In the event that the Adopting Employer does not adopt a Corrective Amendment, or that the circumstances resulting in the overpayment or the Basic Plan Document would not permit such an amendment, the Administrator and the Adopting Employer will consult in making a determination of whether collection of the overpayment (in full or in part) from a Retired Participant or Beneficiary is reasonable under the particular facts and circumstances involved. In their determination, the Administrator and the Adopting Employer shall consider (1) the hardship of collection on the Retired Participant or Beneficiary; (2) any legal impediments to collection; and (3) the potential risk of litigation if collection is pursued, in consultation with the affected Adopting Employer's counsel.

(3) Failure to Reach Agreement on Reasonableness of Collection. If the Administrator and the Adopting Employer cannot reach agreement within six (6) months as to whether collection of an overpayment from a Retired Participant or Beneficiary is

reasonable, the Board shall make this determination, considering the factors outlined above in paragraph (2).

(4) Collection Process. If a determination under this subsection is made that collection from the Retired Participant or Beneficiary is reasonable, the overpayment shall be corrected with interest compounded annually from the date of the miscalculated payment. The rate applied shall be the actuarially assumed rate utilized by the plan actuary for estimating future plan investment earnings or, effective on and after January 1, 2014, such other rate established by the Board that is permissible under federal and state law and applicable guidance as of the date of the correction. In collecting amounts of the overpayment (in full or in part), the Administrator shall have the discretion to use any of the following options: (i) single sum payments; (ii) installment payments; (iii) actuarial reduction of future Retirement payments; or (iv) deductions from Retirement payments. Retirement payment deductions shall not exceed fifty percent (50%) of the amount of payment from which the deduction is made.

(5) Corrective Payment by Adopting Employer. If full collection of an overpayment is not achieved, either because of a determination that full collection from the Retired Participant or Beneficiary is not reasonable, or because efforts at collection do not result in a full collection of the overpayment, the Adopting Employer shall be responsible for making a separate, supplemental contribution to the Trust Fund in the amount of any uncollected overpayment, including interest as calculated under paragraph (4) ("corrective contribution"). Any corrective contribution by a Participating Employer must be made at the same time that the next regular employer contribution is due under the Plan. In the event employer contributions are paid in installments, the corrective

contribution may be paid over that same installment period, but not to exceed a twelve (12) month period. The corrective contribution may not be included as a portion of the general liability of the Plan for which regular funding contributions are made.

(6) Alternative Correction Approach. If the overpayment involves circumstances that are not addressed in the preceding provisions of this subsection, or if in the determination of the GMEBS board, the overpayment cannot be practicably or appropriately corrected using the methods addressed in this subsection, the Administrator may develop a correction approach that is appropriate under the circumstances, permissible under state and federal law and applicable guidance, and equitable to the parties involved.

(d) Overpayments Due to Delay in Notification of Death of Participant or Beneficiary.

(1) In the event that GMEBS makes a payment to a Retired Participant or to a beneficiary following the death of such Participant or beneficiary, GMEBS will make reasonable efforts (not including litigation or collections processes) to recover said overpayment for a period of 60 days after receiving notice from the Adopting Employer of the Participant's or beneficiary's death. If after 60 days from the date on which GMEBS receives notice of the Participant's or beneficiary's death, GMEBS is unable to recover the overpayment, the Adopting Employer shall be responsible for making a separate, supplemental contribution to the Trust Fund in the amount of any such uncollected overpayment, including interest as calculated under paragraph (c)(4) above ("corrective contribution"). Any corrective contribution by an Adopting Employer must be made at the same time that the next regular Employer Contribution is due under the Plan. In the event Employer Contributions are paid in installments, the corrective

contribution may be paid over that same installment period, but not to exceed a twelve (12) month period. The corrective contribution may not be included as a portion of the general liability of the Plan for which regular funding contributions are made.

(2) If the overpayment involves circumstances that are not addressed in the preceding provisions of this subsection, or if in the determination of the GMEBS Board, the overpayment cannot be practicably or appropriately corrected using the methods addressed in this subsection, the Administrator may develop a correction approach that is appropriate under the circumstances, permissible under state and federal law and applicable guidance, and equitable to the parties involved.

Section 20.09. Notice. Any notice given under the Plan shall be sufficient if given to: (1) the Board if addressed to the Administrator at its office; (2) the Adopting Employer if addressed to the address of the Governing Authority indicated in the Adoption Agreement; or (3) a Participant or Beneficiary, when addressed to the Participant at the Participant's address as it appears in the records of the Administrator or the Adopting Employer.

Section 20.10. Right of Recovery. If the Administrator makes any payment that according to the terms of the Plan and the benefits provided hereunder should not have been made, the Administrator may recover that incorrect payment, whether or not it was made due to the error of the Administrator, from the person to whom it was made, or from any other appropriate party. If any such incorrect payment is made directly to a Participant, the provisions of Section 20.08 apply.

Section 20.11. Evidence of Action. All ordinances, resolutions, forms, orders, requests, documents and instructions provided to the Administrator by an Adopting Employer or by any duly authorized representative (e.g., Plan Representative or Pension Committee Secretary), shall

be in writing and the Administrator shall be fully protected in acting in accordance with such ordinances, resolutions, forms, orders, requests, documents and instructions.

Section 20.12. Reliance. The Administrator or Board shall not incur any liability in acting upon any notice, request, signed letter, telegram, form, or other paper or document believed by the Administrator or Board to be genuine or to be executed or sent by an authorized person.

Section 20.13. Information to Administrator. As a condition precedent to GMEBS's administration of the Plan, the Adopting Employer shall provide current information to the Administrator including but not limited to the name, date of birth, date of employment, Enrollment Date, annual Earnings, leaves of absences, Vesting eligibility, Credited Service and Termination date for each Eligible Employee who is or who is expected to become a Participant under the Plan, together with any other information which the Administrator deems necessary. The information provided by the Adopting Employer to the Administrator shall be conclusive as to all persons.

Section 20.14. Participant Data to Administrator. Each Participant and each Beneficiary of a deceased Participant, as applicable, must provide the Administrator any evidence, data or other information as requested by the Administrator for the purpose of administering the Plan. The provisions of this Plan are effective for the benefit of each Participant upon the condition precedent that each Participant furnishes promptly full, true and complete evidence, data and information when requested by the Administrator. The Administrator shall advise each Participant of the effect of the failure to comply with its request.

Section 20.15. Treatment of Vacated Court Orders. Notwithstanding any provision to the contrary, a period of employment that was compelled by court order which was

subsequently vacated, reversed, or otherwise set aside shall not count as Credited Service under the Plan, except for a period, or partial period, during which the Participant satisfied the eligibility requirements for participation under the Plan. Likewise, Earnings paid to a Participant during any such period shall not be used to compute the Participant's Final Average Earnings, except for a period, or partial period, during which the Participant satisfied the eligibility requirements for participation under the Plan. In the event such a Participant Retires before the order compelling the Participant's reinstatement is vacated, reversed, or otherwise set aside, the Participant's Credited Service and Final Average Earnings shall be revised following such reversal, vacation or otherwise setting aside of the Participant's reinstatement, and the Participant's Retirement benefits shall be recalculated and adjusted accordingly, effective the first day of the month following such action. Any overpayments to the Participant resulting from including Credited Service and Earnings from any such period or partial period of employment during which the Participant did not satisfy the eligibility requirements for participation under the Plan shall be corrected in accordance with Section 20.08 of the Basic Plan Document.

Section 20.16. Entire Plan. The Plan document and the documents incorporated by reference herein shall constitute the only legally governing documents for the Plan. No statement by the Trustees, Adopting Employer, or Administrator shall be used in any claim unless in writing, signed by the party against whom the claim is being made.

The terms of the foregoing Basic Defined Benefit Plan Document are hereby adopted and agreed to pursuant to a resolution of the Board of Trustees of the Georgia Municipal Employees Benefit System.

**RESOLUTION OF THE
BOARD OF TRUSTEES OF THE
GEORGIA MUNICIPAL EMPLOYEES BENEFIT SYSTEM**

**APPROVAL OF AMENDMENT 1 TO THE THIRD CYCLE
RESTATED GMEBS DEFINED BENEFIT RETIREMENT PLAN
(APPROVED BY THE IRS AUGUST 31, 2023)**

WHEREAS, the Board of Trustees (“Board”) of the Georgia Municipal Employees Benefit System (“GMEBS”) previously adopted the GMEBS Defined Benefit Retirement Plan (“Plan”), which received a favorable advisory letter from the Internal Revenue Service (“IRS”) on March 30, 2018, and was most recently amended by the Board on December 2, 2022, through the Board’s approval of Amendment 4 to the Restated GMEBS Defined Benefit Retirement Plan;

WHEREAS, the Board periodically updates and restates the Plan with the IRS to ensure the qualified status of the Plan under Section 401(a) of the Internal Revenue Code;

WHEREAS, GMEBS most recently submitted the Plan to the IRS for restatement purposes on June 29, 2022;

WHEREAS, on August 31, 2023, the IRS issued a favorable opinion letter for the Plan;

WHEREAS, under the IRS’s practices and procedures relating to plan restatements, certain amendments the Board had previously made to the Plan to implement applicable provisions of the SECURE Act of 2019 and SECURE Act 2.0 concerning the beginning age for required minimum distributions, were not included in the Plan documents submitted to the IRS for restatement purposes;

WHEREAS, the Board has reserved the right to amend the Plan on behalf of Adopting Employers to retain the qualified status of the Plan in Section 18.02 of the Basic Plan Document;
and

WHEREAS, the Trustees now wish to amend the newly restated Plan (“Third Cycle Restated GMEBS Defined Benefit Retirement Plan”) to implement applicable provisions of the SECURE Act of 2019 and SECURE Act 2.0 concerning the beginning age for required minimum distributions.

NOW, THEREFORE BE IT RESOLVED, this Amendment 1 is hereby adopted to amend the Basic Plan Document effective as set forth herein:

1. Section 10.01(b), concerning distribution rules imposed by federal law, are amended to update the age for a Participant’s required beginning date, as follows:

(a) A Participant's entire interest will be distributed, or begin to be distributed, to the Participant no later than the Participant's required beginning date. For purposes of this Section, "required beginning date" means April 1 of the calendar year following the later of (i) the calendar year in which the Participant reaches the applicable age or (ii) the calendar year in which the Participant Retires. For purposes of this Section, “applicable age” (as defined under Code Section 401(a)(9)(C)(v)) means:

- (1) Age seventy and one-half (70 ½) (for a Participant who was born on or before June 30, 1949);
- (2) Age seventy-two (72) (for a Participant who was born on or after July 1, 1949, but before 1951); or
- (3) Age seventy-three (73) or the otherwise applicable age under Section 401(a)(9)(C)(v) of the Internal Revenue Code (for a Participant who was born in 1951 or later).

2. Section 10.01(c)(1), concerning distribution rules imposed by federal law, are amended to update the Participant’s age for the purpose of distributions to his or her surviving spouse when said surviving spouse is the sole Designated Beneficiary, as follows:

(b) If the Participant dies before distributions begin, the Participant's entire interest will be distributed, or begin to be distributed, no later than as follows:

- (1) If the Participant's surviving spouse is the Participant's sole designated beneficiary, then distributions to the surviving spouse will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died, or by December 31 of the calendar year in which the Participant would have attained the applicable age, if later.

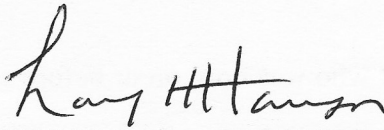

RESOLVED FURTHER by the Board that the appropriate officers and employees of GMA or the Administrator are authorized to take any and all actions that they deem appropriate or necessary to effectuate the foregoing resolutions on behalf of the Board, including but not limited to making non-substantive modifications to Plan documents as necessary, and that all prior actions taken in effectuating the Restated Plan documents and cooperation with IRS requests and directives are hereby ratified and confirmed in all respects.

RESOLVED FURTHER that the amendments herein shall take effect October 1, 2023.

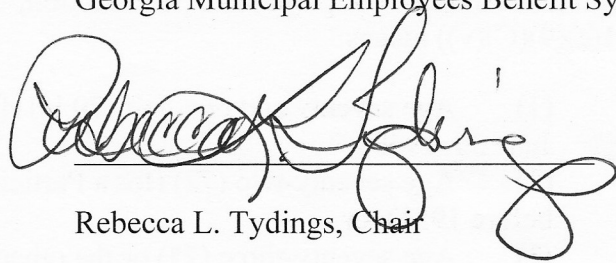

The terms of this Resolution are approved and agreed to by the Board of Trustees of the Georgia Municipal Employees Benefit System this 22 day of September, 2023.

**SUMMARY OF KEY AMENDMENTS
TO THE RESTATED
GEORGIA MUNICIPAL EMPLOYEES BENEFIT SYSTEM
DEFINED BENEFIT RETIREMENT PLAN**

I. GENERAL OVERVIEW

On August 31, 2023, the IRS issued a favorable opinion letter for the Amended and Restated Third Six-Year Cycle Georgia Municipal Employees Benefit System Defined Benefit Retirement Plan ("DB Plan" or "Plan"). The Plan, as approved, incorporates required federal law updates, as well as administrative updates adopted by the Board of Trustees of GMEBS over the last several years. The IRS requires that each Adopting Employer sign an updated DB Plan Adoption Agreement (and Addendum, if applicable).

II. SUMMARY OF KEY CHANGES TO THE BASIC PLAN DOCUMENT

Participating employers have already been apprised of the content of all amendments adopted by the Board before August 31, 2023. However, during its review, the IRS required GMEBS to include additional amendments in the restated Plan documents. The following information summarizes those amendments, as well as Amendment 1 to the Basic Plan Document, which was approved by the Board of Trustees on September 22, 2023.

- ❖ **Change from “Master Plan Document” to “Basic Plan Document”** – The IRS changed its terminology for pre-approved plan documents from “Master Plan document” to Basic Plan Document.”
- ❖ **Removal of Outdated Language** – GMEBS amended the Plan for administrative purposes to move provisions that were no longer in effect or no longer applicable.
- ❖ **Minimum Age Limits for In-Service Distribution** – As a general rule, employees or elected officials may not draw retirement benefits while employed. The Basic Plan document states that if a plan allows in-service distribution, a participant must be at least age 62, or satisfy certain “safe harbor” age and service combinations established in IRS regulations, to receive retirement benefits while employed. If a plan allows in-service distribution and has an alternative normal retirement provision with a minimum age of at least 50 specifically for public safety employees (or that satisfies certain IRS “safe harbor” age and service qualifications that apply to public safety employees), public safety employees who are eligible for the alternative normal retirement may receive an in-service distribution even if they are younger than age 62. Though Congress amended federal law in 2019 to allow plans to set normal retirement ages at a minimum age of 59 ½, the IRS’s opinion letter for the DB Plan specified it would not apply to plans that allowed in-service distribution at ages younger than 62 (or 50 for public safety employees) or that did not satisfy one of the IRS’s safe harbors for in-service distribution. **As in prior restatements, GMEBS plans that currently have in-service distribution provisions that don’t meet these requirements will have the opportunity to file for separate IRS approval of these provisions.** “In-service distribution” means a distribution of normal or alternative normal retirement benefits without a bona fide separation from service. A “bona fide

SUMMARY OF KEY AMENDMENTS

separation from service” is a separation from service of at least six months with no expectation of returning to service.

- ❖ **Removal of Public Employment Related Crime Provisions** – At the request of the IRS, GMEBS removed language concerning the reduction or forfeiture of a participant’s benefits following a final conviction of a public employment related crime from the Basic Plan Document. State laws requiring a reduction in or forfeiture of retirement benefits if a participant is convicted of a public employment related crime still apply but are no longer mentioned in the Plan documents.
- ❖ **Clarification of Process for Locating an Individual Owed Benefits** – As required by the IRS, the restated Basic Plan Document details the steps an employer offering benefits under the DB Plan must take to locate an individual to whom benefits are owed under the Plan. These steps include searching Plan-related and publicly available records or directories for alternative contact information; sending certified mail to the individual’s last known mailing address and reaching out through appropriate means for address or contact information (such as email addresses and phone numbers) available to the employer; and using either a commercial locator service, a credit reporting agency or internet search tools to find the individual.
- ❖ **Federal Tax Law Updates** – The Basic Plan Document contains several federal tax law updates, including allowing rollovers to SIMPLE IRAs in certain situations, updating mortality table language relating to annual benefit limits, and allowing employers to amend the plan as necessary to satisfy Section 415 of the Internal Revenue Code, even if doing so impacts benefits.
- ❖ **Voting Representative; Trustees** – GMEBS updated language in the Basic Plan Document designating employers’ voting representative for GMEBS purposes to be consistent with the GMEBS Bylaws. The language provides that, unless otherwise directed by an employer’s chief executive, a GMEBS trustee will be considered his or her employer’s designated voting representative. For all other employers, the chief executive or administrative officer will be the employer’s voting representative.
- ❖ **Use of Trust Fund Assets** – The Basic Plan Document stipulates that trust fund assets can be used to pay reasonable fees, taxes and expenses of the Plan and Trust.
- ❖ **Reversion of Assets in Event of Plan Termination** – Per the request of the IRS, GMEBS amended the Basic Plan Document to state that, in the event an employer’s plan is terminated, excess trust fund assets remaining after paying all vested accrued benefits to all participants can only revert to the employer if the excess was due to an actuarial error.
- ❖ **Added Language to Adoption Agreement Regarding Compliance with Federal Law when an Employer Has More than One Defined Benefit Retirement Plan** – Per the request of the IRS, the Adoption Agreement contains a new Section 15(G) concerning Section 415(b) of the Internal Revenue Code, when an employer has more than one defined benefit retirement plan. This provision will be blank in most GMEBS employers’ Adoption Agreements.

SUMMARY OF KEY AMENDMENTS

- ❖ **Adjusted Minimum Ages for Commencement of Required Minimum Contributions** – The SECURE Act of 2019 and 2022’s SECURE 2.0 raised the age at which participants have to start drawing retirement benefits. These changes were not included in the restated Basic Plan Document reviewed by the IRS. However, on September 23, 2023, the Board of Trustees of GMEBS adopted Amendment 1 to the Restated Plan to implement these updates. Currently, a terminated vested participant must retire no later than the April 1 following the date the participant turns 73. Starting in 2033, a terminated vested participant must retire no later than the April 1 following the date the participant turns 75.

Dear Applicant:

In our opinion, the form of the plan shown above is acceptable for employers to use for their employees' benefit under Internal Revenue Code (IRC) Section 401.

We considered the changes in qualification requirements in the 2020 Cumulative List of Notice 2020-14, 2020-13 Internal Revenue Bulletin (I.R.B.) 555. Our opinion relates only to the acceptability of the form of the plan under the IRC. We didn't consider the effect of other federal or local statutes.

You must provide the following to each employer who adopts this plan:

- . A copy of this letter
- . A copy of the approved plan
- . Copies of any subsequent amendments including their dates of adoption
- . Direct contact information including address and telephone number of the plan provider

Our opinion of the plan's form acceptability is a determination of the plan's qualification as adopted by a particular employer only under the circumstances, and to the extent, described in Revenue Procedure (Rev. Proc.) 2017-41, 2017-29 I.R.B. 92. The employer who adopts this plan can generally rely on this letter to the extent described in Rev. Proc. 2017-41. Thus, Employee Plans Determinations, except as provided in Section 12 of Rev. Proc. 2023-4, 2023-01 I.R.B. 162 (as updated annually), will not issue a determination letter to an employer who adopts this plan. Review Rev. Proc. 2023-4 to determine if an adopting employer is eligible to submit a determination letter application and, if so, how. The employer must also follow the terms of the plan in operation.

Except as provided below, our opinion doesn't apply to the requirements of IRC Sections 401(a)(4), 401(a)(26), 401(l), 410(b), and 414(s). Our opinion doesn't apply to IRC Sections 415 and 416 if an employer maintains or ever maintained another qualified plan for one or more employees covered by this plan.

Our opinion doesn't apply to:

- . Treasury Regulations (Treas. Reg.) Section 1.401(a)-1(b)(2) requirements where the normal retirement age under the employer's plan is below 62.
- . Proposed Treas. Reg. 1.401(a)-1(b)(2) requirements where the employer's plan is a governmental plan and its normal retirement age doesn't satisfy one of the safe harbors under the proposed regulations.

Our opinion doesn't constitute a determination:

- . That the plan is an IRC Section 414(d) governmental plan. Nor is this a ruling as to the tax treatment of contributions that are picked up by the governmental employing unit per IRC Section 414(h)(2).
- . That the plan is an IRC Section 414(e) church plan.

A non-electing church plan may not rely on our opinion for rules governing pre-Employee Retirement Income Security Act (ERISA) participation and coverage.

Our opinion applies to the requirements of IRC Sections 410(b) and 401(a)(26) (other than the 401(a)(26) requirements that apply to a prior benefit structure) if 100% of all non-excludable employees benefit under the plan.

Employers who choose a safe harbor benefit formula and a safe harbor compensation definition may also rely on this opinion letter for the non-discriminatory amounts requirement under IRC Section 401(a)(4).

If this plan provides for voluntary employee contributions subject to IRC Section 401(m), the employer may rely on the opinion letter for the form of the nondiscrimination test of IRC Section 401(m)(2) if the employer uses a safe harbor compensation definition.

Except as provided in Section 5.18(2) of Rev. Proc. 2017-41, an employer who adopts a cash balance plan cannot rely on an opinion letter for the requirements of IRC Section 411(b)(1) where the cash balance formula uses a structure of principal credits that increase with age, service, or other measure during a participant's employment.

This opinion letter doesn't cover any provisions in trust or custodial account documents:

- . Trusts or custodial account documents can't contain a provision that the provisions of the trust override the provisions of the plan.
- . This plan's provisions override any conflicting provision in the trust or custodial account documents used with the plan.
- . An adopting employer may not rely on this letter to the extent a trust or custodial account's provisions in a separate part of the plan override or conflict with the plan document provisions.
- . This letter does not constitute a ruling or determination as to the exempt status of related trusts or custodial accounts under IRC Section 501(a).

An employer who adopts this plan may not rely on this letter when the employer:

- . Uses the plan to amend or restate a plan which wasn't previously qualified.
- . Adopts it before the opinion letter is issued.
- . Doesn't correctly complete the adoption agreement or other elective provisions in the plan.
- . Made amendments that cause the plan not to be considered identical to the pre-approved plan, as described in Section 8.03 of Rev. Proc. 2017-41.

Our opinion doesn't:

- . Apply to what is contained in any applicable documents referenced outside the plan or adoption agreement, such as a collective bargaining agreement.
- . Consider issues under ERISA Title I, which are administered by the Department of Labor.

You must include your address and telephone number on the pre-approved plan or the plan's adoption agreement, if applicable, so that adopting employers can contact you directly.

If you, the pre-approved plan provider, have questions about your case, you can:

- . Call the telephone number at the top of the first page of this letter. This number is only for the provider's use. Individual participants or adopting employers with questions about the plan should contact you.
 - . Write to us - provide your telephone number and the best time to call if we need more information.
- Whether you call or write, reference the letter serial number and file folder number at the top of the first page of this letter.

Let us know if you change or discontinue sponsorship of this plan.

Keep a copy of this letter for your records.

**TRUST AGREEMENT FOR THE
GEORGIA MUNICIPAL ASSOCIATION
DEFERRED COMPENSATION PLAN**

THIS TRUST AGREEMENT is made and entered into effective as of January 1, 2001, by and between the members of the Board of Trustees of the GMA Defined Contribution Plan and Deferred Compensation Program ("Trustees").

PRELIMINARY INFORMATION

The Georgia Municipal Association, Inc. ("GMA") has established the Georgia Municipal Association Deferred Compensation Plan ("Plan") for the exclusive benefit of Eligible Employees of Participating Employers. The authority to conduct the general investment operation and the general administration of the Plan is vested in the Trustees. The Trustees now desire to formalize the trust ("Trust") pursuant to this trust agreement ("Trust Agreement") to serve as the funding vehicle for the Plan.

GMA is the Administrator of the Plan and the Trust. The Trustees may contract with a Service Manager to perform delegated functions with respect to the Trust. If the Trustees contract with a Service Manager, the term "Administrator" herein includes the Service Manager with respect to those duties delegated to the Service Manager.

The Trustees shall maintain the plan for the exclusive benefit of the Participants. The Trustees intend to establish sound prudent practices designed to provide easy and convenient access to information and transactions for Participants, including transfers from one Investment Fund to another at the Participant's direction. The Trustees intend to establish these practices while maintaining a reasonable cost to the Participants. The Trustees intend to preserve employees' rights to choose freely among a broad range of Investment Funds and to self-direct their investments. Further, the Trustees intend to perform ongoing evaluations and reviews to ensure that the Investment Funds offered remain diversified, competitive and attractive to Participants. It is the Trustees' intent that the Trust be exempt under Sections 501(a) and 115 of the Internal Revenue Code of 1986, as amended.

ARTICLE I - TRUST ADMINISTRATION

I.1 Trust Fund. The Trustees shall receive and accept for the purposes hereof all property paid to them by or at the direction of the Participating Employers and shall hold, invest, reinvest, manage, administer and distribute property and the increments, proceeds, earnings and income thereof for the exclusive benefit of the Participants and Beneficiaries under the Plan. All assets held by the Trustees in the Trust are referred to herein as the "Trust Fund." The Trustees have authority to invest, in accordance with valid participant instructions, and manage the assets of the Trust Fund.

I.2 Exclusive Benefit Rule. No portion of the principal or the income of the Trust Fund shall revert to the Participating Employer, or ever be used for or diverted to any purpose other than for (i) the exclusive benefit of Participants in the Plan and persons claiming under or through them pursuant to the Plan and (ii) the payment of reasonable expenses of the Plan and this Trust. The Trustees shall administer the Trust in compliance with Code Section 503(b).

I.3 Trustee Standard. The Trustees and any other fiduciary shall discharge duties with respect to the Plan with the care, skill, and caution under the circumstances then prevailing which a prudent person acting in a like capacity and familiar with those matters would use in the conduct of an activity of like character and purpose and in accordance with a good-faith interpretation of the law governing the Plan.

I.4 Investment Policy. The Trustees shall adopt a statement of investment objectives and policies for the Plan. At least annually, the Trustees shall review the statement and change or reaffirm it.

I.5 Plan. All references in the Trust Agreement to the Plan shall mean the Georgia Municipal Association Deferred Compensation Plan. The Plan, as amended from time to time, is incorporated herein by reference, and the terms herein shall have the meanings attributed to them in the Plan.

I.6 Property. The word "property" used in the Trust Agreement shall be deemed to refer to any property, real or personal, or part interest therein, wherever situated, including, but without being limited to, preferred and common stocks, shares of investment companies, bonds, notes, debentures and mortgages, equipment trust certificates, investment trust certificates, interest in partnerships whether limited or general, or in any insurance contract, policy, annuity or other investment media offered by an insurance company.

I.7 Unclaimed Benefit Payments. If any check or share certificate in payment of a benefit hereunder, which has been mailed by regular United States first-class mail to the last address of the payee furnished to the Trustees by the Administrator, is returned unclaimed, the Trustees shall notify the Administrator and shall discontinue further payments to such payee until they receive the further instructions of the Administrator, subject to any applicable Unclaimed Property Act provisions.

I.8 Duty to Furnish Information. Both the Administrator and the Trustees shall furnish to each other any document, report, return, statement or other information that the other reasonably deems necessary to perform duties imposed under the Plan or the Trust Agreement or otherwise imposed by law.

ARTICLE II - DEPOSITS AND DISBURSEMENTS FROM THE TRUST FUND

II.1 Trust Deposits. The Trustees shall delegate to the Administrator the responsibility for accepting deposits to the Trust.

II.2 Trust Payments. The Trustees shall delegate to the Administrator the responsibility for making payments from the Trust Fund. Administrator shall make payments from the Trust Fund to Participants, their Beneficiaries and such other persons as the Plan may provide. Such payments shall be made in such manner, in such amounts and for such purposes, including the payment of Plan benefits and the payment of expenses of administration of the Plan, as may be specified in the Plan. The Administrator shall ensure that any payment directed under this Section conforms to the provisions of the Plan, the Trust Agreement, and the provisions of any applicable law. Payments from the Trust shall be made by check (or the check of an agent) or deposit to the order of the payee. Payments or other distributions hereunder may be mailed to the payee at the address last furnished to the Administrator. The Trustees shall not incur any liability or other damage on account of any payment or other distribution made by the Trust in accordance with this Section.

II.3 Allocation of Trust Expenses. The Trustees shall pay all expenses of the Trust from the Trust Fund. All expenses of the Trust which are allocable to a particular Investment Fund or Account may be allocated and charged to such Investment Fund or Account as determined by the Trustees. All expenses of the Trust which are not allocable to a particular Investment Fund or Account shall be charged to each such Investment Fund or Account in the manner established by the Trustees.

ARTICLE III - INVESTMENT FUNDS

The Trustees, in accordance with provisions of the Plan, may establish one (1) or more investment options within the Trust Fund, each option being hereinafter referred to as an "Investment Fund." The Trustees shall transfer to each such Investment Fund such portion of the assets of the Trust Fund as appropriate. The Trustees shall manage, acquire or dispose of the assets in an Investment Fund in accordance with valid specific investment directions given by the Participants. All income received with respect to, and all proceeds received from, the disposition of property held in an Investment Fund shall be credited to, and reinvested in, such Investment Fund. The Trustees shall establish a default investment option in the absence of valid Participant investment direction.

From time to time, the Trustees may eliminate an Investment Fund, and the proceeds thereof shall be reinvested in another Investment Fund in accordance with the directions of the Trustees.

ARTICLE IV - INVESTMENT IN INSURANCE CONTRACTS

The Trustees may offer one (1) or more Investment Funds pursuant to one (1) or more agreements with insurance companies qualified to do business in the State of Georgia. Any asset invested pursuant to such an agreement shall be held by the insurance company. Each insurance

company so selected shall certify the value of the Trust's interest in the property held by it at least annually. The Trustees shall be entitled to rely conclusively on such valuation for all purposes under the Trust Agreement.

ARTICLE V - INVESTMENT IN MUTUAL FUNDS

The Trustees may offer one (1) or more Investment Funds pursuant to one (1) or more agreements with companies offering mutual fund products. Any asset invested pursuant to such an agreement shall be held by the Trustees. Each mutual fund so selected shall certify the value of the Trust's interest in that fund at least annually. The Trustees shall be entitled to rely conclusively on such valuation for all purposes under the Trust Agreement.

ARTICLE VI - APPOINTMENT OF INVESTMENT MANAGERS

VI.1 Investment Managers. The Trustees, from time to time, may appoint one (1) or more independent investment managers ("Investment Manager"), pursuant to a written investment management agreement with each, describing the powers and duties of the Investment Manager to manage a particular Investment Fund. The Investment Manager shall have the power to direct the management, acquisition or disposition of any asset held in any Investment Fund for which it is responsible hereunder.

The Trustees shall be responsible for ascertaining that, while each Investment Manager is acting in that capacity hereunder, the following requirements are satisfied:

(a) The Investment Manager is either (i) registered as an investment adviser under the Investment Advisers Act of 1940, as amended; (ii) a bank as defined in that Act; or (iii) an insurance company qualified to perform the services described herein under the laws of more than one state.

(b) The Investment Manager has acknowledged in writing to the Trustees that it is a fiduciary with respect to the Plan.

VI.2 Investment Manager Duties. Subject to the approval of the Trustees, each Investment Manager shall establish and carry out an investment policy and method for the Investment Fund subject to its direction and management that is consistent with the objectives of the Fund. At least annually, the Investment Manager shall review its investment policy and method with the Trustees. The Investment Manager shall make investments consistent with its investment policy, any applicable law, and the cash requirements of the Fund, as advised by the Administrator.

Each Investment Manager shall, at the request of the Trustees, certify the value of any security or other property held in any Investment Fund managed by such Investment Manager at least annually. The Trustees shall be entitled to rely conclusively upon such valuation for all purposes under the Trust Agreement.

ARTICLE VII - POWERS AND DUTIES OF THE TRUSTEES

VII.1 Exercise of Powers and Authority. Except to the extent that the same has been delegated to an Investment Manager or Insurance Company with respect to an Investment Fund, the Trustees, in administering the Trust, shall have such power and authority (including discretion with respect to the exercise of that power and authority) as may be necessary, advisable, desirable or convenient to the Trustees, in their sole discretion, subject to the provisions of this Trust Agreement, including the power and authority:

- (a) To serve as trustees and fiduciaries of the Plan;
- (b) To adopt bylaws governing the Trustees' operations and procedures, with the by-laws and amendments to such by-laws being recommended and submitted to the GMA Board of Directors for approval;
- (c) To contract with municipal corporations, political subdivisions and other public entities of this State or of local government and private entities for the provision of Plan services and for the use or furnishing of services and facilities necessary, useful, or incident to providing Plan services;
- (d) To contract with public or private entities for the provision of administrative services;
- (e) To adopt plans, trust agreements, investment guidelines and other documents necessary or desirable for the Plan;
- (f) To charge fees for administrative services in addition to any fees charged by a Service Provider;
- (g) To collect and disburse all funds due or payable under the Plan;
- (h) To provide for and promulgate all rules, regulations, and forms deemed necessary or desirable in contracting with Employers and Participants, in fulfilling the Trustees' purposes of providing Plan benefits, and in maintaining proper records and accounts;
- (i) To expend funds as budgeted by the Board, subject to the approval of the GMA Board of Directors with respect to GMA funds for the purchase of fidelity and surety bonds and liability insurance for the protection and indemnification of the Trustees in the performance of their duties;
- (j) To allocate and pay the reasonable expenses of the Plan and the Trustees while in the performance of their duties as budgeted by the Board, subject to the approval of the GMA Board of Directors with respect to GMA funds;

The five-year holding period is the period of five consecutive taxable years that begins with the first day of the first taxable year in which the Participant makes a Roth Contribution under the Plan or to another retirement plan which amount was directly rolled over to the Plan, and ends when five consecutive taxable years have been completed. [AS AMENDED JUNE 27, 2016; EFFECTIVE AS OF JUNE 27, 2016]

1.34. "**Service Manager**" means the person or organization appointed by the Trustees to perform service and administrative functions delegated by the Trustees.

1.35. "**Severance from Employment**" means the date that the Employee dies, retires, or otherwise has a severance from employment with the Employer. A Participant shall be deemed to have severed employment with the Participating Employer for purposes of the Plan when, in accordance with the established personnel practices of the Participating Employer, the employment relationship is considered actually terminated. If a Participant has not been terminated, but the Participant has not performed services for the Participating Employer for a period of six (6) consecutive months and the Participant is not on a paid leave of absence, the Participant shall be deemed Severed from Employment for purposes of this Plan at the end of the six (6) month period.

1.36. "State" means the State of Georgia.

1.37. "Trust" means the trust established by the Trustees pursuant to a written agreement that constitutes a valid trust under the law of Georgia.

1.38. "Trustees" mean the Board of Trustees of the GMA Defined Contribution and Deferred Compensation Program, which Trustees are appointed by the Board of Directors of GMA.

1.39. "Vesting" means that a benefit of the Participant is no longer subject to a substantial risk of forfeiture in accordance with Code Section 457.

1.40. **Rules of Construction.** Words used herein in the masculine gender shall be construed to include the feminine gender where appropriate, and words used herein in the singular or plural shall be construed as being in the plural or singular where appropriate.

ARTICLE II - PARTICIPATION BY EMPLOYERS

2.1. **Adoption by Employer.** Any Employer may make the Plan available to its Employees if it takes the following actions.

(a) The Governing Authority of the Employer must pass a resolution formally adopting this Plan for its Employees and approving the Adoption Agreement.

(b) The resolution must indicate the date of adoption.

(c) The resolution must commit to the terms of an Adoption Agreement completed by the Employer.

(d) The resolution must specify that the Employer shall abide by the terms of the Plan and the Trust, including all investments, administrative, and service agreements of the Plan, and all applicable provisions of the Code and other applicable law.

(e) The resolution must acknowledge that the Trustees are only responsible for the Plan and have no responsibility for other employee benefit plans maintained by the Employer that are not part of the GMA Defined Contribution and Deferred Compensation Program.

The Trustees shall determine whether the resolution complies with this Section. If it does, and provided the other requirements of the Plan and Trust are met, the Trustees shall provide appropriate forms for the Employer to implement its participation in the Plan.

2.2. **Other 457(b) Plan Participation.** Employers whose Employees are already participating in a deferred compensation plan under Code Section 457(b) as of the effective date of the Adoption Agreement must inform the Administrator of the name of and the provider of that plan and must provide any other information requested by the Administrator. Upon reasonable request by the Participating Employer, the Administrator shall provide an Employer with information reasonably necessary to comply with the applicable deferral limits under the Plan, as detailed under Article VI.

All eligible plans of a Participating Employer (including all investments offered by vendors through a 457(b) arrangement) are considered to be a single plan for purposes of compliance with Code Section 457(b). The Participating Employer will be responsible for ensuring that all of its arrangements, treated as a single plan, comply with the applicable requirements of Code Section 457 and Regulations, including, but not limited to, the coordination of limitations on Annual Deferrals (including the basic limit, age 50 catch-up limit, and special 457 catch-up limit under Article VI), corrections of excess deferrals (Section 6.7), and plan-to-plan transfers (Article XVIII).

2.3. Remittance of Contributions. All amounts of Compensation deferred under the Plan shall be transferred by the Participating Employers to the Trust within a period that is reasonable for the proper administration of the Plan, as described in this Section. Contributions shall first be remitted to the Trust only after the Employer's Adoption Agreement is approved by the Trustees. Upon approval of the Adoption Agreement, the Trustees shall specify the date contributions are to commence. In no event shall contributions under the Plan be transferred by the Participating Employer to the Trust later than fifteen (15) business days after the Payroll Period specified in the Adoption Agreement or after the end of the Plan Year with respect to Employer Contributions made on a Plan Year basis.

2.4. Delinquent Contributions. It is the Participating Employer's responsibility to correctly calculate and remit the appropriate contributions. The Administrator reserves the right to give notice to the highest elected official, the designated representative of the Employer and/or the Eligible Employees of the delinquent Participating Employer in the event it comes to the Administrator's attention that contributions are not being remitted in a timely manner.

Neither GMA, the Trustees, nor the Administrator have any liability for the delinquency of a Participating Employer.

ARTICLE III - ELIGIBLE EMPLOYEE PARTICIPATION

3.1. Participation Procedure. Only Eligible Employees as defined by the Adoption Agreement may be Participants in the Plan. The Administrator shall prescribe the enrollment form for Eligible Employees to become Participants.

3.2. Cessation of Plan Participation. An Eligible Employee shall cease to be a Participant on the distribution and/or forfeiture of the Participant's entire interest in the Plan.

ARTICLE IV - ELECTION TO DEFER COMPENSATION

4.1. Participation and Deferral Election Rules.

(a) **Generally.** A portion of an Employee's Compensation shall be deferred for any calendar month only if the Employee enters into a Participation Agreement prior to the beginning of the month in which the compensation is paid or made available. Upon signing a Participation Agreement, an Employee agrees to have Compensation for each pay period deferred by the amount specified in the Participation Agreement. Provided, however, a new Employee may defer Compensation payable in the calendar month during which the Participant first becomes an

Employee if the Employee enters into a Participation Agreement providing for the deferral on or before the first day on which the Participant performs services for the Employer.

(b) Election Required for Participation. An Employee may elect to become a Participant by executing a Participation Agreement to defer a portion of his or her Compensation (and have that amount contributed as an Annual Deferral on his or her behalf) and filing it with the Administrator. Effective as of on or after July 1, 2016, if an Employer completes an Addendum to its Adoption Agreement to permit Roth Contributions, and effective on or after October 1, 2022, regardless of whether an Employer completes an Addendum to its Adoption Agreement to permit Roth Contributions, a Participant Agreement completed by an Employee must designate whether the amounts are to be contributed as pre-tax Employee Contributions or after-tax Roth Contributions. If the Employee fails to designate whether Annual Deferrals are pre-tax Employee Contributions or after-tax Roth Contributions, the Employee will be deemed to have designated his or her Annual Deferrals as pre-tax Employee Contributions. This participation election shall be made on the Participation Agreement provided by the Administrator under which the Employee agrees to be bound by all the terms and conditions of the Plan. The participation election (whether on one form or multiple forms) shall also include designation of investment funds and a designation of Beneficiary. An Employee shall become a Participant as soon as administratively practicable following the date the Employee files a Participation Agreement. Any such election shall remain in effect until a new election is filed. **[AS AMENDED JUNE 27, 2016; EFFECTIVE AS OF JULY 1, 2016; EFFECTIVE AS OF OCTOBER 1, 2022]**

The Employer is responsible for distributing any and all applicable notices to Eligible Employees regarding establishment of a Roth Contribution Account and an Eligible Employee's rights and responsibilities thereunder. The Employer is responsible for implementing Roth Contributions following an Eligible Employee's election to make Roth Contributions under the Plan, including but not limited to withholding applicable after-tax Roth Contributions, remitting said Roth Contributions to the Service Manager and providing the Service Manager with information necessary to establish accounts for Eligible Employees making Roth Contributions or receiving Rollovers of Roth Contributions. [EFFECTIVE AS OF OCTOBER 1, 2022]

Automatic Enrollment. Effective as of September 1, 2016, if an Employer has completed an Addendum to its Adoption Agreement to add an automatic enrollment feature, the following provisions shall apply. If an Employee does not otherwise elect to defer a portion of (or none of) his or her Compensation upon his or her first day of employment or, if later, by 10 days prior to the end of the first pay period ending after the date on which he or she is first eligible to participate in the Plan, provided he or she is notified of his or her rights and obligations under these automatic enrollment provisions, he or she shall be deemed to have entered into a Participation Agreement to establish an automatic contribution arrangement with his or her Participating Employer to make pre-tax Employee Contributions in an amount equal to the percentage of his or her Compensation established in the Employer's Addendum to the Adoption Agreement establishing the automatic enrollment feature, effective as of the first payroll period ending on or after the Employee's employment date, or as soon as administratively feasible thereafter. The percentage of Compensation designated in the Addendum to the

Adoption Agreement for this purpose shall be no less than 3%. Contributions made pursuant to these automatic enrollment provisions shall be designated as pre-tax Employee Contributions only and shall not constitute after-tax Roth Contributions. The Participating Employer shall provide any notices to Participants in conjunction with such automatic contribution arrangement as may be required. The Administrator shall specify the manner in which a declination to make pre-tax Employee Contributions pursuant to this paragraph may be made.

A Participant may at any time affirmatively elect, in accordance with the provisions of this Section 4.1 governing Participant elections, to make pre-tax Employee Contributions at a different rate, to make after-tax Roth Contributions at a rate designated by the Participant, or both, or to make no pre-tax Employee Contributions or after-tax Roth Contributions. A Participant who makes such an affirmation election shall no longer be subject to the automatic contribution arrangement. ~~The Participating Employer shall provide any notices to Participants in conjunction with such automatic enrollment as may be required. The Administrator shall specify the manner in which a declination to make pre-tax Employee Contributions pursuant to this paragraph may be made.~~

A Participant who is automatically enrolled in the Plan pursuant to these automatic enrollment provisions may subsequently elect in writing on an Application Form ~~a Participation Agreement~~ to opt out of the Plan and withdraw his or her pre-tax Employee Contributions made to date (adjusted for allocable gains and losses) pursuant to this Section 4.1. Such an election must be made no later than ninety (90) days after the date the first deferral is made and will be effective no later than the earlier of: (i) the pay date for the second payroll period that begins after the date the election is made and (ii) the first pay date that occurs at least thirty (30) days after the election is made. The amount of the withdrawal shall be includible in the Participant's gross income for the taxable year in which the distribution is made. [AS AMENDED JUNE 27, 2016, AND SEPTEMBER 30, 2016]

(c) Deferral of Accumulated Sick Pay, Vacation Pay, or Back Pay. In general, an Employee may make a separate election to defer accumulated sick pay, vacation pay or back pay only if the Employee enters into a Participation Agreement prior to the beginning of the month in which such amounts would otherwise be paid or made available to the Employee and the participant is an Employee in that month. However, if an Eligible Employee is retiring or otherwise having a Severance from Employment during a month, the Eligible Employee may elect to defer accumulated sick pay, vacation pay or back pay if such amounts would otherwise be paid or made available before the Employee has a Severance from Employment and the Employee enters into a Participation Agreement providing for deferral of such amounts prior to the date such amounts would be paid. This paragraph shall apply only to the extent the Participant is entitled to receive a cash payment from the Participating Employer for accumulated sick pay, vacation pay, or back pay. This paragraph shall not be interpreted to establish any entitlement to sick pay, vacation pay, or back pay, not otherwise available under the Participating Employer's policies, rules, and procedures.

4.2. Amendment of Annual Deferrals Election. Subject to other provisions of the Plan, a Participant may at any time revise his or her participation election, including a change of

the amount of his or her Annual Deferrals, his or her investment direction and his or her designated Beneficiary, on an Applicable Form in accordance with procedures established by the Administrator. Unless the election specifies a later effective date, a change in the amount of the Annual Deferrals shall take effect as of the first day of the next following month in which the compensation is paid or made available or as soon as administratively practicable if later. A change in the investment direction shall take effect as of the date provided by the Administrator on a uniform basis for all Employees. A change in the Beneficiary designation shall take effect when the election is accepted by the Administrator.

4.3. Information Provided by the Participant. Each Employee enrolling in the Plan should provide to the Administrator at the time of initial enrollment, and later if there are any changes, any information necessary or advisable for the Administrator to administer the plan, including, without limitation, whether the Employee is a participant in any other eligible plan under Code section 457(b).

4.4. Effective Date of Deferrals. In all cases, a deferral shall be considered effective as of the date the Employer withholds the Annual Deferral from the Participant's pay.

ARTICLE V - EMPLOYER CONTRIBUTIONS

5.1. Employer Contributions. Effective June 1, 2004, a Participating Employer may provide for Employer Matching and/or Non-Matching Contributions to the Plan by completing an Addendum to its Adoption Agreement to implement such contributions. Employer Contributions shall be made to the Plan in accordance with this Article, Article VI, the Adoption Agreement, and said Addendum.

(a) **Additional Eligibility Requirements.** A Participating Employer may prescribe under the Addendum a minimum number of hours that an Employee must be scheduled and normally work in order to receive an allocation of Employer Contributions under the Plan. It is the Participating Employer's responsibility to monitor this requirement and to report to the Administrator a change in Employee eligibility. Additionally, a Participating Employer may establish under the Addendum a waiting period before an Eligible Employee may become eligible to receive an Employer Contribution under the Plan. The waiting period may consist of a minimum period of service (not more than twelve (12) months), and the Employer may choose whether to give credit for service prior to adoption of the Plan and whether to add together different periods of service, or the Employer may specify a different waiting period.

(b) **Designation of Type of Contribution.** A Participating Employer shall specify in the Addendum whether it will make Matching Contributions and/or non-Matching Contributions. Matching Contributions shall be made to match all or a portion of the Participant's Compensation deferred under the Plan, in accordance with the formula and method specified by the Participating Employer in the Addendum. Non-Matching Contributions are not tied to Participant contributions to the Plan and shall be made in accordance with the formula and method specified by the Participating Employer in the Addendum.

(c) **Effective Date of Addendum.** The Addendum establishing the amount and method of calculating contributions continues in effect from Plan Year to Plan Year until

amended or repealed by the Governing Authority or until the Participating Employer's participation in the Plan is terminated.

(d) **Investment Options.** Unless otherwise directed by the Participant, in accordance with procedures established by the Service Manager, Employer Matching and/or Non-Matching Contributions shall be invested in the same manner as the Participant's Employee Contribution Account.

5.2. Matching Contributions. If the Addendum provides for Matching Contributions, the Governing Authority shall determine and specify in the Addendum the formula for calculating the Matching Contributions, which may be all or a specified portion of a Participant's Compensation, to the extent deferred to the Plan. The Employer may calculate matching contributions based on (i) a percentage of the Compensation deferred by the Employee to the Plan, with no cap, a flat dollar cap, or a cap equal to a percentage of Compensation, (ii) a flat dollar match per payroll period, or (iii) any other specified formula in the Addendum.

5.3. Eligibility for Matching Contributions.

(a) In the Addendum, the Participating Employer may establish different classes of Participants who are eligible or ineligible to receive Matching Contributions. The Employer may also establish different Matching Contribution amounts or formulas applicable to different classes of Eligible Employees. If the Addendum provides for Matching Contributions, a Participant shall be eligible for Matching Contributions for any Payroll Period only if the Participant meets the conditions set forth in the Adoption Agreement and Addendum.

(b) In no event shall a Participant receive any Matching Contributions for any Payroll Period for which the Participant does not have an effective payroll deferral to the Plan for that Payroll Period.

5.4. Non-Matching Contributions. If the Addendum provides for Non-Matching Contributions, the Governing Authority shall determine and specify in the Addendum the formula for calculating the Non-Matching Contributions, which may be a fixed amount or a specified portion of a Participant's Compensation. The Employer may make Non-Matching Contributions as (i) a one-time year end contribution (either a flat dollar amount or percentage of Compensation), (ii) a percentage or flat dollar amount per payroll period, or (iii) any other specified formula in the Addendum.

5.5. Eligibility for Non-Matching Contributions. In the Addendum, the Participating Employer may establish different classes of Participants who are eligible or ineligible to receive Non-Matching Contributions. The Employer may also establish different Non-Matching Contribution amounts or formulas applicable to different classes of Eligible Employees. If the Addendum to the Adoption Agreement provides for Employer Non-Matching Contributions, a Participant shall be eligible for Non-Matching Contributions only if the Participant meets the conditions set forth in the Adoption Agreement and Addendum.

5.6. Changes in Employer Contributions. A Participating Employer may adjust the amount or method of Employer Contributions throughout the Plan Year by adopting a resolution to amend its Adoption Agreement and/or Addendum in accordance with Section 21.3. The

resolution must be sent to the Administrator. The Trustees must approve or disapprove the amendment and, if approved, establish the effective date of any change to the Employer Contributions.

ARTICLE VI - LIMITATIONS ON DEFERRALS

6.1. Basic Annual Limitation. The maximum amount of the Annual Deferral under the Plan for any calendar year shall not exceed the lesser of (i) the Applicable Dollar Amount, or (ii) the Participant's Includible Compensation for the calendar year. The Applicable Dollar Amount is the amount established under Section 457(e)(15) of the Code applicable as set forth below:

<u>For the Following Years:</u>	<u>The Applicable Dollar Amount is:</u>
2002	\$11,000
2003	\$12,000
2004	\$13,000
2005	\$14,000
2006 or thereafter	\$15,000 Adjusted for cost-of-living after 2006 to the extent provided under Section 415(d) of the Code

For purposes of this limit, all eligible 457(b) deferred compensation plans offered by a Participating Employer are treated as a single plan.

6.2. Age 50 Catch-Up Annual Deferral Contributions. A Participant who will attain age fifty (50) or more by the end of the calendar year is permitted to elect an additional amount of Annual Deferrals, up to the maximum age 50 catch-up Annual Deferrals for the year. The maximum dollar amount of the age 50 catch-up Annual Deferrals for a year is as follows:

<u>For the following years:</u>	<u>The maximum age 50 catch-up dollar amount is:</u>
2003	\$2,000
2004	\$3,000
2005	\$4,000
2006	\$5,000
Thereafter	Adjusted for cost-of-living after 2006 to the extent provided under the Code.

6.3. Special Section 457 Catch-Up Limitation. If the applicable year is one of a Participant's last 3 calendar years ending before the year in which the Participant attains Normal Retirement Age and the amount determined under this Section 6.3 exceeds the amount computed under Sections 6.1 and 6.2, then the Annual Deferral limit under this Article V shall be the lesser of:

(a) An amount equal to 2 times the Section 6.1 Applicable Dollar Amount for such year; or

(b) The sum of:

(1) An amount equal to (A) the aggregate Section 6.1 limit for the current year plus each prior calendar year beginning after December 31, 2001 during which the Participant was an Employee under the Plan, minus (B) the aggregate amount of Compensation that the Participant deferred under the Plan during such years, plus

(2) An amount equal to (A) the aggregate limit referred to in section 457(b)(2) of the Code for each prior calendar year beginning after December 31, 1978 and before January 1, 2002 during which the Participant was an Employee under the Plan (determined without regard to Sections 6.2 and 6.3), minus (B) the aggregate contributions to Pre-2002 Coordination Plans for such years.

However, in no event can the deferred amount be more than the Participant's Compensation for the year.

6.4. Coordination of Limits.

(a) Participant Covered By More Than One Eligible Plan. If the Participant is or has been a participant in one or more other eligible plans within the meaning of section 457(b) of the Code, then this Plan and all such other plans shall be considered as one plan for purposes of applying the foregoing limitations of this Article VI. For this purpose, the Administrator shall take into account any other such eligible plan maintained by the Employer for which the Administrator receives from the Employer sufficient information concerning such plan, and shall also take into account any other such eligible plan for which the Administrator receives from the Participant sufficient information concerning his or her participation in such other plan. However, the Participating Employer is responsible for monitoring Annual Deferrals to the Plan and directing the distribution of any excess Annual Deferrals. See Sections 6.5 and 6.7.

(b) Pre-Participation Years. In applying Section 6.3, a year shall be taken into account only if (i) the Participant was eligible to participate in the Plan during all or a portion of the year and (ii) Compensation deferred, if any, under the Plan during the year was subject to the Basic Annual Limitation described in Section 6.1 or any other plan ceiling required by section 457(b) of the Code.

(c) Pre-2002 Coordination Years. For purposes of Section 5.3(b)(2)(B), "contributions to Pre-2002 Coordination Plans" means any employer contribution, salary reduction or elective contribution under any other eligible Code section 457(b) plan, or a salary reduction or elective contribution under any Code section 401(k) qualified cash or deferred arrangement, Code section 402(h)(1)(B) simplified employee pension (SARSEP), Code section 403(b) annuity contract, and Code section 408(p) simple retirement account, or under any plan for which a deduction is allowed because of a contribution to an organization described in section 501(c)(18) of the Code, including plans, arrangements or accounts maintained by the Employer or any employer for whom the Participant performed services. However, the contributions for any calendar year are only taken into account for purposes of

Section 5.3(b)(2)(B) to the extent that the total of such contributions does not exceed the aggregate limit referred to in section 457(b)(2) of the Code for that year.

(d) Current Rule. For 2002 and thereafter, any amounts contributed by the Participant to a tax-sheltered annuity pursuant to Section 403(b) or to a 401(k) plan pursuant to Code Section 402(e)(3) shall not reduce the maximum Annual Deferrals under Sections 6.1, 6.2, and 6.3.

(e) Coordination Responsibility. The Participant is responsible for ensuring coordination of and compliance with the individual limit under Code § 457(c), in the case of eligible plans of different employers.

6.5. Participating Employer Responsibility for Contribution Limits. The Participating Employer must monitor Annual Deferrals to the Plan on behalf of a Participant to this Plan and any other 457(b) plan maintained by the Participating Employer to determine compliance with the Annual Deferral limitations under this Article. The Participating Employer must cease payroll deferrals to avoid exceeding the Annual Deferral limits and must notify the Administrator if excess deferrals have been made. Upon reasonable request by a Participating Employer, the Administrator will provide a Participating Employer any information reasonably necessary to comply with these Annual Deferral limits. Additionally, upon reasonable request by a Participating Employer, the Administrator shall provide information needed by the Employer for the Employer to complete tax returns for employees.

6.6. Employer Contribution Limits. If the Employer agrees to make contributions to the Plan on behalf of a Participant under Article V pursuant to an Addendum to the Employer's Adoption Agreement, the Employer Contributions shall be deemed Annual Deferrals made by the Participant. For purposes of this Article, Employer Contributions shall be processed as payroll deferrals, shall apply toward the maximum Annual Deferral limits in the taxable year that they vest, and must comply with any procedure established by the Administrator.

6.7. Correction of Excess Deferrals.

(a) Excess Deferrals with Single Plan. If the Annual Deferral on behalf of a Participant for any calendar year exceeds the limitations described above (other than the individual limit of Code Section § 457(c)), when this Plan is the only eligible plan offered by a Participating Employer, then the Annual Deferral, to the extent in excess of the applicable limitation (adjusted for any income or loss in value, if any, allocable thereto), shall be distributed to the Participant.

(b) Excess Deferrals with Multiple Plans. If the Annual Deferral on behalf of a Participant for any calendar year exceeds the limitations described above (other than the individual limit of Code Section § 457(c)) when combined with other amounts deferred by the Participant under another eligible deferred compensation plan under section 457(b) of the Code, then the Participating Employer shall instruct the Administrator as to whether the Annual Deferral, to the extent in excess of the applicable limitation (adjusted for any income or loss in value, if any, allocable thereto) should be distributed from this Plan. If directed by the Employer, the excess deferrals shall be distributed from this Plan even if there would be no

excess if only Annual Deferrals to this Plan were taken into account. Upon reasonable request by the Participating Employer, the Administrator will provide the Participating Employer any information reasonably necessary to comply with these responsibilities.

(c) Individual Limit. If Annual Deferrals are in excess of the individual limit of Code Section § 457(c), the Administrator may distribute excess deferrals at the direction of the Participant.

(d) Employee Contributions and Roth Contributions. If a Participant who made both pre-tax Employee Contributions and Roth Contributions for a calendar year has excess amounts for that year, the excess Annual Deferrals will be distributed out of the Roth Contribution Account unless the Participant elects instead to have the excess Annual Deferrals distributed out of the Employee Contribution Account. [AS AMENDED JUNE 27, 2016; EFFECTIVE AS OF JUNE 27, 2016]

6.8. Disregard Excess Deferral. For purposes of Sections 6.1, 6.2, and 6.3, an individual is treated as not having deferred compensation under a plan for a prior taxable year to the extent excess deferrals under the plan are distributed, as described in Section 6.7. To the extent that the combined deferrals for pre-2002 years exceeded the maximum deferral limitations, the amount is treated as an excess deferral for those prior years.

ARTICLE VII - VESTING STANDARDS

7.1. Employee Contributions. A Participant shall be 100% Vested in the Participant's Annual Deferrals made pursuant to Article IV, and in the Participant's transferred amounts under Article XVIII, at all times. A Participant shall also be 100% Vested in the Participant's Rollover Account at all times.

7.2. Employer Contributions. A Participant shall Vest in the Matching and/or Non-Matching Contributions made pursuant to Article V pursuant to the schedule elected by the Participating Employer in the Addendum to the Adoption Agreement. If a vesting schedule is selected by the Employer, it is the Employer's responsibility to calculate the Eligible Employee's service and report it to the Administrator. Unless otherwise specified in the Addendum, in calculating the vesting period, service means the number of years and complete months of service of a Participant as an Eligible Employee of the Employer, and the Participant's service begins with the first day of employment as a Eligible Employee. A Participating Employer may elect from the following types of vesting schedules, and may elect different vesting schedules for Matching and Non-Matching Contributions.

- (a) Immediate Vesting.
- (b) Cliff Vesting (100% vesting after a specified number of years of service).
- (c) Graduated Vesting (a specified percentage vested for each completed Year of Service, not to exceed five (5) years).

For cliff or graduated vesting, the Participating Employer may elect in the Addendum whether to give credit for service prior to adoption of the Plan and whether to add together different periods of employment.

7.3. Forfeitures. If a Participant has a Severance from Employment, the Participant's non-vested Employer Matching Contributions and/or non-vested Employer Non-Matching Contributions shall be forfeited as of the date of the Participant's Severance from Employment. The Employer is responsible for reporting forfeitures to the Administrator when they occur.

ARTICLE VIII - ACCOUNTS AND REPORTS

8.1. Account. The Administrator shall maintain applicable Accounts within the Participant's Account with respect to each Participant: the Employee Contribution Account, the Roth Contribution Account, the Employer Contribution Account, and the Rollover Account. The Employee Contribution Account shall be credited with the Participant's pre-tax Annual Deferrals for each Payroll Period and with amounts that are transferred to the Participant's Account under Article XVIII. The Roth Contribution Account shall be credited with the Participant's Roth Contributions and any amount rolled over by a Participant under Section 16.3. The Administrator may establish an Employer Matching Contribution Account and an Employer Non-Matching Contribution Account, consistent with the Participating Employer's elections in the Addendum to the Adoption Agreement. If established, the Employer Matching Contribution Account shall be credited with the Participant's Employer Matching Contributions for each Payroll Period and the Employer Non-Matching Contribution Account shall be credited with the Participant's Employer Non-Matching Contributions for each designated period (pursuant to the Addendum to the Adoption Agreement). If the Administrator does not establish these accounts, Employer Contributions shall be credited to the Employer Contribution Account. The balance of the Participant's Accounts shall be adjusted daily to reflect any distribution to the Participant and all interest, dividends, account charges and changes of market value resulting from the investment of the Participant's Accounts. All Plan records, including individual account information, that are maintained by the Service Manager shall be the exclusive property of the Administrator. The Administrator may prescribe such minimum deposits to Participant's Accounts and each investment option for the Participant as it deems appropriate.

Contributions and withdrawals of Roth Contributions will be credited and debited to the Roth Contribution Account maintained for a Participant. The Plan will maintain a record of the amount of Roth Contributions in each Participant's Account. Gains, losses, and other credits or charges must be separately allocated on a reasonable and consistent basis to a Participant Roth Contribution Account and the Participant's other accounts under the Plan. No contributions other than Roth Contributions and properly attributable earnings will be credited to each Participant's Roth Contribution Account. [AS AMENDED JUNE 27, 2016; EFFECTIVE AS OF JUNE 27, 2016]

8.2. Statements of Account. A written report of the status of each Participant's Account shall be furnished to the Participant by the Administrator within thirty (30) days after the end of each Plan quarter. All reports to Participants shall be based on the fair market value of investments credited to their Accounts as of the reporting dates. Participant reports shall be deemed to have been accepted by the Participant as correct unless written notice to the contrary

is received by the Administrator within ninety (90) days after the mailing or distribution of a report to the Participant.

8.3. Year End Reports. Within ninety (90) days after the end of each Plan Year, a written report shall be prepared and maintained on file by the Administrator showing the assets held under the Plan, a schedule of all receipts and disbursements and all material transactions of the Plan during the preceding year. This report shall be in a form and shall contain other information as the Administrator requires. The report shall also contain such information as is necessary to enable the Trustees to prepare their accounting due under the Trust.

ARTICLE IX - VALUATION OF ACCOUNTS

9.1. Valuation. The Administrator shall value the investments each business day based on acceptable industry practices. All daily transactions shall be based on that day's closing market values.

9.2. Deposits. In all cases, deposits of contributions shall be treated as actually made only as of the date the funds are accepted as in good order by the Administrator.

9.3. Report from Administrator to Trustees. The Administrator shall provide a report to the Trustees concerning the valuation of Accounts within forty-five (45) days after the end of each calendar quarter.

ARTICLE X - TRUST

10.1. Trust Status. All assets held in connection with the Plan, including all contributions and amounts of compensation deferred pursuant to the Plan, all property and rights acquired or purchased with such amounts and all income attributable to such amounts, property or rights shall be held in trust for the exclusive benefit of Participants and their Beneficiaries under the Plan. No part of the assets and income of the Plan shall be used for, or diverted to, purposes other than for the exclusive benefit of Participants and their Beneficiaries and for defraying reasonable expenses of the Plan.

10.2. Trust Fund. To the extent required by Section 457(g) of the Code, all amounts of compensation deferred pursuant to the Plan, all property and rights acquired or purchased with such amounts and all income attributable to such amounts, property or rights held as part of the Plan shall be held, managed, invested and distributed as part of the Trust Fund in accordance with the provisions of the Plan and the Trust Agreement. The Trustees intend to establish one or more default options based upon various factors, including but not limited to, market risk, stability and rate of return. If a lump sum distribution to be made under this Section is greater than \$1,000 and it is an eligible rollover distribution, and if the recipient of the distribution does not elect to have the distribution paid directly to an eligible retirement plan specified by the recipient in a direct rollover or does not elect to receive the distribution directly then the Administrator will pay the distribution in a direct rollover to an individual retirement plan designated by the Administrator. **[AS AMENDED MARCH 31, 2021; EFFECTIVE AS OF MARCH 31, 2021]**

(b) A Participant shall have the right to designate at least one primary and contingent Beneficiary and to indicate whether the Beneficiaries in each class are to share equally or according to specified percentages. A contingent Beneficiary shall receive benefit payments only if there is no surviving primary Beneficiary.

(c) If the Participant dies without a valid Beneficiary form on file for this Plan and he or she is a participant in the GMA Defined Contribution Plan, the Participant's Beneficiary or Beneficiaries for purposes of the GMA Defined Contribution Plan, if any, shall be the Participant's Beneficiary or Beneficiaries under this Plan. If the Participant dies without a valid Beneficiary form on file for this Plan or for the GMA Defined Contribution Plan, the benefit payments shall be made to the Participant's surviving spouse, in which case the Participant's surviving spouse shall be the designated Beneficiary under the Plan. If there is no surviving spouse, then the benefit shall be paid to the Participant's estate in a lump sum. In the event of the death of a Beneficiary, after the Beneficiary has become entitled to receive benefits, the remaining benefits shall be paid to the estate of the Beneficiary in a lump sum.

(d) The Beneficiary designation may be changed by the Participant in writing on the Applicable Form at any time prior to Retirement. Only the last designation of a Beneficiary prior to Retirement shall have effect, and any new designation of a Beneficiary invalidates, supersedes, and revokes any prior designation, provided it is made on an Applicable Form signed by the Participant and received and accepted by the Administrator. Notwithstanding any provision to the contrary, a Beneficiary designation for this Plan shall control distribution of benefits payable under this Plan over a subsequent Beneficiary designation for the GMA Defined Contribution Plan. [AS AMENDED JUNE 27, 2016; EFFECTIVE AS OF JUNE 27, 2016]

12.4. Voluntary In-Service Distribution. A Participant who is an active employee of a Participating Employer may elect to receive a distribution of the Participant's entire Account under the Plan before a Severance from Employment if the following requirements are met:

(2) The Participant has not previously received an in-service distribution of the Participant's Account, and

This election must be made in accordance with the procedures established by the Administrator.

12.5. Unforeseeable Emergency Distributions. Notwithstanding any other provision herein and subject to guidelines and requirements set forth in procedures established by the Administrator, if a Participant or Beneficiary has an unforeseeable emergency before Severance from Employment, the Participant may elect to receive a lump sum distribution equal to the amount requested or, if less, the maximum amount determined under the Administrator's procedures to be permitted to be distributed under this Section.

(a) Procedures. The Administrator shall establish procedures to review and approve or deny all requests for an unforeseeable emergency distribution. If the application for payment is approved by the Administrator, payment shall be effected as soon as practicable thereafter.

(b) Unforeseeable Emergency Defined. An unforeseeable emergency is defined as a severe financial hardship of the Participant resulting from: an illness or accident of the Participant, the Participant's spouse, or the Participant's dependent (as defined in section 152(a)); loss of the Participant's property due to casualty (including the need to rebuild a home following damage to a home not otherwise covered by homeowner's insurance, e.g., as a result of a natural disaster); the need to pay for the funeral expenses of the Participant's spouse or dependent (as defined in section 152(a) of the Code); or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the Participant. For example, the imminent foreclosure of or eviction from the Participant's primary residence may constitute an unforeseeable emergency. In addition, the need to pay for medical expenses, including non-refundable deductibles, as well as for the cost of prescription drug medication, may constitute an unforeseeable emergency. For example, the imminent foreclosure of or eviction from the Participant's or

Participant's primary beneficiary's primary residence may constitute an unforeseeable emergency. In addition, the need to pay for medical expenses for the Participant or the Participant's primary beneficiary, or of the Participant or the Participant's primary beneficiary's spouse or dependent (as defined in section 152 of the Code without regard to Code Sections 152(b)(1), (b)(2), and (d)(1)(B)), including non-refundable deductibles, as well as for the cost of prescription drug medication, may constitute an unforeseeable emergency. Except as otherwise specifically provided in this Section 12.5, neither the purchase of a home nor the payment of college tuition is an unforeseeable emergency. For purposes of this Section "primary beneficiary" means an individual who is named as a ~~h~~Beneficiary under the Plan and has an unconditional right to all or a portion of the Participant's Account Balance upon the death of the Participant.

(d) Distribution Necessary to Satisfy Emergency Need. Distributions because of an unforeseeable emergency may not exceed the amount reasonably necessary to satisfy the emergency need (which may include any amounts necessary to pay any federal, state, or local income taxes or penalties reasonably anticipated to result from the distribution).

(e) Claim Procedures Applicable. The claim procedures of Article XX apply to the decision of the Administrator concerning financial hardship.

(f) Additional Restrictions. ~~Only the Employee Contribution Account is available for unforeseeable emergency distributions. A Participating Employer may adopt a policy whereby Participants are prohibited from making any deferral under this Plan for a certain period after the Employer is notified by the Plan Administrator that the Participant has received an unforeseeable emergency distribution. The deferral prohibition period shall be determined by the Participating Employer and stated in the policy, but it shall not exceed six (6) months. The policy must be applied by the Participating Employer in a consistent manner to all Participants. A copy of the policy must be provided to the Plan Administrator. [AS AMENDED JUNE 27, 2016; EFFECTIVE AS OF JUNE 27, 2016]~~

12.6. No Plan Loans. Plan loans to Participants shall not be permitted.

12.7. Coronavirus-Related Distributions. (c) A Participant who received a Coronavirus-Related Distribution may repay any or all of such distribution to the Plan in one or more contributions, provided such Coronavirus-Related Distribution is eligible for tax-free rollover treatment. Any such re-contribution:

ARTICLE XIII - DOMESTIC RELATIONS ORDERS

13.1. General Provisions. Domestic relations orders which satisfy the requirements of Code Section 414(p)(1)(A)(i) and 414(p)(1)(B), this Article, and the procedures established by the Administrator or Service Manager for such orders shall be considered Plan-Approved Domestic Relations Orders ("PADROs") and shall be honored by the Plan. The Plan shall not honor any domestic relations orders issued by a court before January 26, 2004. The Administrator (or Service Manager) is authorized to establish and amend procedures for the determination of PADROs consistent with the above-referenced Code provisions and this Article.

13.2. Investments. During the period that the issue of whether an order satisfies the applicable requirements of the Code and the procedures established by the Administrator or Service Manager is under consideration, the investment direction of the Participant with respect to the Participant's Accounts shall remain in effect, subject to a determination by the Administrator or Service Manager that such investment direction would be contrary to a final court order. After a determination has been made that a domestic relations order satisfies the applicable requirements of the Code and the procedures established by the Administrator or Service Manager and a separate Plan Account has been established for the alternate payee, the alternate payee shall direct the investment of his or her Plan Account. The Administrator or Service Manager shall direct the investment of an alternate payee's Account to a default investment pursuant to Section 11.2 when there is no valid investment direction on file. The alternative payee's Account shall be assessed administrative fees in the same amount and in the same manner as a Participant's Account.

13.3. Distributions to Alternate Payees. Distribution of benefits to the alternate payee shall commence as soon as administratively practicable after (i) a determination is made that the order satisfies the applicable requirements of the Code and the procedures established by the Administrator or Service Manager, and (ii) receipt by the Administrator or Service Manager of the Applicable Forms for the election of benefits. In the event of an alternative payee's death, any remaining benefits shall be payable solely to the alternate payee's estate, via the duly-appointed and then-currently serving executor of the alternative payee's estate.

ARTICLE XIV - MINIMUM DISTRIBUTION RULES

14.1. Precedence. The requirements of this Article will take precedence over any inconsistent provisions of the Plan.

14.2. Requirements of Treasury Regulations Incorporated. All distributions required under this Article will be determined and made in accordance with the Treasury regulations under Code Section 401(a)(9).

14.3. Time and Manner of Distribution.

(a) The Participant's entire interest will be distributed, or begin to be distributed, to the Participant not later than the Participant's Required Beginning Date.

(b) If the Participant dies before distribution begins, the Participant's entire interest will be distributed, or begin to be distributed, no later than as follows:

(1) If the Participant's surviving spouse is the Participant's sole Designated Beneficiary, then distributions to the surviving spouse will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died, or by December 31 of the calendar year in which the Participant would have attained age 72 (age 70½ for distributions required to be made before January 1, 2020, with respect to a member who would have attained age 70½ before January 1, 2020), if later.

(2) If the Participant's surviving spouse is not the Participant's sole Designated Beneficiary, then distributions to the Designated Beneficiary may be made by lump sum, and distribution must be made no later than December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(3) If there is no Designated Beneficiary as of September 30 of the year following the year of the Participant's death, the Participant's entire interest will be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(4) If the Participant's surviving spouse is the Participant's sole Designated Beneficiary and the surviving spouse dies after the Participant but before distributions to the surviving spouse begin, this subsection (b), other than subsection (b)(2), will apply as if the surviving spouse were the Participant.

For purposes of this subsection (b) and Section 14.5, unless subsection (b)(4) of this Section applies, distributions are considered to begin on the Participant's Required Beginning Date. If subsection (b)(4) of this Section applies, distributions are considered to begin on the date the distributions are required to begin to the surviving spouse under subsection (b)(1) of this Section. If distributions under an annuity purchased from an insurance company irrevocably commence to the Participant before the Participant's Required Beginning Date (or to the Participant's surviving spouse before the date distributions are required to begin to the surviving spouse under subsection (b)(1) of this Section), the date distributions are considered to begin is the date distributions actually commence.

Unless the Participant's interest is distributed in the form of an annuity purchased from an insurance company or in a single sum on or before the Required Beginning Date, as of the first Distribution Calendar Year distributions will be made in accordance with Sections 14.4 or 14.5. If the Participant's interest is distributed in the form of an annuity purchased from an insurance company, distributions thereunder will be made in accordance with the requirements of Code Section 401(a)(9) and the Treasury regulations. [AMENDED SEPTEMBER 25, 2020]

(2) If the Participant's sole Designated Beneficiary for the Distribution Calendar Year is the Participant's spouse, the quotient obtained by dividing the Participant's Account Balance by the number in the Joint and Last Survivor Table set forth in section 1.401(a)(9)-9 of the Treasury regulations, using the Participant's and spouse's attained ages as of the Participant's and spouse's birthdays in the Distribution Calendar Year.

(b) Required minimum distributions will be determined under this Section beginning with the first Distribution Calendar Year and up to and including the Distribution Calendar Year that includes the Participant's date of death.

14.5. Required Minimum Distributions After Participant's Death.

(a) Death on or After Date Distributions Begin.

(1) If the Participant dies on or after the date distributions begin and there is a Designated Beneficiary, the minimum amount that will be distributed for each Distribution Calendar Year after the year of the Participant's death is the quotient obtained by dividing the Participant's Account Balance by the longer of the remaining Life Expectancy of the Participant or the remaining Life Expectancy of the Participant's Designated Beneficiary, determined as follows:

1. The Participant's remaining Life Expectancy is calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

2. If the Participant's surviving spouse is the Participant's sole Designated Beneficiary, the remaining Life Expectancy of the surviving spouse is calculated for each Distribution Calendar Year after the year of the Participant's death using the surviving spouse's age as of the spouse's birthday in that year. For Distribution Calendar Years after the year of the surviving spouse's death, the remaining Life Expectancy of the surviving spouse is calculated using the age of the surviving spouse as of the spouse's birthday in the calendar year of the spouse's death, reduced by one for each subsequent calendar year.

3. If the Participant's surviving spouse is not the Participant's sole Designated Beneficiary, the Designated Beneficiary's remaining Life Expectancy is calculated using the age of the Designated Beneficiary in the year following the year of the Participant's death, reduced by one for each subsequent year. **[AS AMENDED JUNE 27, 2016; EFFECTIVE AS OF JUNE 27, 2016]**

(2) If the Participant dies on or after the date distributions begin and there is no Designated Beneficiary as of September 30 of the year after the year of the Participant's death, the minimum amount that will be distributed for each Distribution Calendar Year after the year of the Participant's death is the quotient obtained by dividing the Participant's Account Balance

by the Participant's remaining Life Expectancy calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

(b) Death (on or before December 31, 2021) Before Date Distributions Begin.

(1) If the Participant dies before the date distributions begin and there is a Designated Beneficiary, the minimum amount that will be distributed for each Distribution Calendar Year after the year of the Participant's death is the quotient obtained by dividing the Participant's Account Balance by the remaining Life Expectancy of the Participant's Designated Beneficiary, determined as provided in subsection (a) of this Section.

(2) If the Participant dies before the date distributions begin and there is no Designated Beneficiary as of September 30 of the year following the year of the Participant's death, distribution of the Participant's entire interest will be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(3) If the Participant dies before the date distributions begin, the Participant's surviving spouse is the Participant's sole Designated Beneficiary, and the surviving spouse dies before distributions are required to begin to the surviving spouse under Section 14.3(b)(1), this subsection (b) will apply as if the surviving spouse were the Participant.

(c) Death (on or after January 1, 2022) Before Date Distributions Begin

(1) Notwithstanding the provisions above, if a Participant dies before their entire Account balance is distributed, the Participant's entire interest will be distributed no later than as follows:

1. If the Designated Beneficiary is not the Participant's surviving spouse, a child of the employee who has not yet reached the age of majority, an individual who is disabled or chronically ill, or an individual who is not more than ten years younger than the employee, distributions after the Participant's death must be distributed no later than December 31st of the calendar year containing the tenth (10th) anniversary of the Participant's death.

2. If the Designated Beneficiary is the Participant's surviving spouse, a child of the employee who has not yet reached the age of majority, an individual who is disabled or chronically ill, or an individual who is not more than ten (10) years younger than the employee, distributions after the Participant's death must be made over a period not to exceed the designated Beneficiary's life expectancy. Alternatively, the designated Beneficiary may elect to receive a total distribution of the Participant's Account Balance by no later than December 31st of the calendar year containing the tenth (10th) anniversary of the Participant's death.

The Plan for a Participating Employer who fails to comply with its obligations under the Plan may be terminated by the Trustees in their discretion. A Participating Employer shall not be liable for losses arising from expense charges of any kind or from depreciation or shrinkage in the value of investments made under this Plan. [AMENDED SEPTEMBER 25, 2020]

ARTICLE XVIII - PLAN TO PLAN TRANSFERS

18.1. Direct Transfers Among Plans of the Same Employer. A transfer from this Plan to another eligible governmental plan of the same Employer and a transfer to this Plan from another eligible governmental plan of the same Employer is permitted under the following conditions:

- (a) The transfer is from an eligible governmental plan to another eligible governmental plan of the same employer (and, for this purpose, the employer is not treated as the same employer if the participant's compensation is paid by a different entity);
- (b) The transferor plan provides for transfers;
- (c) The receiving plan provides for the receipt of transfers;

(d) The participant or beneficiary whose amounts deferred are being transferred will have an amount deferred immediately after the transfer at least equal to the amount deferred with respect to that pParticipant or bBeneficiary immediately before the transfer; and

(e) The pParticipant or bBeneficiary whose deferred amounts are being transferred is not eligible for additional annual deferrals in the receiving plan unless the pParticipant or bBeneficiary is performing services for the entity maintaining the receiving plan. [AS AMENDED JUNE 27, 2016; EFFECTIVE AS OF JUNE 27, 2016]

18.2. Plan-to-Plan Transfers from the Plan to the Plan of Another Employer.

(a) At the direction of the Participating Employer, the Administrator may permit a class of Participants and Beneficiaries to elect to have all or any portion of their Account Balance transferred to another eligible governmental plan within the meaning of section 457(b) of the Code and section 1.457-2(f) of the Income Tax Regulations. A transfer is permitted under this Section 18.2(a) for a Participant only if the Participant has had a Severance from Employment with the Participating Employer and is an employee of the entity that maintains the other eligible governmental plan. Further, a transfer is permitted under this Section 18.2 (a) only if the other eligible governmental plan provides for the acceptance of plan-to-plan transfers only with respect to the Participants and Beneficiaries and for each Participant and Beneficiary to have an amount deferred under the other plan immediately after the transfer at least equal to the amount transferred.

(b) Upon the transfer of assets under this Section 18.2, the Plan's liability to pay benefits to the Participant or Beneficiary under this Plan shall be discharged to the extent of the amount so transferred for the Participant or Beneficiary. The Administrator may require such documentation from the receiving plan as it deems appropriate or necessary to comply with this Section 18.2 (for example, to confirm that the receiving plan is an eligible governmental plan under paragraph (a) of this Section 18.2, and to assure that the transfer is permitted under the receiving plan) or to effectuate the transfer pursuant to section 1.457-10(b) of the Income Tax Regulations.

18.3. Plan-to-Plan Transfers to the Plan. At the direction of the Participating Employer, the Administrator may permit a class of Participants who are participants in another eligible governmental plan under section 457(b) of the Code to transfer assets to the Plan as provided in this Section. Such a transfer is permitted only if the other plan provides for the direct transfer of each Participant's interest therein to the Plan. The Administrator may require in its sole discretion that the transfer be in cash or other property acceptable to the Administrator. The Administrator may require such documentation from the other plan as it deems necessary to effectuate the transfer in accordance with section 457(e)(10) of the Code and section 1.457-10(b) of the Income Tax Regulations and to confirm that the other plan is an eligible governmental plan as defined in section 1.457-2(f) of the Income Tax Regulations. The amount so transferred shall be credited to the Participant's Account and shall be held, accounted for, administered and otherwise treated in the same manner as an Annual Deferral by the Participant under the Plan, except that the transferred amount shall not be considered an Annual Deferral under the Plan in determining the maximum deferral under Article VI.

18.4. Permissive Service Credit Transfers.

(a) If a Participant is also a participant in a tax-qualified defined benefit governmental plan (as defined in section 414(d) of the Code) that provides for the acceptance of plan-to-plan transfers with respect to the Participant, then the Participant may elect to have any portion of the Participant's Account Balance transferred to the defined benefit governmental plan; provided, however, that no portion of the Participant's Account balance attributable to Roth Contributions may be transferred under this Section 18.4(a). A transfer under this Section 18.4(a) may be made before the Participant has had a Severance from Employment. [AS AMENDED JUNE 27, 2016; EFFECTIVE AS OF JUNE 27, 2016]

(b) A transfer may be made under Section 18.4(a) only if the transfer is either for the purchase of permissive service credit (as defined in section 415(n)(3)(A) of the Code) under the receiving defined benefit governmental plan or a repayment to which section 415 of the Code does not apply by reason of section 415(k)(3) of the Code.

The Trustees also have the powers and duties specified in the Trust Agreement. By way of illustration and not limitation, the Trustees are empowered and authorized:

1. to establish procedures with respect to administration of the Plan, not inconsistent with the Plan and the Code, and to amend or rescind such procedures;

2. to determine, consistent with the Plan, applicable law, rules or regulations, all questions of law or fact that may arise as to the eligibility for participation in the Plan and eligibility for distribution of benefits from the Plan, and the status of any person claiming benefits under the Plan, including without limitation, Participants, former Participants, Beneficiaries, Employees and former Employees;

(b) Any action by the Trustees, which is not found to be an abuse of discretion, shall be final, conclusive and binding on all individuals affected thereby. The Trustees may take any such action in such manner and to such extent as the Trustees in their sole discretion may deem expedient and the Trustees shall be the sole and final judge of such expediency.

In addition to the powers stated in Section 19.2, the Trustees may from time to time delegate to an individual, committee or organization certain of their fiduciary or other responsibilities under the Plan. Any such individual, committee or organization shall remain a fiduciary until the delegation of fiduciary duty is revoked by the Trustees, which revocation may be without cause and without advance notice. Such individual, committee or organization shall have such power and authority with respect to delegated fiduciary or other responsibilities as the Trustees have under the Plan.

19.5. Fiduciary Insurance. The Trustees may require the purchase of fiduciary liability insurance for any of their fiduciaries to cover liability or losses occurring by reason of the act or omission of a fiduciary.

(a) Payments to Minors and Incompetents. If a Participant or Beneficiary entitled to receive any benefits hereunder is a minor or is adjudged to be legally incapable of giving valid receipt and discharge for such benefits, or is deemed so by the Administrator, benefits will be paid to such person as the Administrator may designate for the benefit of such Participant or Beneficiary. Such payments shall be considered a payment to such Participant or Beneficiary and shall, to the extent made, be deemed a complete discharge of any liability for such payments under the Plan.

(b) Correctness of Actions. The Trustees or Administrator, if in doubt concerning the correctness of its action in making a payment of a benefit, may suspend payment until satisfied as to the correctness of the payment or the person to receive the payment, or may file, in any state court of competent jurisdiction, a suit, in such form as it considers appropriate, for legal determination of the benefits to be paid and the persons to receive them. The Trustees or Administrator may also bring a suit or take such other action as it deems appropriate in the case

of questions involving investment directions. The Trustees and Administrator shall comply with the final order of the court in any such suit, and Participants, Beneficiaries, and Participating Employers shall be bound thereby insofar as such order affects the benefits payable under this Plan or the method or manner of payment.

19.7. Limitation on Recovery. Participating Employers, Participants, and Beneficiaries (or their estates, if applicable) may not seek recovery against the Trustees, GMA or any employee or agent of the Trustees, for any loss sustained by any Participating Employer, Participant, or Beneficiary (or estate, if applicable) due to the nonperformance of their duties, negligence or any other misconduct of the above-named persons. Participants and Beneficiaries (or their estates, if applicable) may not seek recovery against Participating Employers or any employee or agent of the Participating Employer, for any loss sustained by the Participant or Beneficiary (or their estates, if applicable) due to the nonperformance of their duties, negligence or any other misconduct of the above-named persons. (b) Notwithstanding Section 23.2(a), the Administrator may pay from a Participant's or Beneficiary's Account the amount the Administrator finds is lawfully demanded under a levy issued by the Internal Revenue Service with respect to the Participant or Beneficiary or is sought to be collected by the United States Government under a judgment resulting from an unpaid tax assessment against the Participant or Beneficiary.

ARTICLE XXIV - MISCELLANEOUS

24.1. Federal Taxes. The Trustees, the Participating Employers, and the Administrator do not guarantee that any particular Federal or State income, payroll or other tax consequence will occur because of participation in this Plan.

24.2. Contract. This Plan, the Adoption Agreement, and the Participation Agreement, including any properly adopted or executed amendments thereof, shall constitute the total agreement or contract between the Participating Employer and any Participant regarding the Plan. No oral statement regarding the Plan may be relied upon by any Participant or other person.

24.3. Conflicts. In resolving any conflict between provisions of the Plan and in resolving any other uncertainty as to the meaning or intention of any provision of the Plan, the interpretation that (i) causes the Plan to constitute an eligible plan under the provisions of Code Section 457 and the Trust to be exempt from tax under Code Section 457, (ii) causes the Plan to comply with all applicable requirements of the Code, and (iii) causes the Plan to comply with all applicable Georgia statutes and rules, shall prevail over any different interpretation.

24.4. Limitation on Rights. Neither the establishment or maintenance of the Plan (including the Adoption Agreement), nor any amendment thereof nor any act or omission under the Plan (or resulting from the operation of the Plan) shall be construed:

(a) As conferring upon any Participant, Beneficiary (or their estate, if applicable) or any other person a right or claim against the Trust, Trustees, Participating Employer, or Administrator, except to the extent that such right or claim shall be specifically expressed and provided in the Plan;

(b) As creating any responsibility or liability of the Participating Employer for the validity or effect of the Plan;

(c) As a contract between the Participating Employer and any Participant or other person (or estate, if applicable); [AS AMENDED JUNE 27, 2016; EFFECTIVE AS OF JUNE 27, 2016]

(d) As being consideration for, or an inducement or condition of, employment of any Participant or other person, or as affecting or restricting in any manner or to any extent whatsoever the rights or obligations of the Participating Employer or any Participant or other person to continue or terminate the employment relationship at any time; or

(e) As giving any Participant the right to be retained in the service of the Participating Employer or to interfere with the right of the Participating Employer to discharge any Participant or other person at any time.

24.5. USERRA Compliance. Notwithstanding any provisions of this Plan to the contrary, contributions, benefits, and service credit with respect to qualified military service shall be provided in accordance with the Uniformed Services Employment and Reemployment Rights

Act of 1994 ("USERRA") [as codified at Chapter 43, Title 38, of the United States Code]; Code Section 414(u); and Code Section 401(a)(37), as amended from time to time.

For purposes of this section, "qualified military service" means any service in the uniformed services as defined in USERRA by any individual if such individual is entitled to reemployment rights under USERRA with respect to such service.

A Participant, whose employment is interrupted by qualified military service or who is on a leave of absence for qualified military service who timely resumes employment with the Participating Employer in accordance with USERRA, may elect to make-up deferral contributions to the Plan in accordance with Code Section 414(u) reduced by deferral contributions under Code Section 457(b), if any, actually made for the Participant during the period of such interruption or leave. Except to the extent otherwise provided under Code Section 414(u), this right applies for five (5) years following such resumption of employment (or, if shorter, for a period equal to three (3) times the period of the interruption or leave). Such contribution by the Participant may only be made during such period and while the Participant is employed by the Participating Employer.

If such Participant elects to make such make-up contributions, then the Participating Employer shall make-up the related Employer Contributions which would have been required had such contributions actually been made during the period of qualified military service. The make-up contributions by the Participating Employer shall be made as soon as practicable after the Participant makes such make-up contributions.

If the Participant timely resumes employment in accordance with USERRA after a qualified military leave, the Participating Employer shall make any other Employer Contribution that would have been made if the Participant had remained employed during the Participant's qualified military service. Such contributions must be made no later than ninety (90) days after the date of such reemployment or when contributions are normally due for the year in which the qualified military service was performed, if later.

In determining the amount of Employer Contribution, a Participant shall be treated as receiving compensation from the Participating Employer during such period of qualified military service equal to (i) the compensation the Participant would have received during such period if the Participant were not in qualified military service, determined based on the rate of pay the Participant would have received from the Participating Employer but for the absence during the period of qualified military service, or (ii) if the compensation the Participant would have received during such period is not reasonably certain, the Participant's average compensation from the Participating Employer during the twelve (12) month period immediately preceding the qualified military service (or, if shorter, the period of employment immediately preceding the qualified military service).

Effective January 1, 2007, to the extent provided under Code Section 401(a)(37), in the case of a Participant whose employment is interrupted by qualified military service and who dies while performing qualified military service, the survivor of such Participant shall be entitled to any additional benefit (other than benefit accruals) provided under the Plan as if the Participant

timely resumed employment in accordance with USERRA and then, on the next day, terminated employment on account of death.

Effective January 1, 2009, a Participant whose employment is interrupted by qualified military service or who is on a leave of absence for qualified military service and who receives a differential wage payment within the meaning of Code Section 414(u)(12)(D) from the Employer, shall be treated as a Participant who is eligible to make deferral contributions under Code Section 457(b). This provision shall be applied to all similarly situated individuals in a reasonably equivalent manner. However, such individual shall be treated as having a severance from employment during any period the individual is performing qualified military service for purposes of electing to take a distribution from the Plan. An individual who elects to take a distribution on account of qualified military service may not make an Employee Contribution with respect to differential wage payments during the 6-month period beginning on the date of the distribution.

24.6. Procedure when Distributee Cannot be Located. The Administrator shall make all reasonable attempts to determine the identity and address of a Participant or a Participant's Beneficiary (or an estate, if applicable) entitled to benefits under the Plan. For this purpose, a reasonable attempt means (a) the mailing by certified mail of a notice to the last known address shown on the Participating Employer's ~~{Insert Name of the Employer}~~'s or the Administrator's records, (b) notification sent to the Social Security Administration or the Pension Benefit Guaranty Corporation (under their program to identify payees under retirement plans), and (c) the payee has not responded within 6 months. If the Administrator is unable to locate such a person entitled to benefits hereunder, or if there has been no claim made for such benefits, the Trust Fund shall continue to hold the benefits due such person. **[AS AMENDED JUNE 27, 2016; EFFECTIVE AS OF JUNE 27, 2016]**

24.7. Erroneous Payments. If the Trustees or Administrator make any payment that according to the terms of the Plan and the benefits provided hereunder should not have been made, the Trustees or Administrator may recover that incorrect payment, by whatever means necessary, whether or not it was made due to the error of the Trustees or Administrator, from the person to whom it was made or from any other appropriate party. For example, if any such incorrect payment is made directly to a Participant, the Trustees or Administrator may deduct it when making any future payments directly to that Participant.

24.8. Mistaken Contributions. If any contribution (or any portion of a contribution) is made to the Plan by a good faith mistake of fact, then within one year after the payment of the contribution, and upon receipt in good order of a proper request approved by the Administrator, the amount of the mistaken contribution (adjusted for any income or loss in value, if any, allocable thereto) shall be returned directly to the Participant or, to the extent required or permitted by the Administrator, to the Participating Employer.

24.9. Release. Any payment to any Participant or Beneficiary (or estate, if applicable) shall, to the extent thereof, be in full satisfaction of the claim of such Participant being paid thereby and the Trustees or Administrator may condition payment thereof on the delivery by the Participant or Beneficiary (or estate, if applicable) of the duly executed receipt and release in

such form as may be determined by the Trustees or Administrator. [AS AMENDED JUNE 27, 2016; EFFECTIVE AS OF JUNE 27, 2016]

24.10. Liability. The Administrator shall not incur any liability in acting upon any notice, request, signed letter, telegram or other paper or document or electronic transmission believed by the Administrator to be genuine or to be executed or sent by an authorized person.

24.11. Governing Laws. The law of the State of Georgia, except to the extent preempted by federal law, shall apply in determining the construction and validity of this Plan.

24.12. Necessary Parties to Disputes. Necessary parties to any accounting, litigation or other proceedings relating to the Plan shall include only the Trustees and the Administrator. However, the Service Manager is a necessary party for those duties that have been delegated to the Service Manager. The settlement or judgment in any such case in which the Trustees are duly served shall be binding upon all affected Participants in the Plan, their beneficiaries, estates and upon all persons claiming by, through or under them.

24.13. Severability. If any provision of the Plan shall be held by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions of the Plan shall continue to be fully effective.

24.14. Supersession. The terms of the Plan shall supersede any previous agreement between the parties pertaining to the Plan.

24.15. Counterparts. This Plan may be executed in one (1) or more counterparts, each of which shall constitute an original.

DISCLOSURE OF OTHER 457(b) PLAN(S)

The Participating Employer does or does not have an existing deferred compensation plan(s). If the Participating Employer does have one or more deferred compensation plans, the Governing Authority must provide the plan name and the name of the provider below, and such other relevant information requested by the Administrator.

Plan Name(s) _____

Plan Provider(s) _____

VERY IMPORTANT: All eligible plans of a Participating Employer are considered to be a **single plan** for purposes of compliance with Code Section 457(b). **Thus, if a Participating Employer has more than one eligible plan (or additional investment options under a 457(b) arrangement with more than one vendor), the Participating Employer is responsible for ensuring that all of its arrangements, treated as a single plan, comply with the 457(b) requirements, including, but not limited to, the requirements listed below.** The Participating Employer must carefully review the Master Plan provisions listed below to fulfill its responsibility for monitoring coordination of multiple plans.

- **Compliance with the limit on Annual Deferrals to an eligible plan (including the basic limit (Section 6.1), the age 50 catch-up (Section 6.2), and the special 457 catch-up limit (Section 6.3)) (carefully review Article VI of the Master Plan for these rules).**
- **Compliance with the requirements for special 457 catch-up deferrals limits, including the requirement that a Participant have only one Normal Retirement Age (with respect to the special 457 catch-up limit) under all eligible plans offered by an Employer (carefully review Sections 1.24 and 6.3 of the Master Plan for these rules). (In essence, this means that once a Participant has selected a Normal Retirement Age under any eligible plan offered by an employer, he or she may not select a different one, and the selection will remain that Participant's Normal Retirement Age under all eligible plans offered by the Employer).**
- **Compliance with the requirement to distribute excess deferrals (an excess deferral means the amount of deferrals for a calendar year that is more than the**

basic limit, the age 50 catch-up limit, and the special 457 catch-up limit) (carefully review Section 6.7 of the Master Plan for these rules). (This means that the Participating Employer will have to tell the ADMINISTRATOR if excess deferrals need to be distributed from this Plan.)

- Other (must specify): _____

COMPENSATION

Compensation Paid After Severance From Employment – Certain post-severance payments may be included in Compensation for purposes of computing deferrals under the Plan, but only if these amounts are paid no later than 2½ months after severance from employment or, if later, the end of the calendar year that includes a Participant's severance from employment, and only if it is a payment that, absent a severance from employment, would have been paid to the Participant while the Participant continued in employment with the Participating Employer. The Participating Employer makes the following election with respect to including post-severance payments in Compensation (Note: if the following is not completed, no post-severance payments will be included in Compensation by default):

- No post-severance payments will be included in Compensation for purposes of computing deferrals under the Plan (if this box is checked, skip to "Modification of the Terms of the Adoption Agreement " below).
- For purposes of calculating deferrals under the Plan, the following post-severance payments will be included in Compensation, as long as: 1) they are paid no later than 2 ½ months after severance from employment or, if later, the end of the calendar year that includes the Participant's severance from employment; and 2) absent a severance from employment, they would have been paid to the Participant while the Participant continued in employment with the Participating Employer (check all that apply):
